## PRESIDENT'S CORNER

**When the power of love  
conquers the love of power..**

Pres. Mike Pearson

Today we are celebrating Rotary's New Generations Month with our Guest of Honor and Speaker, Pixie Keirulf, the District 3790 Rotaract representative for 2005-06. Some of us will not be at the club meeting today, as we have to attend the Rotary Community Corps seminar in La Union. VP Flo is presiding officer, so I am sure the quality of our meeting will remain intact!

We are busy working with our Rotary Anns at Luding—the Anns are preparing to add a day care center to the Health Center that is almost finished; soon then, we will be asking members to donate some books to add some luster to the effort. President Maya has two members of Luding studying at BAA to get them updated on how to run the day care center properly. We were at Luding last Sunday and the mothers are all looking forward to having their under-6 year olds begin some simple schooling.

PP Glo Nethercutt (District Chair for Matching Grants) of RC Mabalacat has contacted me about the possibility of a matching grant with a District in Missouri, in the States. The Americans are specific about what they want to "match" in terms of a program—"supplemental feeding" for children.

I am investigating with the local DSWD office on what are the possible communities or schools we could look at, then we would have to find US\$2,000 to match with Missouri. It seems like a worthy endeavor to undertake and I hope to have the mechanics of how we could do this at our next meeting. We need Paul Harris Fellows though to even be eligible to partake of the Missouri funds available.

By the time you read this, we have also (hopefully) inducted our Interact Club through the efforts of VP Flo. They are keen to start their programs and projects! As well, we would have had the Fireside Chat for six potential members at Sec. Gerard's house—my thanks to those who attended and who took part in the Chat. Their Induction will be at our October 01 meeting.

Director Raffy Chan will be doing our third Toast for the year today. PP Alfred and PPLito are supporting Director Raffy with his other International Service goals—I hope you help support their efforts by listening to their "sales pitches" on why you should join their endeavors!

Career guidance seminars are just around the corner with PP Linda taking charge. She may ask some of you to help out—please consider doing so, as the various schools really appreciate our efforts to give the students some insights on what to do with their futures.

While we may have some new members coming on board soon, PP Veeh is still looking for more recruits to enhance our meetings. There are people whom you might deal with on a day-to-day basis that could benefit from joining our club. We do want quality members, but with Baguio having so many people, there are bound to be more professionals and business people out there, just waiting for the opportunity to serve the communities. Rotary is a fulfilling experience if you put your heart into it.

Some matters recently before the Board have been resolved in a very Rotary-way fashion and I think it is important that all members feel that issues can be resolved in a "win-win" situation. We have so much more to do and I thank those who were involved for accepting my oversight. I hope I can keep my mistakes down to a minimum from now on.

My thought for the day: "When the power of love conquers the love of power, then the world will know peace." - Jimi Hendrix (1943-1970) American Musician, Guitarist, Singer.

The above is a (reduced) reproduction of the SALUTE Certificate which will be sent to the club that we toast today.

## SALUTE BACKGROUND

The **International Toast of Fellowship** is a District-wide initiative towards promoting friendship and goodwill with other clubs worldwide; in line with carrying out the District theme of “Rotary—Bridging the World”.

It is the brainchild of PP Donald “Don” Masson of RC Olongapo—which has been saluting clubs since 1993. RCB recognizes the worthiness of this “salute” program and intends to make it a continuing RCB activity.

## OUR THIRD SALUTE SUBJECT

Today, we salute the Rotary Club of Cannes, RI Club No. 2717, of District 1730, in France which was chartered in 25 May 1927. It has a membership of about 65 and is the largest club in their cluster.

The City of Cannes is located in the Riviera Cote d’Azur (Blue Sky Coast)—in the South of France, where the world-renowned Cannes Film Festival is held annually.

President Bernard Reynaud and his wife Claude, are Sec. Gerard Audineau’s friends; their friendship dates back to their teenage years. We look forward to their intended visit to Baguio and our RCB in 2006. We salute this club today and look forward to making friends with them.

MABUHAY (long live), Rotary Club of Cannes!

Prayer for Meetings

We stand before you, Holy Spirit,  
conscious of our sinfulness,  
but aware that we gather in your name.

Come to us, remain with us,  
and enlighten our hearts.

Give us light and strength  
to know your will,  
to make it our own,  
and to live it in our lives.

Guide us by your wisdom,  
support us by your power,  
for you are God,  
sharing the glory of Father and Son.

You desire justice for all:  
enable us to uphold the rights of others;  
do not allow us to be misled by ignorance  
or corrupted by fear or favor.

Unite us to yourself in the bond of love  
and keep us faithful to all that is true.

As we gather in your name  
may we temper justice with love,  
so that all our actuations  
may be pleasing to you,  
and earn the reward  
promised to good and faithful servants.  
Amen.

*Editor's Note: The above prayer comes from former Baguio Bishop Ernesto Salgado, with whom your EIC used to do work for as architect-consultant while the Monsignor was the the local Catholic Vicar. It is being published for your consideration as a possible standard Invocation.*

Walmart Husband Store

A Walmart store that sells husbands has just opened in Dallas, Texas where a woman may go to choose a husband from among many men.

Among the instructions at the entrance, is a description of how the store operates. There are only six floors. It states that attributes of the men increase as the shopper ascends the flights.

There is, however, a catch.... As you open the door to any floor you may choose any man from that floor, but if you go up a floor, you cannot go back down except to exit the building.

So, a woman goes to the Walmart Husband Store to find a husband...

On the first floor the sign on the door reads: Floor 1— These men have jobs.

The second floor sign reads: Floor 2—These men have jobs and love kids.

The third floor sign reads: Floor 3—These men have jobs, love kids, and are extremely good looking.

“Wow,” she thinks, but feels compelled to keep going.

She goes to the fourth floor and sign reads: Floor 4— These men have jobs, love kids, are drop-dead good looking and help with the housework.

“Oh, mercy me!” she exclaims, “I can hardly stand it!”

Still, she goes to the fifth floor and sign reads: Floor 5—These men have jobs, love kids, are drop-dead gorgeous, help with the housework, and have a strong romantic streak.

She is so tempted to stay, but she goes to the sixth floor and the sign reads:

Floor 6—You are visitor 3,456,012 to this floor. There are no men on this floor. This floor exists solely as proof that women are impossible to please.

Thank you for shopping Walmart’s Husband Store. Watch your step when you exit the building and have a nice day!

## Notice to Club Members

The Board of Directors, through a special committee, would like to re-iterate to all members of the Club the following that is accepted as “standard procedure”.

Any letter that is written with the intention of being distributed to the club membership, must first be approved by the club’s Board of Directors.

Further, so that all members of the club may understand the process of communicating with the Board of Directors on any and all matters that concern, or pertain to the running of the club, the following is the procedure as stated in the Club By-Laws of the Rotary Club of Baguio:

The decision of the Board on all club matters is final, subject only to an appeal (an objection to the Board’s decision) to the club—which must be made in written form and addressed to the Board.

If an appeal to the club is made, a decision of the Board shall be reversed only by a two-thirds vote of the club members present at a meeting specified by the Board, provided a quorum is present and notice of the appeal has been given to each member of the club at least five (05) days prior to the meeting. If an appeal is taken, the action taken by the club shall be final, subject to no further appeal.

For your information and guidance.

*(signed)* The RCB Board of Directors, 2005-06

## Paul Harris Fellowship

In 1947, when Paul Harris died, RI asked that individuals and clubs wishing to honor the founder make gifts in his name to The Rotary Foundation, suggesting \$10 per member.

Money poured in from all over the world. Thus, in the first year after Harris’s death, the Foundation granted 18 Rotary Foundation Fellowships—later called Ambassadorial Scholarships—for one year’s university study abroad. By 1948, contributions had exceeded \$1,775,000; in addition to granting study fellowships to 37 students from 12 countries, The Rotary Foundation allocated \$15,000 for war-relief assistance to 150 families. By 1954, the Foundation had collected \$3.5 million—and new contributions reached \$500,000 in a single year. In 1955, Rotary’s 50th Anniversary year, it awarded scholarships to 494 young men and women from 57 countries.

The Rotary Foundation had quickly become the successful program that Arch Klumph had long predicted. In 1956, the RI Board urged clubs to give further emphasis to the Foundation during The Rotary Foundation Week, which they decreed be held in mid-November each year. The Secretariat suggested that clubs and districts plan programs publicizing the Foundation during that week, and their efforts were so successful that in 1982 the Trustees changed it to The Rotary Foundation Month, still observed every November.

This ongoing desire to honor Rotary’s founder by making gifts to the Foundation spurred one of the most significant ideas in its history. By 1957, a decade after Paul’s death, donations had begun to decline. The Trustees announced that anyone who contributed \$1,000 to The Rotary Foundation would become a Paul Harris Fellow. Paul Harris Fellows were presented with a plaque, medallion, and lapel pin, all bearing the founder’s likeness. In 1968, the Trustees added a category called Sustaining Member for those who could not give the entire \$1,000 at one time but pledged to give \$100 annually. When they attained the \$1,000, they became Paul Harris Fellows.

We invite all the esteemed members of the Rotary Club of Baguio to consider volunteering to become a Paul Harris Fellow, to better serve our less fortunate brethren. Kindly see PP Alfred Laygo to learn more about our on-going efforts.

## IN RETROSPECT

### The Meeting That Was 17 September 2005

PP Benny Sunga

It was already 12:32 P.M. when PP Lito, vice PP Alfred who was absent as the assigned Program Coordinator, requested our Prexy to call the “meeting to order”. By that time our “Cañao”, which was also late in coming, arrived with our likewise late Club Clerk.

One of our members commented that he thought he was in the wrong room when he entered the Benguet room, for there were several members of RC Baguio Sunrise present (our GHS is a member of RCBSR).

After the very spirited singing of our Pambansang Awit and the Rotary Hymn by almost everybody, Rtn. Fred G was called to the podium as our Entertainment Master. He called on his cousin-guest, in the person of Ms. Irene Mapili, who gave a very professional rendition of “Don’t Cry Out Loud”, after which he ended the Entertainment Portion. He was however prodded by PP Johnny to call on our ever-ready PP Lito who willingly obliged with two love songs, “Minamahal Kita” and “Ikaw Lang Ang Mamahalin”, love songs he dedicated to PP Johnny & PP Veeh, respectively.

The Introduction of Visiting Rotarians & Guests was entertainingly done by Rtn. Joe R. vice the also absent PP Teop. For the Finest Moments, Rtn Joey B. asked the Classification of our members and the name of their spouses, fining those who were able to answer P50 and P100 those who were unable to.

Rtn. Uwe handled the raffle, assisted by the duo of Rtns. Faith & Fred. They gave out wood products, id est mugs, mug holders, spoons & holder, pot holders and a multi-purpose rack. Lucky winners were Sec. Gerard, (2X), Dir. Bert, Rtn. Ben L., guests Gigi & Cynthia and PP’s Johnny, Lito & yours truly.

Three members availed of the Members Time but I can just recall Dir./EIC Raffy and Sec. Gerard who requested members to check with him the accuracy of their personal data vis-à-vis our club records.

During the President’s Time, Pres. Mike announced the “fireside chat” this coming Friday will be at Sec. Gerard’s abode, the postponement of the Interact Induction to a later date, and the availability of the material-cloth for our barong.

The Introduction of our GHS was masterfully done by PP Rene, emphasizing that our speaker is also a Cebuano and that the RCBSunrise was lucky for having gotten him as a member before our Club did. Our GHS is the Regional Chief of the CAR-CIDG (Cordillera Criminal Investigation & Detection Group), Police Senior Superintendent (Colonel) Marvin V. Bolabola. He enumerated the cases usually handled by the CIDG which includes organized crimes, syndicates, economic sabotage, major violations of the Revised Penal Code, kidnap for ransom, smuggling, human trafficking, trans-national crimes, illegal firearms & drugs and even the atrocities committed by the CPP & NPA. He also projected the statistics (via PowerPoint) on the most common crimes in the Cordilleras. In Baguio, he said that the most common crime is against persons and property; id est—physical injuries and theft, and opined that liquor-intake is a main cause. He also projected the accomplishments of his unit which made it the Best CIDG Regional Unit nationwide in 2004.

After a well-participated and enlightening Open Forum, Rtn Jody A. delivered the Club’s Response in his usual flair. He focused on a “nude” picture projected during the talk and even suggested a possible change of the speakers surname from Bolabola to Labolabo referring to the positive effects being caused by our speaker to crimes in the Cordillera region.

After the presentation of the Club’s token of Appreciation to our GHS, he even gave out his cell, fax and office numbers to the members with an assurance that we can call him if we need any help. The day’s lively and informative meeting was adjourned at 2:30 P.M.

## Community Service: the Heart of RCB

PP Chris Peralta

It is our 11th year of regular outreach Medical Missions and we're still going strong!

If our research efforts through the back issues of our weekly Cañao have not been wanting, RC Baguio's Medical Outreach Programs started as early as 1978, during the Presidency of the late Dr. Sabino "Ben" Macaldao, when RCB sponsored children with cleft lips and palates to undergo plastic and reconstructive surgery. PP Diony Claridad's term saw the implementation of the Polio Plus Program, and PP Benny Sunga's term started a series of medical missions in Asin, where a Barangay Health Center was adopted by the club. In 1994, then President Ruel Baylosis held regular dental and medical missions at Cypress Point in Irisan. Monthly missions becoming the yardstick for future club Presidents to follow.

The following lists down the medical missions RC Baguio has undertaken since the start.
