## PRESIDENT'S CORNER

**It is a mystery when adults  
expect perfection...**

Pres. Mike Pearson

Greetings to one and all on the occasion of our 2<sup>nd</sup> Club Assembly for RY 2005-2006.

The club assembly is meant to be a summary of accomplishments so far in the different avenues of service; it also gives all members an idea of where we are—where we are going, and what we still have to do. Today, we are trying a different format to see if we (the Board) can get all the reporting done in one meeting. In the recent past it has normally taken us two meetings to do the reporting. Another change today and hopefully we will be successful!

We have five new members in our midst—Bob, Christine, Jeb, John and Johnie. Please find time to get to know them and make them welcome in our meetings. While they have undergone the Fireside Chat (and quite an extensive one at that!), and today they get to see what RC Baguio is up to for the term, the fellowship of other club members is quite important too. We need to make an extended effort to sit with them at meetings, so they get to know all of us.

The RCB-DOST Memorandum of Agreement was signed last Saturday and Ben Ladilad has already started the trainings in Luding. Thanks Ben for the effort—it's another component that will hopefully be of benefit to the residents of Luding.

Director Bert seems to have so much to do! We will be doing some work on the new Health Center to make it a day care center as well. Tomorrow we have the Anns in Luding for their 50th Anniversary celebrations. He will be renovating the Rotary Marker at BGH Circle as part of his contribution to Dir. John Santos' "month"—October is Vocational Services month. Dir. Bert is also looking at ways to make the road more accessible for us. Treasurer Allan is working on our next medical mission with the children of Luding as well!

Dir. John has career guidance, the Vocational Awards and a Rotary Marker to do. Hopefully some other members will be helping him out—please offer to assist him in some way – it IS a lot of work and help from the membership is always appreciated by Board members.

VP Flo has her hands full too. We are still looking for more potential members! VP Flo is also handling the Interact Club of Phases and they had their 1st meeting after their Induction to plan for their own projects for this Rotary year.

The club is also spearheading the plan to have PLDT sponsor a website competition for our clubs in Baguio and Benguet (Cluster 1-C of District 3790). The idea is to have clubs develop a website that can help them promote their club over the Internet.

Today is the District Sportsfest in Baguio—badminton, billiards and bowling are on tap at the different venues, and there will be a fellowship for one and all (even those who did not join the sports) at Venus Park Hotel at 7:00 P.M.. District Governor Gerpy will be attending, so again, hopefully, some of the membership can attend this District event / fellowship (and a good make-up!).

The Governor's Visit is next Saturday—this is where we give Gov. Gerpy an update on goals and objectives and our accomplishments so far. He meets with the Board in the morning and then gives his report of our Club's standing to the membership at the regular meeting.

This is a busy time for the Board and the Club! We hope we are serving the club well with our efforts.

My thought for the day: "It is a mystery why adults expect perfection from children. Few grownups can get through a whole day without making a mistake." —Marcelene Cox (American Writer)

### How to be a Friend

A man who has friends must himself be friendly. – Proverbs 18:24

Our daughter Mellisa had many friends during her high school days. One of her best friends was Katie. After Melissa's death in a car accident, Katie told us how they had become friends.

Katie was the new girl in school in fifth grade, having transferred from California. She left alone and awkward and out of place—until one day early in her first year. That's when Melissa noticed her sitting alone on the bus.

Mell got up from her seat, sat down next to Katie, and started asking questions. They sat next to each other every day from then on and became inseparable friends for the next seven years.

Our world has so many people who need just one act of love to change their lives. These people may not think they fit in, or they may be facing turmoil that makes them feel all alone. Sometimes all we need to do is extend a hand, offer a smile, or speak a word of encouragement. As believers, we know and experience the love of God (1 John 3:16), so we are especially able to reach out to people and share that love.

There are enough people to go around so that everyone can have friends. Let's take the initiative to make sure that we are ready when our help becomes necessary. —**Dave Bravon**

I went outside to find a friend

But could not find one there;

I went outside to be a friend,

And friends were everywhere!—**Payne**

READ: Proverbs 27:6-17

When you see someone in need, be a friend in deed.

*Editor's Note: The above article comes from PP Johnny Zarate who got it from a national newspaper. Thank you for this article. Hope our other members can be just as helpful.*

## IN RETROSPECT

### The Meeting That Was 01 October 2005

Rtn. Fred Galimba

As far as I know, last week's fellowship was one of the most attended meetings in the history of the club. A remarkable attendance was composed of our Rotary Anns, officers of the Luding RCC, officers and members of RC Baguio Summer Capital, members of the RC New Manila East, and other visiting Rotarians and guests who graced the occasion. Rtn. Ike Dulnoan proved his mettle as an outstanding Program Coordinator for the proceedings.

The meeting was called to order by RCB Pres. Mike Pearson promptly at 12:30 P.M. It was then the job of Rtn. Jody Alabanza to tone down the buzz through his solemn prayer. The singing of the National Anthem and the Rotary Hymn followed promptly thereafter.

As Entertainment master, PP Veeh Balajo had the privilege to introduce the "resurrected" RCB Men in Black, which is composed of Rtn. Herb Meadows (missing in action from RCB for several months), PE Chris Faelnar and PP Chris Peralta. Their rendition of the much loved folk song 'Take Me Home Country Road' and 'Tie a Yellow Ribbon Round the Old Oak Tree' could rival the quality of the original versions.

Next, the visiting Rotarians and guests were heartily introduced by Rtn. Dino Oriña. It was then the duty as Fine Master, of Rtn. Chris Faelnar to do the "dirty job" of fining the sponsors of the soon-to-be-inducted new members of the club. The much awaited raffle draw which I, together with Rtn. Faith Runas undertook, proceeded with much funfair.

After the raffle, President's Time saw Pres. Mike report to the club about the following programs: the selling of tickets for the event dubbed as "October to Remember... Concert for a Cause", the Department of Science and Technology (DOST) project on the possibility of turning *sayote* into candies. With all these projects at hand, the RCB members will surely have a "helluva lot" of time to keep ourselves busy. Pres Mike did the second Toast for Rotary Club of Cannes, France to end his session.

The induction followed next with Sec. Gerard Audineau introducing the new members and their respective sponsors. This is likewise the first time in our club history that five new members were inducted together to join our prestigious club. The mythical five were: Rtn. Christine Olarte, Rtn. Jacinto Jeb Bundang, Rtn. John Cunanan, Rtn. Robert Harper and Rtn. Johnnie Go. As part of the charging, Rtn. Chris Peralta encouraged the "neophytes" to look at Rotary as a higher calling; not just to make acquaintances, achieve fulfilling and long lasting friendships but likewise as a forum to selflessly serve the community. Finally, Rtn. Ben Cid had the honor of inducting the new members.

After a short introduction from PP Chris Peralta, our GHS Nestor P. Borromeo took center stage. He elucidated on the project being spearheaded by his Rotary Club of New Manila-East and supported by our RCB, co-sponsored by Metro Bank Foundation and the Philippine National Police. This endeavor is dubbed as the 2006 Country's Outstanding Policemen in Service (COPS). This aims to give recognition to the country's model policemen who not only do their routine jobs but also work hand in hand with the community. The search also aims to uplift and change the negative impression that most people have about our country's police force.

PP Doming Valencia gave the Response and then the singing of the "Pilipinas Kong Mahal" came next. A remarkably well-attended RCB meeting came to a close as Pres. Mike. promptly adjourned meeting thereafter.

Our RCB M.I.B. reprise their act with gusto. No truth to the rumor that *DYNA Records* is interested though...

This is what all Rotary meetings should be: lots of friends to meet and many things to talk about.

This shot is from another vantage point to re-affirm how full the Benguet Room was.

The second Toast of Fellowship to the Rotary Club of Cannes was better attended than the first.

Can you see how the RCB Members are outnumbered two to one during this meeting?

Our five new RCB members (aged from 16 to 46) should be able to contribute to our club's initiatives.

GHS/PE Nestor of RC New Manila East receives his token of appreciation from RCB through Pres. Mike.

### WISDOM NUGGETS

After Winston Churchill left the Conservative bench in the House of Commons, he was asked to escort a young lady to dinner. Being a frank young lady, she remarked as they sat at the table, "There are two things I dislike about you."

"And what are they?"

"Your Politics and your mustache."

"My dear, do not disturb yourself. You are not likely to come in contact with either."
