SEPTEMBER IS NEW GENERATIONS MONTH

PRESIDENT'S CORNER

Ab imo pectore.

Pres. Raffy Chan

With great joy and happiness in my heart, allow me to warmly welcome everyone tonight to our First Grand Family and Fellowship Night for this Rotary year!

Family of Rotary Subcommittee Chairman PIP Chris Faelnar and co-chair Rtn. Herb Meadows have turned night into day just to make sure that the preparations for tonight are complete. Likewise, we thank our gracious venue hosts PP Chris and RAPP Maya Peralta for making their place available for our use. It is a very nice home! (Ask who the architect/s were....)

To your president, tonight is a worthy culmination of our first quarter of service for the year. As we roll up our sleeves for more work ahead, allow me to thank all those who have given of their Time, Treasure and Talent (3T's) for all our accomplishments. We were able to do our all the work only because we have people like you!

“He may not be perfect; but he is a perfectionist.” This was, according to PP Doming Valencia, what he heard said about your current RCB president.

I have found this fascinating and particularly flattering. It was said— not intended to directly compliment the subject but as an honest remark during our recent Tadiangan Medical Mission. To be branded as a perfectionist (to me) is the ultimate compliment. It must be my training as an architect and because all my life I never settled for second best with whatever endeavors I had; I must confess that this often came with a price. On several occasions, time usually took the better of me when I had to settle for the “less than perfect” as submittals became due or deadlines approached.

Allow me to admit and reconcile with the fact that no one can ever be perfect; as I say—I really am not perfect. To whoever the quote came from, I thank you for your candidness and sincerity. Those were very kind words which I will forever treasure.

Pleasing everyone in an organization of over forty members is a virtual impossibility. So, as long as most of our Rotarians still have a sincere smile on their face as they come before me, I think that I am doing quite well in the *human relations* department. I do not claim to be a sage nor a psychic but I somehow have this “gut feel” of knowing when what I have before me is a sincere face or just a cover mask....

Forgive me for bordering on verbiage and a reminder during this “unholy juncture.” May I respectfully “kultize” all our directors that next Saturday will be our First Quarter Club Assembly and that we all need to be ready with our respective committee reports.

Additionally, 20 October 07 will be the Governor’s visit which RCB Rotarians should consider as a *red-letter day*; for all of us to make the appropriate preparations. Even if only just to make sure that most of our club members will be present on that critical meeting day of the year.

Our Latin quotation for this week is from Roman emperor Gaius Julius Caesar— *Ab imo pectore*. Literally means: From the bottom of the chest (from the heart). I think it is ironic that for someone as loving and dedicated as he was, he met his end on the floor of the Roman senate—stabbed to death by a mob of dagger-wielding senators. People still do this at present time; with a different type of symbolic knife—usually piercing their victim at the back!

ROTARY CLUB OF BAGUIO GREETINGS

Our hope is that our Grand Family and Fellowship Night can become regular in the RCB. To further pursue this option, this special page has been prepared for our First Quarter (July to September) celebrants. They are tonight's special honorees.

May you all have many more birthdays and anniversaries to come.

IN RETROSPECT

The Meeting That Was 22 September 07

EIC Dhory Vicencio

It was a pleasant Saturday noon inside the Wolfson room. RCB Rotarians, GHS and other guests gathered in a cheery mood looking forward to a dynamic meeting.

As a protocol, the President (whose suit gives him a distinguished look) promptly called the meeting to order at 12:30 PM. I bet that in everybody's mind this meeting will revive everyone even in a cozy afternoon, as the Program Coordinator is no other than the "club jester", Rtn. Joe Ramos.

The now-a-custom Invocation-Reflection was a meaningful PowerPoint presentation of *Channel of Your Peace* which surely touched the heart of all present. The singing of *Pambansang Awit* came next with the usual fervor. This was followed with the chanting of the *Rotary Hymn* with another now-a-custom holding of the hands in circle.

For the Entertainment, PP Benny Sunga, the "Club Tenor" rendered an exquisite song then gave the floor to PP Diony Claridad, the "Club Balladeer". As anticipated, he enchanted us with his melodic love songs. This is an amazing way to entertain us and of course our guests who were invited by PP Diony himself.

PP Doming once more did a brilliant participation in the program as he delivered thoughtful introduction of distinguished persons at the head table, Ann, and guests. The most striking line of his is "*He may not be perfect; but he is a perfectionist*". He heard this line being used to describe President Raffy Chan, hence his quote.

In behalf of Rtn. Herb Hayes, our Program Coordinator carried out the Finest Moment. Rtn. Joe Ramos sparingly fined everyone Php 50.00. A cut-rate, we must say, especially that Rtn. Joe entertained us once again with his unique jokes.

Another pitch in program participation is that of Rtn. Herb Meadows for his favorite familial Rotarian, Treas. Marilyn Barredo. Rtn. Herb handled the Raffle Draw in his own cool style. What is conspicuous in this Raffle Draw is that IPP Gerard won again! Lucky guy indeed!

Quite a number of members participated in the Members' Time such as Dir. Cecille, Rtn. Herb Meadows, VP Ben, IPP Gerard and PP Mike. They tackled various subjects such as Membership, Fellowship Night, RCC Trainings, Matching Grants and DISCON affairs.

Our President addressed us with three major topics during the President's Time, such as Membership Recruitment Paraphernalia with the valuable contribution of Dir. Cecille, Dir. Ike and PP Mike; the Fellowship Night as organized by Rtn. Chris Faelnar and Rtn. Herb Meadows; and the announcement of birthday celebrant – PP Teop Rondez. Unfortunately, PP Teop cannot celebrate with us this afternoon. Nonetheless, we wish PP Teop, Many Happy Returns!

Our Sec. Uwe made a brief introduction of our GHS, Coun. Rocky Thomas Balisong, thus, the speech begun.

Our GHS discussed about Human Security Act of 2007 or the Philippines Anti-Terror Law. While Coun. Balisong mentioned various sections of this Act, he gave emphasis on the views and points of contention of CODAL (Counsels for the Defense of Liberties). He explicitly explained the "deformities" of the Human Security Act of 2007 as dissected by CODAL such as the definition of terrorism; conspiracy to commit terrorism; proscription of terrorist organizations, associations or group of persons; restriction on travel; judicial authorization required to examine bank deposits accounts and records; and the "safeguard provision".

During the Open Forum, objective but quite intriguing questions were directed to our GHS. It was a very interesting Open Forum and everyone was keen on both the questions of the members and explanations of our GHS.

To everyone's surprise, PP Mike gave a brief Response, but he delivered his message well.

After, the awarding of the Plaque of Appreciation came the penultimate part of the program – the singing of the *Pilipinas Kong Mahal* and thereafter, the adjournment by the President.

Certainly, it was a dynamic meeting, attended by dynamic Rotarians and guests of a dynamic club - Rotary Club of Baguio.

PP Doming, I wonder why you are not sharing a good laugh with Pres. Raffy and Coun. Balisong.

PP Diony Claridad, thank you for inviting our guests...likewise to PP Veeh for entertaining them.

Dir. Cecille stunning in our favorite color, addressed everyone during the Members' Time.

EVENT SYNOPSIS

September 21, 2007 was an important date for our Interactors from Baguio Achievers' Academy. The Induction was well attended as 7 RCB Rotarians came to give inspirational talks to our youngsters. This is a promising year to our Interactors and undoubtedly, much shall be achieved under the presidency of Jackie Apostol and with Jerico Arne Fernando Faelnar as the Vice-President. Also, a member of the club is Kimiyo Meadows. These significant 3 are kids of our very own Dir. Cecille, Rtn. Chris Faelnar and Rtn. Herb Meadows, respectively.

The new set of BAA Interact Club Officers RY 2007-08 was presented to the members and RCB Rotarians.

Sec. Uwe distributes copies of oath to our young officers for their Induction.

The new set of officers taking Oath of Office, sincerely uttering each word of oath.

There were nearly 50 members of our BAA Interact Club present to witness this momentous event.

IPP Gerard awarded a Plaque of Appreciation to Mr. Victor Valdez, a BAA teacher.

The newly inducted Pres. Jackie Apostol gave a remarkable Closing Remarks.

ABONG JOINT ANNIVERSARY CELEBRATION

Pres. Raffy Chan

EVENT SYNOPSIS

The joint event was the 35th Anniversary Celebration of the Filipino-Japanese Friendship Association of Northern Luzon, Inc. (FJFANLI) and the 20th Anniversary of the Filipino-Japanese Foundation of Northern Luzon, Inc. (FJFNLI). Held at the Abong Compound at Bukaneg Road; in the morning of last Sunday, 23 September 07. The theme was: "Empowering the Nikkei-Jins through Education."

Surprisingly, your RCB president was the only Baguio Rotarian invited to the celebration; where I was honored to represent our club. If only to manifest our continuing goodwill and friendship with our Japanese brethren and as an initiative to nurture this relationship.

Exchange of business cards with the many Japanese visitors and guests; my RCB cards almost run out.

Vice President Minoru Saito of the Rotary Baguio Fund of Japan and your president occupied front row seats.

Folk dances were presented as cultural intermission numbers by the young Abong beneficiaries.

Minister Hidenobu Sobashima, the newly installed Japanese Ambassador to the Phil. gives his speech.

A rare photo opportunity with a foreign dignitary; in behalf of our Baguio Rotarians.

Honorary Consul-General Carlos B. Teraoka and the Ambassador with your RCB President.

FELLOWSHIP IN ROTARY

This article was published in the Cañao in 1977 by PP "Paeng" Aquino of RC General Santos. As we are having the First Grand Family and Fellowship Night today, let us all be reminded of what FELLOWSHIP IN ROTARY truly means.

All Rotarians recognize and accept the sound and controlling principle that fundamentally, Rotary is a philosophy of life which undertake to reconcile the ever present conflict between the desire to profit for one's self and the duty and consequent impulse to serve others. This philosophy is the philosophy of service – "SERVICE ABOVE SELF" – and is based on the practical ethical principle that "HE PROFITS MOST WHO SERVES BEST".

But this philosophy of service would be but an effervescent dream, or an out-of-reach mirage without the cementing bond of fellowship among the Rotarians.

One of the Objects of Rotary is to encourage and foster the development of acquaintance, friendship and fellowship as an opportunity for service. Rotary emphasizes fellowship because if service is the end and object of Rotary, then fellowship is a means to that end. Fellowship is the rallying ideal of the members in a Rotary Club – it is the hub of the Rotary wheel – it is what its flag is to country, what patriotism is to a citizen, what trust, integrity and credit is to business.

True and genuine Rotarians have always maintained that the term fellowship is abstract and yet Rotarians the world over have long convinced everyone that among Rotarians, it is a living force incessantly driving them still closer to one another from day to day—the principal inducement that makes people dream of coming into the fold of Rotary.

Fellowship is the jet chamber in any organization generating and supplying the motive and binding power to its members in working on and accomplishing worthwhile projects. Through acquaintance and fellowship, lasting friendships are fully developed, not only in meeting places, dining tables and social halls, but most often in evacuation and concentration camps, in trenches, schoolrooms, factories, convention halls, and other places where men group and serve together for the common good. Fellowship is nourished and developed not by what one could get out of Rotary but what he could give heartily to it, not in words but in deeds.

Passing all barriers of age, sex, creed, nationality, party leanings of affiliations, calling or station in life, it asks openly the honest purpose, the open heart, the cheerful countenance. Its finest messages are unspoken. It is the Golden Age made manifest. Saboteurs, backbiters, intriguers, fence-sitters and self-centered men are outlawed in good fellowship.

Why I Am Still in Rotary

PP Ben Cid

Recently, Pres. Raffy asked me to write about why I am still in Rotary. A long time member of RCB, much like what PP Johnny Zarate and PP Jack Gesner wrote recently in our Cañao, about their staying power as long time members, each over forty years and still counting.

Probably, Pres. Raffy wants to convey to our young and new members the importance of membership following their examples. There are others in our club who have attained memberships over 30, 35, 40 years, like PP Teop Rondez, PP Hector Lopez, Joe Ramos, Angie Visperas and yours truly—37 years.

There were also those who went ahead of us in life, who also attained much longer memberships, the likes of PP Ding Bautista—50 years, PP Moon Munsayac, PP Fred Benson, PDG Ikong Reyes, PDG Nanding Manalo, Teddy Almonia and others—all over 40 years as member.

Other members presently with us who also doing great in staying power, going on 15, 20, 25 years like PP Doming Valencia, PP Benny Sunga, PP Veeh Balajo, PP Diony Claridad, PP Lito Pangilinan, PP Roger Naz, PP Angeling Palma, PP Alfred Lagyo, PP Linda Winter, Joey Bugayong, Rolly De Guzman, Ike Dulnoan, Herb Hayes, PP Chris Peralta among others.

One reason why our club has so many longtime members is that our club itself has existed for 69 years to date. Members who joined 30-35 years ago seem to be more dedicated and committed to the ideals of Rotary; hence, their staying power. Commitment and dedication to serve is the true key to a meaningful Rotary membership.

My experience and observation in our club, is that it takes five years of continued attendance and serving in various capacities on the many programs and projects of our club before a new member can be imbued with the true spirit of Rotary entering his blood stream. Once he survives this 5-year test, then it is safe to say that he has the will power to “stick-to-it-ness” in Rotary.

In my 37 years in our club, 50 to 60 new members have joined and gone thru the years. *Sayang*. If only 50% of those stayed, then we would have 70 to 80 active members today. It is sad, that all the efforts of recruiting and indoctrinating prospects at our fireside chats, serving food and drinks sometimes up to midnight at the host’s abode—all these gone to naught because most of these new recruits stay only a few months or at most one to two years. Our club cannot be faulted by this sad reality. Retention is a problem worldwide in Rotary but we must keep on trying in order to grow. In my early years, our club had about 65 to 70 members, now down to 42 only. Not a healthy prognosis.

Members who most likely will not stay long are: those who were asked to join by their boss members; when the boss goes, so goes the recruits. Those asked to join to be with the *barkada* in the club, but not really serious to be Rotarians. Those who come in for the money, thinking they can expand their businesses in the club. In Rotary, it is the other way around—you give, not take. Those who are always delinquent in attendance and in club dues and assessments. Those who want to be named “Rotarian” but not willing to serve in club activities and affairs (Luncheon Rotarians). Those with low tolerance with fellow members, easily hurt, onion-skinned (*pikun*). Those who give precedence to their jobs, before Rotary; thus frequently absent. All these I witnessed happening in our club. Only death and transfer of residence are the unavoidable excuses for dropout.

Now to answer the question “Why I am still in Rotary” this long. Simple. Rotary has entered into my blood stream and I cannot get it out.
