PRESIDENT'S CORNER

The greater part of our
happiness or misery...

Pres. Mike Pearson

Happy New Year – and Happy Three Kings to everyone.

The Christmas season brought a welcome respite from things-Rotary. With the new year comes the last six months of my term – and for reporting to Rotary International, we have about four months left to complete all our projects.

Our Christmas Party was a great success – and thanks again to IP Gerard and all the members who managed to help us on the day. Our next large club activity will be the Club Anniversary, on the 18th of February. VP Flo has already begun to conceptualize the affair and once again we will need your support to make it memorable.

In between, we have the 3rd Leg of the Governor's Golf Cup at Luisita on January 12, followed by the District 3790 Mid-Year Review, which will be held in Laoag this year on January 14 (overnight trip – we leave on the morning of the 14th and come back the next day). On February 10-12 the District will be holding the RYLA (Rotary Youth Leadership Awards) and Family Day at the Fontana Resort on Clark Air Base.

For those wanting to plan even further (!) ahead, we will have our annual Golf Tournament at Camp John Hay on March 10. The PESETS for Bishop Cinense's term as District Governor will be March 18 at Subic. The District Conference for 2005-06 will be in Dagupan, from April 21-23. So now you have all the upcoming events to mark in your calendars and hopefully, you can join some of the events I have mentioned above.

The Board has been reasonably frugal in dispensing funds in the first semester of the Rotary year – now we that we know how much money we have, we can begin to implement a number of projects that have been on hold. Further, IP Gerard is working on a Matching Grant to give in to Rotary International, so that the Grant can be implemented in his term as President. We hope to be able to get approval to work on the water system of Luding as our major project. RC Cannes is looking at being our supporting club in this endeavor.

We have guidance counseling for high schools coming up, more books for our Poyopoy Elementary School library and the Luding Day Care Center, a partial road access to build in Luding, several more medical missions, de-worming of the kids in Poyopoy and Luding, projects with our Interact Club of Phases, we may renew our micro-finance scheme with the Luding farmers, form a sisterhood agreement with several clubs who have been supporting our projects, Vocational Awards to hand out and a number of other things on our agenda to accomplish. We are also still looking for some more members to join the Club, which will enable us to have more helping hands to succeed at what we are now doing.

For our members who were quite busy in the first semester and didn't have too much time to get involved, I hope the year 2006 finds you with a little more time to devote to Club activities. It is all about volunteering, to help others in need of our support. Our Board of Directors have much to do, and time will now seem to pass more quickly as we start winding down this Rotary year.

My thought for the day: "The greater part of our happiness or misery depends on our dispositions, and not on our circumstances. We carry the seeds of the one or the other about with us in our minds wherever we go." - Martha Washington (1731-1802) American First Lady (1789-97).

The RCB Christmas Party 17 December 2005

PP Alfred Laygo

Our Christmas Celebration for Year 2005 was unique from the other Christmas parties that we have in the past because it was held on top of a Shopping Mall (Abanao Square c/o Rtn. John Cunanan) and aside from that two “lechons” were prepared for the affair courtesy of IP Gerard Audineau (who was just elected 2 weeks ago as a replacement for “PPE” Chris Faelnar) and PE Raffy Chan (who was elected 1 week ago). The registration was handled well by Rotarians John Cunanan, Johnie Go and the Secretariat led by Jane and company.

The Celebration informally started with the playing of Bingo game led by no less than by Club President Mike and the ever-enthusiastic Rotarians- Dir. Allan Branzuela and Rtn. Herb Meadows with PP Linda Winter coming as one of the winners. It was then formally called to order by Pres. Mike with the Invocation led by Rotakid Cristabel Sunga who prayed for not only national but international peace and unity. President Mike then gave a brief Welcome and Christmas Address.

Everybody then partook of the sumptuous lunch specially catered for the celebration with assorted drinks- whiskey, brandy, wines, beers and soft drinks especially served by Rtn Andre. The Entertainment portion was taken care of by PP Chris Peralta with a variety of presentations- Ballet dance numbers (*Give Love on Christmas Day* and *Little Drummer Boy*), Hip-Hop Dance by Faelnar kids, PPLito Pangilinan’s rendition of *Pasko na Sinta Ko* and *Bridge Over Troubled Water*), Cha-Cha dance number led by PP Linda and PP Veeh, “extemporaneous” singing of *Gintong Aral* by PP Johnny, Dir. Allan, Rotarians Joey and Herb and yours truly, Christmas Medley by the Rotary Anns and the Christmas Carols by the RCB Chorale. Games for children followed with Rtn. Christine Olarte leading it- contest on drinking of orange with combi-straw with Rotakid Matthew Pearson winning it.

Presidential awards were given to the Rotakids-Mia Cawed, Meg Bayquen, Margot Schlaaff, Cristabel Sunga, Jennifer Winter and Jemuel & Jezreel Laygo. Other awards were to the RCB Chorale for their Annual Paul Harris Contribution to the Club through their Christmas Caroling.

Games for the Adults were coordinated by the Rotary Anns led by PP Yoly and RA Jackie Go-”Wearing of Underwears” which almost all the present Rotarians participated in and made the party more joyful and fascinating. “Breaking of the Pot” followed with the Rotakids partaking of its contents after it was intentionally broken (the pot seemed too hard to be broken by a kid). Our imported Santa Claus from Germany (of course with supposed blessing from the Pope)-PP Helmut Schlaaff distributed the gifts to the children after giving an inspiring Christmas Message.

The distribution of the traditional Christmas gifts to the Club members was done by Pres. Mike Pearson. The Christmas Raffle led by Rtn. Uwe Koeller with the special participation of his Rotakid-first the consolation prizes with PP Johnny Zarate winning a record of 6x, PP Ben Cid (3x), Rtn Ben Ladilad (2x), RAPP Belay, PP Doming, PP Linda, PP Caloy, Pres. Mike, Pres. Maya, Rtns. Faith, Fred Galimba, Herb Meadows. The Grand Prizes were won by Rtn Herb Meadows, PP Veeh Balajo, Dir. Bert Talco, Rolly de Guzman and yours truly. The Closing Remarks was then done by the Over-all Coordinator of the Affair-PE Gerard Audineau.

Congratulations to all RCB Rotarians and to all Committee Chairpersons and members for making our Christmas celebration an affair to remember.

CHRISTMAS CHEER 2005

RCB Rotary Anns at Luding 21 December 2005

Images & Write-up by
RAPPres. Maya Peralta

“Christmas is for children” and “Christmas is for sharing & giving” are two very common sayings we hear quite often during the Christmas Season. We RotaryAnns wanted to do something meaningful, significant and out of the ordinary this Christmas 2005 with the Gene de Guia Day Care Center children we have been supporting since the start of this Rotary Year at our adopted Barangay in Luding.

So four days before Christmas on December 21, 2005, myself President Maya, PP Cynthia Meadows, PP Yoly Faelnar and Incoming President Maylene Dayrit got ourselves via the rough road safely to Luding by 10:30 A.M. by hired jeepney. The whole community was in fact eagerly awaiting our arrival led by Rotary Community Corps President Jun. Our 16 day care students were all present. A short program was prepared by our day care teachers Teacher Marchial & Teacher Gemma, including an exhibition of the drawings and other outputs and accomplishments of our pupils. Each of the 30 or so families of Luding got a gift of Christmas ham from BAA students contributions.

Each of our day care student got bags of goodies which they grasped so tightly, showing to us how well they appreciated our Oishi gift packs given them. We also distributed one stuffed toy for each child which they warmly cuddled, this time coming from RotaryAnn Past President Gene de Guia. RCB President Mike Pearson sent yummy multi-colored marshmallow packs for all the kids. Cash donations coming from the Baguio Achievers' Academy High School students “12 Days to Christmas Gift Sharing Project” coordinated by Dr. Charles Baguilat were used to purchase the Christmas ham. An exchange gift-giving between the pupils was the culmination of the Christmas party.

How we'd wish the club had more to give for the Noel but even with just the contributions and donations we were able to share with them, the smiles of these kids showed us we made a difference in their Christmas. The profuse show of appreciation and ThankYou's by the day care students and parents at our little Christmas party made the whole affair very touching and heart-warming, making our own Christmas more meaningful too! A Very Merry Christmas 2005 & Happy New Year 2006 everyone!

The Luding Kids with their special Christmas visitors: the RCB Rotary Anns.

View from entrance: RAPP Yoli points out that these kids have not received their gifts yet.

View from the opposite side of the room: these kids do have their gifts...as they beam in appreciation.

The Anns did not leave out anyone... each of the Luding families also got their share of the goodies.

GETTING PERSONAL

Flo's First 2006 Member Update

VP Flo Bayquen

There were two occasions I missed...I'd like to thank all those who believe I should be part of the board next year and likewise those who believe I can be president of this club. However, the One Up there has other plans for me as I have asked this in one of my prayers. Thank you, Lord.

I truly missed our Christmas party. This has been one of my favorite fellowship activity in the club. Unfortunately, it coincided with my father's maternal side's grand family reunion in Davao City. It was a rare and great opportunity to meet my relatives I haven't seen in ages and know the new generation I haven't met. We had 6 generations in the said reunion...December is indeed a "Family Month".

How's everyone? We continue to miss Rtn. Henry Tuason & Ann Lucy who are still in the US. Any news about them, neighbor-Rotarians? Are the Mendoza's back? I assume they are because we already have our program participants' list which should come from PP Caloy....

What's up with Rotarians who have left the club for different reasons? Where are they now? The last we heard about Lorna Gomia was she visited PP Cy & Ann Bing who had just moved to Palo Alto, California from Seattle. Ann Belay did visit the Fagars too in her recent trip to the US. Belay says Cy is still the old jolly Cy who always has something interesting to talk about and passion for his interests. I remember the Fagars bring Rotary fellowships into their home

that I experienced in my early years in the club. I treasure those times.... I felt I had been with the club for many years when in fact, I was just a baby Rotarian.

I miss Tatay Ding Bautista, Ed Fuentes and Steve Jularbal in special occasions like Christmas. A page won't be enough to write about them. My sometimes-good-memory reminded me of my first Christmas Party in the club when I got a photo shot by Tatay. He usually does this to everybody and take note, with a note scribbled at the back of the photo. Who will ever forget our loving "Tatay"?

One of the reasons our Japan trip, where we visited our sister club, was an enjoyable one was because a good company like the late Ed Fuentes was with us...He's hilarious....Grabe....Manong Steve would sometimes pop up in my office and we would do intellectual (as if I belong to this species) conversations and our ending?...Manong Steve, please stop smoking na....I terribly miss you, gentlemen....

What gives me joy is still getting messages from PP Joe Taguba, PP Earl Tesoro, Crispy Matib, Joni Samaniego, Ali Morales, Rene Rondez, Josie Balderas, and others. I guess you do too..... They are still in touch..... They make you realize that you have made friendships in the club.....

Again, I'd like to greet everyone a HAPPY NEW YEAR! God bless us all.

CONGRATULATIONS!

New Year: Opportunities and Challenges

Rtn. John Cunanan

Four days before Christmas. Nine days before New Year. I have been thinking about what to write that would be appropriate for the Cañao's maiden issue for the year 2006. I have a lot of stories in my mind that I wanted to share with you but honestly; I'm having a tough time in putting all these thoughts together. I am juggling more thoughts, trying to fit each idea to the puzzle of what I'm hoping to form into a meaningful message. Maybe because of the season, maybe because of the holiday rush.

Three days before Christmas. Eight days before New Year. It's 3:00A.M. and we are on our way to the Manila Domestic Airport. With me is my overly excited wife (for almost nine months, finally she will be able to see her home town and spend time with her family and friends), my cutie baby girl and my in-laws who spent a few days vacation here with us. It's very cold outside; the spirit of Christmas indeed brings gladness in our hearts as we travel down to Manila swapping stories.

A long line of passengers. No available cart. Families and friends exchanging x'mas greetings. A very strict security check with a lot of security personnel deployed. Jam packed departure area. Common scenarios we usually encounter during the peak season. It's time for boarding the Asian Spirit flight off to Dumaguete. Shaky landing, my heart almost jumped out.

Two days before Christmas. Seven days before New Year. Thank God I am with my family to spend the holidays! I am on a twelve-days straight vacation. Now is the time to give my full attention to my wife and my 11-month-old baby girl. (My apology to those who voted for me to be part of the next board. I sincerely thank you for believing in what I can contribute to the club. I believe that I do not have to be a board member in order for me to serve, I can be as committed and can serve effectively even as a club member. Again, it's all about family.) I am still figuring out my article.

Merry Christmas to all! Belated. :-). How much weight you gained? I think I gained a lot with all the

feasting and the parties. I guess some members gained more. Do not worry; the following paragraphs may be of help.

Five days after Christmas. Two days before New Year. I got a text message from one of my staff that reads, "how's ur bkasyOn sir u gained weight b? Happy New Year – better opportunities, new challenges! I pondered the message for a few minutes, and let the message sink deep in my heart. In a very competitive enterprise, I am thankful to have someone in my team with that attitude – ready to move forward, with a positive perspective of the future and most especially someone who expects obstacles along the way with enthusiasm. His text message also triggers my thoughts to consolidate along that theme in writing this article.

New Year: better opportunities, new challenges. For our club, what would be those better opportunities? How about the new challenges? For my part, I am sure that there will be a lot of better opportunities for me to serve the club and the community. (To start with, I am honored to be the next RCB club treasurer and also to be a contributor in the Cañao.) This goes to all of us as well, but what separates the leaders from the followers? Someone said that - followers wait for opportunities, but leaders create opportunities. To be part of the Luding Project and other medical missions and community works are my new challenges (I consider this as an opportunity to serve as well). Another challenge would be to really loose weight. He he he.

If you're wondering what message I sent back to my staff, I texted him with this message "Yup. Next year will definitely be lots of better opportunities and new challenges for us. That makes our work interesting. It's not for the weak, but it's for those who are determined. Happy New Year!"

Three days after New Year. Three days before the Cañao's printing. It's 11:00pm and I'm on my final draft. I am forwarding this article to our EIC, I hope it can still be included. If you're reading this article, whew...I made it!

RCB CHRISTMAS PARTY REPORT AND THANK YOU

Gerard's Report for Our Year-End Party

Sec./IP Gerard Audineau

Dear Fellow Rotarians, Anns, Rotakids and Guests:

The RCB Christmas Party, held on 17 December 2005, in Abanao Square terrace has been successful. Foremost, because of all those who participated. In all, there was a total 103 participants: Adults 76, Teenagers 14, Children. Thank you to Rtn. John Cunanan accommodating us.

The ambiance has been marvelous, at times explosive; as everybody gave the best of himself to participate to the games, songs and dances.

I want to say "Thank You" to all of you who have been with us that day, with a special acknowledgment to our Anns and our Lady Rotarians for a marvelous dance which *heated* the proceedings. To our Gentlemen Rotarians who proved that they know how to use *special underwear*, to our Rotakids who brought joy to all the participants with their dance de ballet or modern dances. To the RCB choral, to our quintet singers and our Andrea Bocelli known as Lito.
