**OCTOBER IS VOCATIONAL SERVICE MONTH**

## PRESIDENT'S CORNER

**Brevior saltare cum  
deformibus mulieribus  
est vita.**

Pres. Raffy Chan

This week is the start of the second quarter of our current Rotary year. Time has indeed fled by almost like a breeze. Today, we sum-up on our accomplishments from July to September and report on these to our esteemed members. It should become evident that we have already done much during our past months.

My sincere hope is that our following months will be filled with equally meaningful accomplishments. We will look forward to the support of each and every member, as we continue with the forthcoming work. We trust that those among our Rotarians who have missed on the opportunity to join us in our various activities, soon take up the participation challenge.

We still have a lot to do; and we can do with all the help that we can get from among our members.

\*\*\*\*\*

Wow! This seems about the most appropriate one-word description that I can give for our First Grand Family and Fellowship Night last Saturday, 29 September 07. Beyond a doubt, it was a resounding success. We seem to have hit on the magic formula which guarantees full participation from among those who joined, which (to your president) is actually the most important criterion.

Allow me to enumerate just some of the revelations seen thereat. Almost everyone does sing, even Aud. Rolly, PP Teop, PP Doming, RAPP Linda Valencia, and others. Almost everyone does dance; even PP Ben & RA Dolly Cid, PP Doming & RAPP Linda, RA Josie Pangilinan, and PP Mike & his partner PN Bert. Thank you, guys, for an enjoyable and revealing evening.

Our party bordered (maybe only in my mind) on being wild and really proved that when given a chance, we Rotarians can be real party animals within our Rotary circle of friends. When our “regular” singers and dancers are joined by our timid or reluctant “non-regulars”, then that is when we really have FUN.

At the end of the day, what does all this mean? PP Doming has aptly summed it up: That Rotary should be both Service and Fellowship—one cannot exist without the other.

\*\*\*\*\*

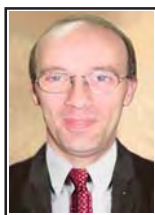

Your president was disheartened to note that we did not make the coveted ninety percent (District Goal) average club meeting attendance in the past three months. We missed it by such narrow margins: July- 89.08%, August- 89.71%, and September- 87.88%; a first Quarter Average of 88.89%.

What this possibly means is that we should remind our members more to do their make-ups in order to improve our “grade.” However, everyone should know the hard work being put in by our Club Secretary Uwe, who has been following-up those who have been absent from the meetings. Each week, he contacts those who have been absent—to remind them to make good on their attendance obligations and make-up. Often this seems trivial, but it goes a long way when we think of how busy many Rotarians are; and often need to be reminded. Keep up the good work, Uwe.

\*\*\*\*\*

Our Latin quotation for this week—*Brevior saltare cum deformibus mulieribus est vita*. Literally means: Life is too short to dance with ugly women. This should be our admonition not to indulge with ugly thoughts and negativism as we go through our short existence on this earth. Positive thinking and continually looking for the better things in life should be the only way to go.

### This is something about Faith

By: Dr. Russell H. Conwell

A little girl stood near a small church from which she had been turned away because it was “too crowded.”

“I can’t go to Sunday School,” she sobbed to the pastor as he walked by.

Seeing her shabby, unkempt appearance, the pastor guessed the reason and, taking her by the hand, took her inside and found a place for her in the Sunday school class. The child was so happy that they found room for her, and she went to bed that night thinking of the children who have no place to worship Jesus.

Some two years later, this child lay dead in one of the poor tenement buildings. Her parents called for the kindhearted pastor who had befriended their daughter to handle the final arrangements.

As her poor little body was being moved, a worn and crumpled red purse was found which seemed to have been rummaged from some trash dump.

Inside was found 57 cents and a note, scribbled in childish handwriting, which read: “This is to help build the little church bigger so more children can go to Sunday School.”

For two years she had saved for this offering of love.

When the pastor tearfully read that note, he knew instantly what he would do. Carrying this note and the cracked, red pocketbook to the pulpit, he told the story of her unselfish love and devotion.

He challenged his deacons to get busy and raise enough money for the larger building.

But the story does not end there...

A newspaper learned of the story and published it. It was read by a wealthy realtor who offered them a parcel of land worth many thousands.

When told that the church could not pay so much, he offered to sell it to the little church for 57 cents.

Church members made large donations. Checks came from far and wide.

Within five years the little girl’s gift had increased to \$250,000.00— a huge sum for that time (near the turn of the century). Her unselfish love had paid large dividends.

When you are in the city of Philadelphia, look up Temple Baptist Church, with a seating capacity of 3,300. And be sure to visit Temple University, where thousands of students are educated.

Have a look, too, at the Good Samaritan Hospital and at a Sunday School building which houses hundreds of beautiful children, built so that no child in the area will ever need to be left outside during Sunday school time.

In one of the rooms of this building may be seen the picture of the sweet face of the little girl whose 57 cents, so sacrificially saved, made such remarkable history. Alongside of it is a portrait of her kind pastor, Dr. Russell H. Conwell, author of the book, “Acres of Diamonds”.

This is a true story, which goes to show WHAT GOD CAN DO WITH 57 CENTS.

## IN RETROSPECT

### The Meeting That Was 29 September 07

PP Veeh Balajo

To many RCB President, including me, it remained to be a dream, just a wishful thinking, a seemingly unattainable goal. But, it took only previous Director Chris Faelnar to be a PIP (Past Incoming President) and to be the Chair of the Fellowship Committee to conceptualize, organize, and realize this type of RCB fellowship, the kind which many of us, RCB members have longed for, ached for, and thirst for, for so many years now - less of the formalities, a hearty dose of food, fun & frolic, the unique purpose of which is for celebration of life & bliss for our July to September birthday & wedding anniversary celebrants.

Our hosts, PP Chris & RAPP Maya Peralta, warmly welcomed the excited twenty-two (22) Rotarians, eighteen (18) Rotary Spouses, four (4) Rotakids (& Rot-"apos") & four (4) guests to their splendid abode even as early as 5:00 PM.

Pres. Raffy called the meeting to order at 6:35 PM. In spite of technical difficulties, everyone present reflected on "What a Wonderful World". We also had Fellowship Committee vice-Chair Herb lead us in a short prayer.

In his Opening Remarks, Pres. Raffy elaborated on the plan – from conceptualization, organization 'til its realization tonight, thanks to the Fellowship Committee, and to our gracious hosts. This was followed by a Toast (led by Rtn. Herb) to long, happy & fruitful life for our birthday celebrants, Rtn. Flo, Dir. Ike, Aud. Rolly, PIP Joey, PPs Doming, Lito & Teop, & Pres. Raffy. After everyone's hearty rendition of "Happy Birthday to You", we "attacked" the catered magnificent meal (with additional dishes contributed by our birthday celebrants & the "cholesterol"-studded yummy lechon donated by no less than our prexy).

Being the celebrants for the night, the above Rotarians served as the GHSs. Each was given 5 minutes to say his piece, according to age. Pres. Raffy, being "the youngest", spoke first. He was followed by "the cutest", Aud. Rolly, who sang his speech with "What a Wonderful World" & "Love Story". "PIP" Joey spoke next, as he proudly announced his acquisition of "dual citizenship" (Filipino & senior). (But everyone agrees that he still looks as young as Aga). PP Lito, for his part, expressed (for us) his gratitude to PIP Chris, PP Chris, RAPP Maya, and of course to God. He sang for us "Speak Softly, Love". PP Doming, on the other hand, uttered a short but solemn message, that he remains in Rotary for the "Service & Fellowship", as one can never exist without the other. To stress his point, he treated us with his heartfelt version of "My Way." Being the most senior among the celebrants, PP Teop spoke last with RA Ana by his side, relating a bit of RCB history, fellowship-wise, but commented that this was the first time that a party like this was thrown for birthday celebrants. He led everyone in the singing of "Just One Girl". In return, everyone responded with the singing of "Handog", led by PIP Chris & Pres. Raffy.

After the celebrants blew the "307" candles on the cake (contributed by PIP Chris), PP Diony entertained us with the songs "You Make Me Feel Brand New" & "It's Too Late".

Pres. Raffy then called on the Wedding Anniversary celebrants from July to September, proposed a toast and a wish for them to "keep the flame of love within us burning". (I heard PP Diony commented that this is the "best gauge for Maximum Tolerance). They were serenaded by the "Men in Black" with "Through the Years."

Recognition time came, and Pres. Raffy awarded a Plaque of Appreciation to our Venue Hosts, for their "beautiful home." Likewise, our prexy congratulated the organizers, PIP Chris & Rtn. Herb, for a job superbly done and for the success of the first of our quarterly fellowship activities for this Rotary year. With this, Pres. Raffy promptly adjourned the proceedings at 9:00 PM.

As everyone was, by this time under the influence of different types of booze, from mild to moderate or severe degree, sheer revelry followed as we sang and danced the night away. Whatever "revelations" were exposed, it was treated as part and parcel of our unwinding – no misinterpretations, no hurt feelings- just clean, sincere, fraternal affection and understanding that is expected of us RCB Rotarians.

For our members who weren't able to attend, either by choice or by force of circumstances, we missed you all. We hope you'd find the time, and the will, to join us in our subsequent fellowship parties, which PIP Chris promises to be more memorable and fun-filled, and each one to become "An Affair to Remember."

A warm cuddle for you RAPP Maya, for giving us a warm welcome to your wonderful home.

PP Angeling why a sad look on your face?  
Is it because we haven't had our dinner yet?

Smile lovely Anns, this magical night suits you. No wonder your hubbies are so inspired tonight.

Pres. Raffy, is that you? Why are you with the Anns?  
Seems like you can't leave RAPP Josie's side, huh?

Hey birthday boys! Go easy on the cake and give some room to PP Teop Rondez.

Now, a toast for our wedding anniversary celebrants!  
Who's been married the longest?

PP Chris and RAPP Maya...what more can we say except...thank you...thank you...thank you!

# FIRST GRAND FELLOWSHIP NIGHT

Some of our first quarter celebrants share a table and a bottle of wine. To all: more birthdays to come!

Chairman Chris Faelnar and the president sing duet on the chosen birthday song.

To the Wedding Anniversary Celebrants: "May we always remember, may we never forget. Cheers"

Vice-Chair Herb Meadows shares the mike with PP Diony as they sing a favorite love song from the fifties.

Our gracious venue hosts are all smiles because our Rotarians are such well-behaved guests. Really!!?

Manong Doming gets a flower from his favorite GF (spouse Linda) after proving his singing prowess.

PP Teop proves to RAPP Anna that he can still carry a tune, even if just for a short and simple song.

Former Rotarian Rene Rondez and spouse Liza are welcomed back into the club by president Raffy.

# FIRST GRAND FELLOWSHIP NIGHT

As the birthday song was sung, Pres. Raffy lights the candles ready for blowing immediately thereafter.

PP Diony was the only singer lucky enough to have back-up dancers: PP Linda and RAPPs Yolly & Josie.

Dance trains became a staple for the evening. PP Mike looks on but later joined in-- after getting in the mood.

IPAG Linda does her thing: dance instructional. One of her shoes actually gave way due to over-punishment.

Can you spot PP Ben and RAPP Dolly? They were two of the most active dancers for the evening.

Our Rotary dancers take a short (very short) break just to catch their breath; then danced some more.

Rota son Ralph Chan dances the swing with his Manang Linda. His papa claims he dance trained him.

Even photo shoots are opportunities for fellowship. It was really a night full of warm camaraderie.
