## PRESIDENT'S CORNER

**Cotidiana vilescunt**

Pres. Raffy Chan

A manifestation of thanks and appreciation is appropriate for today—to each one present during this “special” club meeting. This is because you have opted to include Rotary during this long vacation-weekend.

Your president has been warned that it might be better to cancel the regular meeting for today (03 Nov 07), because (purportedly) many will opt to extend their All Souls Day visit (cum provincial sojourn) unto the adjoining days—hence, including today.

But having reconciled with what others might say if we cancelled today’s meeting—and ask for a valid justification—having our meeting was the better option. Sometimes, it redounds to the proverbial “damned if you do and damned if you don’t” state of affairs.... The good thing about last Saturday (during the meeting) was that nobody complained about our having a meeting today (as printed in our Cañao). My analysis relative to the same says: our RCB members have now become more receptive to our club options and remain respectful to these.

\*\*\*\*\*

As early as Tuesday, 30 Oct 07, we started inviting Rotarians from other Cluster 1C clubs (Baguio-Benguet) to join us today via SMS text. Some have manifested keen interest in learning from our recent experiences with Matching Grants; and would be delighted to join us today.

IPP Gerard is herewith christened (by your president) the honor of being the Matching Grant guru of the Baguio Rotary Clubs. We will venture to state that a lot of things can only be learned by actual experience—particularly with respect to the rigmarole that can occur when working towards a Matching Grant. He has done it several times and now knows the “inside track.”

The RCB is lucky to have someone who has the know-how, patience, perseverance and the time to do what needs to be done when applying for our Matching Grants. We seem to be just beginning to appreciate the inherent French quality of being masters of diplomacy and goodwill.

\*\*\*\*\*

This Cañao issue will (arguably) go down in the history of our RCB club bulletin with the shortest reckoning time prior to printing: just one and a half days. (Our printer had to observe a long three-day vacation at the start of November.)

It might be of interest to all that our club bulletin is now laid-out in its entirety (electronically using computers) in our RCB office. Our preparation time (continual, not continuous) usually lasts from Tuesday until Friday (four days) which will include the final proof-reading and editing by the club EIC Dhory on the last few hours before the final PageMaker file is turned-in to the printing press for “filming” on the afternoon of Friday.

Our Cañao is actually “run” (printed) in the morning of Saturday; which explains why our Club Clerk is sometimes late—if the assigned print-man reports late for work or is delayed for any reason. As will be confirmed by our past EIC’s, doing the Cañao involves the orchestration of several activities that demands a certain *know-how* from the people responsible. While almost everything is now done using “boilerplate” stuff, we need to constantly and consistently take stock of what we have and improve upon them.

Many thanks to EIC Dhory who continues to take up the challenge as Editor-in-Chief—for having the dedication, perseverance for the job and for keeping up with an adviser who has a penchant for giving more than advice....

\*\*\*\*\*

Our Latin quotation for this week— *Cotidiana vilescunt*. Literally means: Familiarity breeds contempt. The opposite of this would be the axiom “Absence makes the heart grow fonder.” This is probably why (in Rotary) we tend to miss our past presidents when they do not attend our Saturday meetings.

## IN RETROSPECT

### The Meeting That Was 27 October 07

PN/Dir. Bert Talco

As I entered the meeting room last 27 October 07, I was amazed to see PP Veeh in her new hairdo! It was Ladies' Day once again and by coincidence yours truly was assigned to do the *Retrospect*.

At exactly 12:30 in the afternoon Pres. Raffy promptly called the meeting to order and after which IPP Gerard Audineau, being the program coordinator for the day, obliged Rotary Ann President Cely Ladilad, to give the *Invocation*. The fervent singing of the "*Pambansang Awit*" followed and after which, everybody formed a circle for the singing of the *Rotary Hymn*.

PP Chris Peralta called upon the "Men in Black" and with the "Spice Girls" to render some songs for the Entertainment. Rtn Herb Meadows paired with Dir. Cecille Apostol and Rtn. Ging Fajardo in singing the Tagalog songs "Bakit Ngayon" and "Sinta" respectively with gusto. Rtn. Herb might have been practicing a lot considering that he is now more than Filipino than American in singing the Tagalog songs. There are probably a lot of Karaoke bars in Catbalogan, Samar. To give an exclamation point for the entertainment, the "Men in Black" (PP Chris Peralta, Rtn Chris Faelnar, and Rtn Herb Meadows) and the "Spice Girls" (Dir. Cecille Apostol and Rtn Ging Fajardo) sung "Paper Roses".

Auditor Rolly De Guzman aptly introduced the personalities at the head table, and afterwhich, gave special mention to the three Rotary Anns (RAP Cely Ladilad, RAPP Linda Valencia and RAPP Josie Chan) and to the two Guests (Ms. Cynthia Tabora and Ms. Gigi Maranan) during the *Introduction of Visiting Rotarians and Guests*.

For the *Finest Moments*, Rotarian Pam Perkins asked questions on General Information. All those who were able to answer at least one question were fined fifty pesos and for those who were not able to were fined one hundred pesos. Most were fined the maximum by not knowing that Dr. Jose Rizal was able to write at the age of two, that Marilyn Monroe had six toes, that honey is a food that will not spoil, that the acronym of GOLF is "Gentlemen Only, Ladies Forbidden" and a lot more.

For the record, the winners during the raffle draw were: Rtn Herb Hayes, IPP Gerard (2x), Dir. Ike (2x), PP Veeh, Rtn. Chris Faelnar (2x), Rtn. Herb Meadows, Rtn. Ging, PP Doming, PP Lito, PP Roger, Auditor Rolly and PP Chris Peralta. As usual, well-selected items as prizes were awarded to the lucky donor-winners.

At *Members' Time*, PP Doming prodded each member of the "Four for Two" groupings for membership recruitment to really start with their assigned task. He awarded a "Star" for Group 8 under PP Diony Claridad for the recruitment of at least one prospective member. Rtn, Chris Faelnar, being the Chairperson on Fellowship, announced that the second grand fellowship night is slated on Nov. 24 (re-scheduled to Dec. 1 per RAP Cely's request). IPP Gerard on the other hand, appealed to the membership to avail of more Paul Harris Raffle Tickets, because there are still very few takers. He then led the members of the Club with our Toast of Fellowship for the Rotary Club of Somerset Pulaski County of District 6740, South Central, Kentucky U.S.A. This Rotary Club is our partner in our Matching Grant Project.

At *President's Time*, Pres Raffy Chan tackled a number of important items. He made announcements about the Fireside Chat that is being scheduled for our prospective members—c/o Dir. Mia, the Governor's Car Raffle tickets which need to be sold, the RYLA delegation (21 delegates), the resignation of the Club Clerk and the hiring of her replacement. It is unfortunate that PP Diony Claridad was not around to be accorded the members' birthday greetings. Happy to say though that PP Roger was around to be greeted for their Special Wedding Anniversary celebration. To end the President's Time, Pres. Raffy, heeding to Governor Owen's advice, delighted the membership with a joke. Humor is one important tool of leadership.

PP Lito Pangilinan aptly introduced the *Club Speaker* of the day. PP Lito cited the various credentials of Rotary Ann Past President Josie Chan, the better half of Pres. Raffy, which are undoubtedly the reasons why she was selected as the speaker for the topic for the day, which was the Burnham Park Development.

RAPP Josie eloquently discussed the history and the future development of the famous landmark of the City of Baguio, which is Burnham Park. We learned that the Burnham Park Master Development Plan was already finished and the only problem for it not becoming a reality is the financial aspect. There are 12 areas in the park to be developed, and to develop all of these areas would mean hundreds of million of pesos. The City needs to tap all resources to be able to raise the necessary allocation for the project. The good news, according to RAPP Josie, is that there are about six million pesos (6-M) to start with.

Intelligent questions were smartly answered during the *Open Forum*. Rtn. Herb Meadows gave a brief but thorough response and expressed gratitude in behalf of the Club for a very informative talk.

"*Pilipinas Kong Mahal*" was sung with fervor before Pres. Raffy banged the gavel at exactly 3:10 PM to signify the end of another lively and fruitful afternoon of Rotary.
