JANUARY IS ROTARY AWARENESS MONTH

PRESIDENT'S CORNER

Ex uno disce omnes.

Pres. Raffy Chan

Welcome to our twenty-sixth Saturday meeting for this Rotary Year. Allow your president to encourage all to always come early (say 12 noon) to our weekly meetings—to enjoy the warm fellowship that pervades our venue prior to our *Call to Order*.

Particularly to those who usually come late, we ask you try it; we are confident that you will like it.

Last Saturday, we joined the Vigan District 3790 Mid-Year Review. As usual, the supposed five PM start was delayed by over an hour. Your president is no longer surprised at this; and remains continually disappointed that all our district affairs never start on time. In this specific instance, we could have started promptly (on time) because there were already a substantial number of people around. But still, the organizers did not have the good sense to start on time.

It seems that the *start-late* agenda is now so deeply ingrained into our district (frame of mind) that our individual host clubs no longer take any initiative to make a *prompt-start* happen. They simply no longer care—considering it (now) as part of the system. We emphatically take exception to this.

My hope is that this particular infirmity will soon be addressed with a conscious, concerted effort. It can begin with a district governor with a strong will; who will emphasize that all activities during his term should start on time. It should continue unto the host clubs (of the district affairs) to also take up the challenge and make that strong commitment towards making the *prompt-start* happen for all activities. No if's, no but's. This has been a long time coming, and it is our sincere hope that something will soon be done about it.

What often happens is that the late arrival of delegates is used as the basis (and rationalization) that activities cannot start on time. To this we say—a lot can be learned from our Rotary Club of Baguio (RCB). We always start our meetings and activities on time. Something which proudly stands as part of our club tradition; something passed down to us by our Rotary forebears. We start on time, because we manifest mutual respect for all our members and their time; because we do not want to waste our time, and that of our guests. Past-president Helmut has shared an adage which is exceptionally appropriate: “Punctuality is the Politeness of Kings.”

As our February inter-continental departure approaches, allow your president to inform all Rotarians that PE Bert will be the acting president during my twenty-five days leave (January 30 to February 23). VP Ben has informed your RCB Board that he will be indisposed (precisely why he bowed-out of the assignment to be chairman of our Anniversary Celebration); and therefore cannot be our acting president. It will be a worthy warm-up for PE Bert, as he gears up for the next Rotary Year.

Our Anniversary chair, PP Veeh Balajo, remains deeply engrossed with the work at hand. We have a weekly Saturday committee meeting for our anniversary preparations- right after our regular meeting. All RCB members are enjoined to attend.

Our Latin axiom for this week—“Ex uno disce omnes.” Literally means: From one person learn all persons (From one we can judge the rest). This is a parallel to the quotation: tell me who your friends are, and I will tell you who you are.

IN RETROSPECT

The Meeting That Was 12 January 08

Rtn. Angie Visperas

Every now and then, we are assigned to write proceedings of our Rotary fellowship meeting. A chore sometimes members would dodge for the homework it entails when they reach home. Though I, welcome the assignment, an exercise to my resting mental faculties. Either, I am weakening cold of my pen or losing touch, or both, so be it, no complains. Then, I notice there was no one clicking his camera, so I stood up and double my work as the imager and retro-general for the day. Practically jumping from one place to the other.

When I arrived at the Training Center, early birds like PP. Johnny Z. and PP Jack G. were already seated. EIC. Dhory, PP. Chris and PN. Mia were busy entertaining our young G.H.S. Ms Rina Casareo who came early.

Our jetsetter, VP. Ben Ladilad was also with us still with a jetlag after an extensive study tour in Europe. I heard from the great vine that this fellow wilt his Ann Cely, the Rotaryann Pres. Not to be unnoticed was Rtn. Charles Kang's presence, quietly distributing (pasalubongs) a gift to Rotarians present, direct from Korea, Welcome back, Guys!!!

The Program Coordinator, Rtn Joey Bugayong soon arrived. After catching a few breathers, adjusting some kinks here and there, requested the sparsely filled hall to the attendees to take their seats.

By the way, The President with some of the members and officers of the club motored up to the north, Vigan, Ilocos Sur earlier to participate in the District Mid-Year Review

PN. Mia Cawed was the OIC presiding officer of the meeting. She promptly opened the meeting upon the cue of the program coordinator.

EIC Dhory Vicencio led us in the opening prayers invoking the Lord's name for guidance and thanking God's abundant blessings.

The "Pampansang Awit" was patriotically sang, absolutely, none could match the blooming voice of PP "Ka Doming", Rtn Chris and PP Chris,

The "Holding-Hands" ritual of the "Rotary Hymn" followed. Both songs were sang "acapella". No Power Point and no power-outage from BCC neither.

The diminutive but Giant in many ways,

"Cute" Rtn. Flo Bayquen introduces our visitors and guest. A surprise personality showed up last Saturday. He was Engr. Cesar Orpilla, a "Computer Genius" I might say. A former member, club secretary and President-elect of the club way back in the 80,s.

For the lighter side, the entertainment treat was done by Dir. Cecille Apostol. pinch-hitting for Rtn. Ging Fajardo I think the segment she showed us on the screen was M.T.R.C.B's cuts to tickle our bones. The affable 'Pastor' was stone struck, I just saw a smirk on his face. No reaction.

The Fine Master was PP Veeh Balajo. She was all fired-up, ready and dug into our pockets. Her theme was about "Past President of RCB" a history recalling of some sort, and fun we had.

Raffle time came to the delight of the winners and to the unlucky ones buy more tickets next time, it's healthy for the club. PP Chris Peralta and Rtn. Chris Faelner efficiently handled the raffle in place of Treas. Marilyn Barredo who was with the Vigan group.

PN Mia Cawed then took to the rostrum and announce pieces of information indorsed by Pres. Raffy. It was "halle-luyah" for the sweet tooth Rotarians ice cream was served. The Birthday celebrant was PN Mia herself. The members sang and greeted her warmly.

On the more serious part of the program, Rtn Naas Demyttenaere (the name, difficult to spell) introduced the Guest of Honor and Speaker.

The G.H.S.,Ms Procyon Leelin Casareo, "The name did not ring a bell earlier to Rtn Flo , until later when she recognized her to be a long time friend and she apologized , strange sounding name huh!" In short the nickname is "Rina Casareo". The lady possessing the "2B's" which every gentlemen desire. The Beauty and the Brains.

The Honored Guest is a dedicated single mother of 2 children, a businesswoman committed to the protection of children and women. A secretary of (S.I.H.B.) Soroptimist Int'l Hope of Baguio.

She presented to us shocking statistic of Children molestation. The difficult adjustment of adulthood. Psychiatric treatment needed. Accordingly, there are 247 cases reported for 2007 in Baguio. What to do?. Report the perpetrators; Inculcate family values; Treatment of victims.

S.I.H.B. is promoting a book: 'Lihim ni Lea'

PP Angeling Palma gave the response on behalf of the club. After which we sang the "Pilipinas ko Mahal" and the meeting adjourned.

Lee asks Rotarians to ‘Make Dreams Real’ for world’s children

By Ryan Hyland

Rotary International News - 14 January 2008

RI President-elect Dong Kurn Lee announces the 2008-09 RI theme, *Make Dreams Real*, to incoming district governors at the 2008 International Assembly.

Rotary International President-elect Dong Kurn Lee addressed incoming district governors today at the 2008 International Assembly, urging them to use their resources to help curb child mortality. Lee said he was in disbelief when he learned that 30,000 children under the age of five die every day from preventable diseases such as pneumonia, measles, and malaria.

“Once I understood the issues behind that terrible number, I knew what I needed to do,” Lee said. He told the incoming governors that Rotary will keep the service emphases of recent years — water, health and hunger, and literacy — but asked them to focus their efforts in each of these areas on children.

“In 2008-09, I will ask you all to *Make Dreams Real* for the world’s children,” he said. “This will be our theme, and my challenge to all of you.”

“Children are killed by illnesses that become deadly in combination with poor sanitation and malnutrition,” Lee said. In addition, families stricken by extreme poverty are trapped in a cycle that only leads to more unnecessary deaths. “It’s a cycle that is not interrupted because there is no access to education.”

He challenged the audience to do their part to give children “hope and a chance at a future” by reducing the rate of child mortality in the world.

“We will bring clean water to their communities and create sanitation projects that keep children healthy,” Lee said.

As the incoming governors begin preparing for the year ahead with the training and inspiration they receive at the International Assembly, Lee reminded them of Rotary’s power and encouraged them to use their resources efficiently to maximize the good done around the world.

Governor-elect Geoffrey Mathis, of District 9930 in New Zealand, thinks the upcoming RI theme allows Rotary to dream big. “*Make Dreams Real* will be an easy theme to sell around the world. We all like challenges; Lee has allowed us to put our dreams to practice.”

Rotarians can improve children’s health, Lee said, even in small ways, such as delivering mosquito nets, rehydration salts, vitamins, and vaccines. “So much more can be done with just a little more: a trained birth attendant, a simple clinic, a school feeding program, a visiting nurse,” he continued. “These are simple and direct ways to save children’s lives.”

In 2008-09, Rotarians will be asked to open their eyes to the needs of children in communities near and far, Lee said.

“Children die not because nobody can help them, but because too often, nobody does. But you and I, here in this room, are Rotarians, and helping is what we do best,” he said, adding that “our job is to *Make Dreams Real* for children. If every one of us does this, at the end of our year, we will all have achieved something wonderful.”

MID-YEAR REVIEW

Vigan, Ilocos Sur 12 January 08

Synopsis/Captions by
Pres. Raffy Chan

EVENT SYNOPSIS

We left Baguio at 9AM last Saturday. In two vehicles we travelled Northward into the Ilocos area. All seven of us (PN Bert came later in a third vehicle) made it to Vigan Ilocos Sur by around 3 PM, in time for the District Nominating Committee meeting.

It was already past six PM when the program proper began. It was a long meeting which lasted until almost 11PM, with just the a few dedicated (that means us) Rotarians remaining in the audience.

Riverside Restaurant (found by IPP Gerard) in La Union, proved to be a worthy fellowship venue for us : good food, great venue ambiance and most of all—great company with the united nations (UN) group of RCB.

Pre-meeting picture of our RCB representatives to the Vigan Review. Pres. Benny (RCBSouth) joined us.

PE Bert is not waving. He is actually hiding the glare from the back light. AG Danny Torres joined us here.

Your president as he accepted the PHF certificates, medallions and pins for the two PHFs he donated.

The only thorn among the RCB Sunrise roses (above) reminds our members to join DISCON 2008 come April.

We stayed at the Giorgio's Hotel in Vigan. The morning after, breakfast was with more fellowship.

Pre-travel gathering was over some native taho which we all enjoyed. PP Helmut (cameraman) had none.
