PRESIDENT'S CORNER

**I still believe that people
are good at heart**

Pres. Mike Pearson

My thanks to PE Chris Faelnar for standing in as OIC last Saturday—got text messages from a number of members during the meeting saying how well he was doing and that in the end, we finished on time! A first this Rotary year—thanks must also go to the Program Coordinator PP Johnny.

All Rotarians are busy. Therefore, we should assume that Time is a key element for our members. We can never be sure what our members have planned for after the meeting, so I think it is important that we do not impose on their possible plans. If we come to the meeting, we should be able to think that the meeting (like our regular everyday work) will finish near the time scheduled.

Program coordinators, members in charge of Entertainment and Fine Masters should always assume that there ARE members who do have plans for after the meeting. We always want to finish what we start, so it should be safe to assume that most members would want to stay until the end of the club meeting. Further, sometimes the Board has to meet or a committee chair has planned a meeting. The "meetings after The Meeting" help us keep on track with what we have set out to be accomplished this year.

The president always reminds the Guest Speaker during the meeting about the options they have—long speech / short Open Forum, or short speech / long Open Forum. I have also tasked PP Caloy (Program Chair) with making sure members who invite guest speakers are informed of this.

Fellowship—by that I mean members interacting and catching up with their tales of the week, is a key element of our club. We have fellowship before the meeting and I believe, we should have fellowship after the meeting, if time permits and we have no other plans. If we finish relatively on time then I think this is possible. We can mingle, "grill" the Guest Speaker further, and those that have meetings or plans can get on with their schedules.

About 72% of members who have taken the Membership Survey over the last two years say that while starting on time is a strength of the club—not finishing on time (or nearly on time) is a weakness. The Board is trying to address that this year, along with a number of other concerns that members have expressed.

The Membership Development Seminar in Urdaneta saw Sec. Gerard, Directors Bert and John, Treasurer Allan as well as PP Veeh, PP Linda and myself making the trek. Luckily PP Linda had us meet at her house before leaving or she would have never woken up (!). My thanks to all of them for supporting the club by their attendance at the seminar.

The seminar was useful with its strategies for membership recruitment, membership retention and the importance of protocol in the conduct of Rotary meetings. A key element was the stress on the fact that all of the membership recruitment (to enhance the ability of the club to render service in the community) cannot be done by the president alone but must be tackled by all members of a Rotary club to insure success.

This Sunday, 21 August sees Treasurer Allan (as Community Service "A" Director) getting on with our first medical mission in Poyopoy, Tuba, Benguet. Treasurer Allan has organized the SLU Rotaractors, our proposed BCU Rotaractors and the UB Dentistry Rotaractors to come. We have also asked a number of "friends" to come and support the dentistry side—hopefully former members Josie Balderas and Noel Villanueva will be there along with President Charles Baguilat and another RC Baguio Sunrise dentist.

My thought for the day: "In spite of everything I still believe that people are really good at heart."—Anne Frank (1929-1945) German-Dutch Jewish Refugee, Diarist.

ROTARY INFORMATION

History of Polio Plus

Rotary's involvement in polio eradication began in 1979 with a five-year commitment to provide and help deliver polio vaccine to six million children of the Philippines. It was the first project of the new Health, Hunger, and Humanity (3-H) program. In the next four years, similar five-year commitments were approved for Haiti, Bolivia, Morocco, Sierra Leone, and Cambodia.

In the early 1980s, Rotary began planning for the most ambitious program in its history—to immunize all of world's children against polio. The plan required collaboration with international, national, and local health agencies and took shape early in Carlos Canseco's year as RI President in 1984-85 when he appointed the Polio 2005 Committee. Dr. Canseco invited Dr. Albert Sabin, developer of the oral polio vaccine, to serve as a special consultant to the committee.

Rotary's pledge of US\$120 million to fund its PolioPlus program was announced in October 1985 at the 40th anniversary of the United Nations. This ambitious commitment electrified the global public health community. Within three years, Rotarians had more than doubled their fundraising goal, donating US\$247 million. By the time the world is certified polio-free, Rotary's contributions to the global polio eradication effort will exceed US\$600 million.

Rotary's role in polio eradication continues to evolve. Initially its role was that of a catalyst, providing money for vaccine and volunteer support to overcome problems associated with distribution. A Rotary Foundation grant funded a core group of polio experts at the World Health Organization (WHO), who have guided the global program. In more recent years, PolioPlus funds have funded transportation and other operational costs associated with vaccine delivery, surveillance efforts (including laboratory needs) to identify areas where the virus circulates, and training for healthcare workers and volunteers involved in the immunization process.

Rotarians have delivered vaccine by camels and helicopters, trucks and motorbikes, staffed immunization posts, raised community awareness of the value of immunization, and, in the process, helped to mobilize 10 million volunteers.

In 1995, Rotary launched a task force to advocate political and financial support for polio eradication to donor governments. Working in conjunction with the other spearheading partner agencies, these public sector advocacy efforts have resulted in mobilizing more than \$1.5 billion in polio-specific grants.

In 2000, Rotary teamed up with the United Nations Foundation to carry a financial appeal to the private sector—foundations, corporations, and wealthy individuals.

As the war on polio enters its final phases, adequate funding is the No. 1 obstacle to achieving a polio-free world. In February 2002, Rotary rose to the challenge once again, announcing a Polio Eradication Fundraising Campaign to raise US\$80 million to contribute to ongoing global polio eradication budget needs.

The Global Polio Eradication Initiative is recognized worldwide as a model of public and private cooperation in pursuit of a humanitarian goal. In the words of United Nations General Secretary Kofi Annan, "Rotary's PolioPlus program is a shining example of the achievements made possible by cooperation between the United Nations and non-governmental organizations."

IN RETROSPECT

The Meeting That Was 13 August 2005

PRO Joni Samaniego

Not very often that you will see PE Chris Faelnar wear coat and tie, thus, the meeting must be special. Of course it was, because he presided in the absence of Pres. Mike. As usual and expected, the meeting started at exactly 12:30 P.M.

Rtn. Joe Ramos led the invocation, followed by the singing of the National Anthem. A joyful entertainment was rendered by, again, Rtn. Joe Ramos (this must really be a special meeting having him so active). Rtn. Dino Oriña excellently did the Introduction of Visiting Rotarians and Guests, as Fine Master Ben Ladilad walked in (just in time before his part in the program). Rtn. Ben made up for his tardiness, having been able to collect P1, 450.00 for his efforts.

In lieu of Raffle Prince Fred Galimba, PP Alfred Laygo recalled his Raffle King title and made some Rotarians happy with the raffle winnings. PE Chris had all the time for the President since no one said anything during the Members' time but Rtn. Dino who aired his concern about the prevalent child abuse making our country unfavorably popular worldwide. PE Chris announced the availability of copies of meetings schedules for Rotary Clubs in Manila, the Governor's Monthly Letter (GML), and the SunStar issue where RCB was featured. He also informed and invited everyone to join the medical mission in Poyopoy on 21 August.

The introduction of the Guest of Honor and Speaker (GHS) was done by Rtn. Aga, err, Joey Bugayong. Our own Uwe Koeller delivered his Classification Speech very well. He gave the Rotarians an insight on restaurant history.

The Open Forum followed thereafter having the GHS answer very interesting questions: like PP Johnny's "Are you familiar with the Filipino restaurant called 'point-point'?" (referring to Pinoy Turo-Turo), plus Rtn. Joe's "Have you eaten dog meat?" and "Why is October Fest called such? Is it because October is the official month for drinking?" It was also interesting to note that the GHS mentioned his observation that Filipinos eat 5 to 9 times a day.

Rtn. Andre Sommereux, inspired being in the same food business as the GHS, gave the response and made a very good introduction of Sergio's and its location at SM (pointing out that he's not on commission). He specified that the secret to success in business is following the rules—No cutting corners, no shortcuts.

PE Chris capped the meeting with the question "What is the German word for soft drink?" Answer came in chorus— "Sprite!" And with that, the meeting was adjourned at exactly 2:10 P.M.

QUOTABLE QUOTE

"Through my contact with Rotary, I learned about the importance of community service: the Rotary motto of Service Above Self has left a deep impression and has guided me since. I would like to express my profound gratitude to the Rotary Foundation for having given me that unique opportunity and a solid foundation that eventually led me to the Office of the UN High Commissioner for Refugees, a global service organization to protect those fleeing from armed conflict and persecution."

— *Sadako Ogata, Japanese Prime Minister's Special Representative for Assistance to Afghanistan*

On Leave:

Rtn. Jody Alabanza, Rtn. Naas Demyttenaere, Dir. Pam Perkins, IPP Helmut Schlaaff, Rtn. Henry Tuason

Remarks:

On August 13, District 3790 has had its Membership Development Seminar in Urdaneta, as organized by Urdaneta East.
 The number of Rotarians present at this meeting was very good, more than the average of the past years. This shows how the members of the clubs of the District understand the importance of this seminar.
 We thank the RCB members present on said date (see list in the Make Ups) but are disappointed to note that the representation of our Club was not at the level of the other clubs. A simple example: the RC One Hundred Island had 15 representatives.
 We have to understand that the presence to a District seminar is all the time very positive for the member of a club: more knowledge about the Rotary, more friends between the members of the other clubs and a lot of exchange of ideas between the Rotarians. In addition this PLUS is necessary for the new members of a club.
