## PRESIDENT'S CORNER

### Be Part of the Team

Pres. Gerard Audinaeu

Today is the first meeting for the 102nd year of the Rotary International and the 69th year of service of the Rotary Club of Baguio to the community.

The Club has been well managed by IPP Terrence Michael "Mike" Pearson all along the past year as he worked with success on the Four Ways of Avenue of the Rotary International. But only the work done by a complete team of members allowed our Club to receive so many awards from the District. It is why IPP Mike has been so happy and proud to present his personal awards to the Club's members who have given time and money in the interest of our Club.

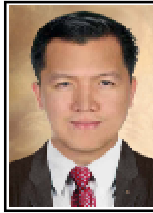

It is the duty of the 2006-2007 leadership of the Club to continue building on what has been accomplished by the previous term, to obtain the same result or even try to go further. Please welcome the new Board of Officers and Directors, as well as the chairperson of the different committees. I would like to thank them for agreeing to serve under my administration and for committing their precious time to Rotary. This active support and cooperation of officers and members will definitely contribute to a successful year 2006-2007. Likewise, all the club members are encouraged to join the different Committees of Service and be part of the Team who are actively involved in our Rotary activities. Together we will be able to maintain the good management of the Club. I think a club can't succeed on its duty if there's no active involvement of the majority of the members on the different activities of service of the club. In addition, working together will bring the members to get to know one another by the friendship that this common action will bring. For that, you have to see how marvelous the ambiance between the members participating in a medical mission.

We have received the goals and objectives of the Rotary International and the ones from our District 3790. We will use these goals and objectives as reference to formulate our own goals and objectives that are realistic and doable while we try to improve them during the course of implementation. Our program will include first of all the continuation of the long term projects started by the previous administration and to develop other short and long term projects on all the avenues of service for RY 2006-2007, all of which will be submitted in good order to the next administration.

As you know, the Rotary Club of Baguio is one of the oldest Clubs in the country. It was recognized by its quality members and with the high levels of success on its different activities in the past. It is then expected to have the same standing in the District every year as always to be one of the Top Clubs.

My fellow Rotarians, our goals will only be achieved if all our members are working on a spirit of friendship, working together with a lot of enthusiasm and doing the work like a *united team*. Under these conditions, we will succeed on the accomplishment of our goals and objectives to serve our community.

## FROM THE EDITOR

There is no “I” in the word  
“TEAM”

EIC John Cunanan

Tensions were high as the game trickled down to the last seconds and thousands of fans roaring the stadium cheering as Italy’s Totti, a second half substitute, sent his penalty kick high and to the right of Australia’s goalkeeper Mark Schwarzer, who guessed correctly but couldn’t stretch far enough to stop it. With no time left to restart, the Italians started celebrating.

On the other front, a heated game is raging between Ukraine and Switzerland. After 120 minutes of scoreless soccer, sweat drenched and tired players, the Swiss, who did not yield a goal in the entire tournament, stood stunned at their lack of marksmanship from the penalty spot in the first shootout of the World Cup. Meanwhile, Artem Milevskiy, Serhiy Rebrov and Oleg Gusev hit the net after Ukraine star Andriy Shevchenko’s weak, low shot was stopped by Switzerland goalkeeper Pascal Zuberbuehler.

The Ukrainians mobbed each other in a pile after the 3-0 shootout win, which put them in a match Friday against Italy at Hamburg.

Italy and Ukraine advances to the Quarterfinals of the World Cup because of those big wins. They both played hard, have given their best even when the odds are against them, pushed the limits and won the game. They simply played as a team. Ukraine star Andriy Shevchenko’s said ***“We suffered a lot and we’re happy to have won for all Ukrainians”. “We do not have the greatest players, but we make up for that by making sacrifices for each other, by playing with a lot of heart.”***

Fellow Rotarians, as the new Rotary Year dawn upon us, let us put to mind that in order for us to achieve great victory; we need to play as a team. Let’s start it right by giving our full support to the new leadership of RCB headed by our President Gerard Audineau with his Board of Directors and Officers. Let’s get involve as faithful members of RCB to get things done this Rotary Year.

Allow me to quote an excerpt from Mr. Menardo “Butch” G. Jimenez Jr., Senior Vice-President, Retail Business Group PLDT in his Commencement Address to Siliman University’s graduating class of 2006. “I want to share with you what happened to Steve Jobs the founder of Apple computers and now the Ipod. We all know what a great visionary Steve Jobs is. But if we chronicle his career, Steve Jobs, as he was ascending to the top, as he was rising towards greatness, forgot all about humility. While he was hitting his peak, all he thought about was how great he was, how fantastic he was, and how the world and his company revolved around him. That is ascending to the top. The higher you go, the bigger your head.

What happened to Steve Jobs as he hit the peak? He was driven out of his company both in failure and in disgrace. Then after having failed in many other endeavors, he started again and went on to make an indelible mark in the entertainment industry, and with the extraordinary success of the iPod, regained his reputation as the “greatest innovator of the digital age”. And so Steve Jobs, after having ascended to the top and then unceremoniously booted out, now gets the chance to lead Apple again. But something was different about the man this time. People started to feel Steve had changed. And so in a big conference at the Moscone Center in San Francisco, there he was, listening to the chants of his people, demanding him to come back and run Apple again. Let me share with you how the new Steve answered the call. No longer ascending to the top, but understanding what descending to the top is all about. And I will quote from the book, “Icon: The greatest second act in business”.

For the first time in his public life, there on stage, Steve appeared genuinely touched when the people were starting to ask him to come back and take the CEO position. He wasn’t brash or cocky anymore. Maybe his four kids and the complete failure of a company and the near failure of another taught him something. There on stage, he fought back the tears as he mumbled something to make it clear that yes, even Steve Jobs can change.

He had made the transition into a world where feelings and passion could partner with business and technology. Steve Jobs said, “You guys are making me feel funny right now. I get to come to work with the most talented people on the planet at Apple and Pixar. The best job in the world! But these jobs are team sports. I cannot do it alone; I can only do it with a team.”

Fellow Rotarians, there is no “I” in the word “TEAM”.

## IN RETROSPECT

### The Meeting That Was 24 June 2006

VP Bert Talco

Another cog of the Rotary wheel has to move forward for another meaningful Rotary Year. The meeting last Saturday, 24 June 2006, marks the culmination of the successful Rotary Year under the Presidency of IPP Mike Pearson and the dawn of a Promising Rotary Year under the Stewardship of President Gerard Audineau.

Guess who were the early birds in that meeting? IP or should I say, Pres. Gerard came in at 11:45AM followed by Incoming Secretary or rather, Secretary Ben Ladilad a few minutes later. Was it because of eagerness or just a coincidence?

At exactly 12:33PM in the afternoon, Program Coordinator Rtn. Joey Bugayong obliged Pres. Mike Pearson to call the meeting to order.

The meeting ran smoothly from then on with PE Raffy Chan leading a short meaningful invocation by narrating a thought-provoking Poem by Edwin Markham for us to reflect upon. The singing of the National Anthem and later the Rotary Hymn immediately followed.

Impromptu entertainment was done by Secretary Ben with two of his collection of “jokes” and after which completed by Pres. Gerard with two fantastic tunes from his harmonica. No doubt they were that early for the meeting!

At exactly 12:53PM, Director Uwe Koeller aptly introduced Ms. Geraldine Fajardo,

Ms. Marilyn Barredo and Mr. Chang-soo Kang as the inductees; Bren Dayanara Panganiban, Bren Danielle Panganiban, and Bren Glordhel Panganiban as guests (or soon to be Rotakids); and Rtn. William Balajo as Visiting Rotarian from Baguio Sunrise, after introducing the personalities at the Head table. There was no finest moment. The Raffle draw followed with Bren Dayanara winning two of the prizes and Rtn. Herb Hayes winning the top prize.

At members’ time, PP Helmut Schlaaff took the opportunity to congratulate the outgoing Board of Directors and officers for a job well done and also apologized for his leave of absence because of business matters. His leave, according to him did not go to naught because their product in the Philippines passed German Standards over the Chinese. ADG Linda Winter followed suit by announcing the Induction schedule of RC Baguio South. She also announced the incoming District Rotaract Assembly on July first at Teacher’s Camp. IP Gerard announced that the Induction Committee will meet after the club meeting and reminded the incoming Board and officers of the scheduled Board Meeting at 6:30pm on 27 June 2006 at the Butler’s Room of Baguio Country Club. PE Raffy Chan, being the Editor in Chief of the Canao, made a correction in the program assignment with regards to who will adjourn the meeting, that is, Pres. Gerard in lieu of IPP Mike Pearson. He also reminded everybody of the newly prepared Program assignments for the succeeding meetings.

At President’s time, President Mike (AT LEAST FOR ONE MORE HOUR) presented first the Audited Treasurer’s report, which, for the first time, as far as I know, was commended by PP Doming. Kudos to Treasurer Allan Branzuela and Auditor Rolly de Guzman for a well prepared report. What was noted positively were the surplus in both the general and community service funds. Before more serious matters were taken up, ADG Linda was first accorded with the usual birthday greetings. Banners brought by IP Gerard from France were then presented. The Matching Grant offer of the Rotary Clubs of Korea was also discussed. The induction of our three new Rotarians followed. Our inductees were;

Marilyn Barredo, sponsored by PP Cris Peralta, with the Classification of Retired Banking Executive.

Geraldine “Ging” Fajardo, sponsored by Rtn. Cecille Apostol, with the Classification of Real Estate Construction and development.

Chang-soo “Charles” Kang, sponsored by Dir. Andre Sommereaux, with the Classification of Pastoral Teaching.

They were ably charged by ADG Linda Winters and Inducted by PP Helmut Schlaaf.

Baby Rotarian and incoming EIC John Cunanan and PP Johnny Zarate did the year-end evaluation. The evaluation of Rtn. John was positively done with his description of Pres. Mike as “A Man of Two Seasons”. The **first season** representing the impact made for RY 2005-2006 in terms of SERVICE – living up with the RY motto – “Service Above Self”. The **second season** represents the next generation of the club wherein involvement of every member, young and old, is the key factor to attain the goals and objectives of the Club. To enjoy in Rotary, one must voluntarily be involved. For PP Johnny, RY 2005-2006 under Pres. Mike, was a good – fruitful Rotary Year. What transpired this year just reflected what the Rotary Club of Baguio really is for the past years. It is really a Club of quality members. PP Johnny considered it as a well-rounded year. There was Excellent Fellowship and Involvement of members. Good speakers in most of the meetings enhanced knowledge. Good attendance was fairly maintained, Club affairs were properly documented through the excellently edited weekly Canao, and Scholarships abound under Vocational Service. There was great “impact” in Community Service. Indeed, it was really an excellent Rotary Year.

There was no Valedictory address from Pres. Mike. He just reiterated that the Club at this point is financially sound and there is transparency in the reporting and that the direction to follow was properly laid out. We have to accept change and the club has to move on with the new set of officers.

The turning over of the Presidential Pin and Gavel by Pres. (IPP) Mike and the acceptance by IP (Pres.) Gerard solemnly marked the turnover ceremony. To show appreciation to Mike as the outgoing president, Pres. Gerard handed over a Wooden Shield (Kalasag) and a Certificate of Recognition. To end the ceremony, a pin for a Past President was then pinned to IPP Mike by Pres. Gerard.

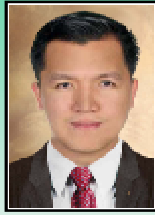

The singing of *Pilipinas Kong Mahal* followed and at exactly 2:10PM, Pres. Gerard banged the gavel to mark the end of another wonderful afternoon in Rotary. Congratulations IPP Mike for an excellent Year of Service. Best wishes Pres. Gerard.

The ever smooth Program Coordinator Rtn. Joey Bugayong handled the program very well.

IPP Mike and Pres. Gerard with the newly inducted RCB members - Charles, Geraldine and Marilyn.

"Pres. Mike, you made a difference..." Rtn. Joey listens intently as I deliver my retrospect speech.

PP Johnny delivers his retrospect speech and commended Pres. Mike for a job well done.

Pres. Mike handing over the *gavel* to IP Gerard as a symbol of transfer of authority and responsibility.

All smiles... Pres. Gerard with the symbolic gavel closes an almost emotional Saturday meeting.

Getting a head start. The Incoming Board and Officers prepares for our scheduled Induction Ceremony.

## INVOCATION

### God Bless Rotary

Great, almighty, loving and forgiving God,  
Omnipresent and omnipotent on earth and the  
universe,

Deepen our faith, trust and love for You, for ourselves  
& for our neighbor.

Bind us, Rotarians, united in our goal of *Service  
Above Self*

Lead us, leaders in our own right, towards the path  
of *Truth, Fairness, Beneficence, Goodwill and  
Better Friendships*

Enlighten and broaden our minds that we may always  
seek for the greater good

Strengthen and guide us, so that whatever endeavor  
we undertake will be within Your holy will

Support us physically, morally, psychologically &  
spiritually.

Rekindle in us the true spirit of fellowship &  
camaraderie

Oblige us to follow You, Who is the *Way, the Truth  
and the Life*

Tenderly touch our hearts as we touch the lives of  
those You have entrusted in our care

Awaken and enliven our enthusiasm and commitment  
as You work through us

Recognize with resolve our weaknesses, insensitivities  
and inadequacies, so that

Your Will, not ours, be done now and forever, in  
Jesus' name. Amen.

**It's not enough to have a dream,  
Unless you're willing to pursue it.  
It's not enough to know what's right,  
Unless you're strong enough to do it.  
It's not enough to learn the truth,  
Unless you also learn to live it.  
It's not enough to reach for love,  
Unless you care enough to give it.  
Men who are resolved to find a way for  
themselves will always find opportunities  
enough; and if they do not find them, they  
will make them.**

—Samuel Smiles
