## PRESIDENT'S CORNER

**Faber quisque fortunae  
suae.**

Pres. Raffy Chan

Welcome to our first Family (Ladies') Day for 2008! We extend a special welcome, to all of the Rotary Anns of RCB in attendance in today's meeting.

\*\*\*\*\*

Much like a concerned parent, your president feels worried about the club affairs and what will happen (and what will not) during my leave of absence. Our departure for the U.S. will already be next week and I feel almost reluctant to leave my Rotary duties behind. But as I look at the indicators, I find confidence in our leaders by merely looking at what has already been done.

PN Bert has already taken up the challenge. He is a silent worker who will be our acting president during my leave. For those who did not know, we are pleased to announce that for February, we will be having a month-long series of activities in addition to having it declared by the city as RCB month. These activities will be under the capable leadership of PE Bert, who has already mapped-out the "goodies" in store for us.

Starting next week, expect PE Bert to do the OIC President's Corner—to keep our members updated on club activities.

\*\*\*\*\*

PP Veeh is the driving force behind our Charter Anniversary which is slated on the last day of next month. (It is a leap year this year, so do not forget our "magic day" falls on the 29th.) Our weekly Anniversary subcommittee meeting has become a standard *modus operandi* which many regularly attend. All Rotarians are welcome to join these coordination meetings, to get a make-up credit (if they need it) and to appreciate how we are moving towards a very special Seventieth Charter Celebration. To all our RCB members, many thanks for your sustained cooperation.

\*\*\*\*\*

It is unfortunate that my recruit Nick Poblador bowed-out from his proposed come-back as member in RCB. He explained to me that his personal situation drastically changed lately, despite his eagerness to rejoin; and asked his sponsor (yours truly)—to withdraw my proposal for him. It was with a heavy heart that I did just that. *Sayang talaga!*

Meanwhile, my two other recruits—Gigi Maranan and Cynthia Tabora have explained to me that despite their eagerness to become RCB members, their option is to be sworn-in after February. Both ladies are in-charge of the *Panagbenga* Market Encounter and have deemed it best to join us after it has been successfully concluded.

We respectfully remind our members regarding our on-going initiative to have a minimum net gain of ten members. Because we lost member Ali Morales, we have to recruit a total of eleven in order to achieve the said net gain. Counting our new and incoming members: Rtns. Ping, Tess, Henry, (who have been inducted) plus Gigi, Cynthia and Dr. Ursua (coming soon)—we have barely hit our half-mark.

My hopes are very high that we can induct (at the very least) a total of twelve new members for this current Rotary Year. Let us all work together to make this happen.

\*\*\*\*\*

Our Latin axiom for this week—"Faber quisque fortunae suae." Literally means: Each man (is) the maker of his own fortune. This is almost of equal import as my other favorite: "Weak men wait for opportunities, strong men make them."

## SALUTE BACKGROUND

The **International Toast of Fellowship** is a District-wide initiative towards promoting friendship and goodwill with other clubs worldwide; in line with carrying out the District theme of "Rotary—Bridging the World".

It is the brainchild of PP Donald "Don" Masson of RC Olongapo—which has been saluting clubs since 1993. RCB recognizes the worthiness of this "salute" program and intends to make it a continuing RCB activity.

## Our Tenth Salute subject

Today, we salute the Rotary Club of Cannes – Le Cannet of District 1730, of Riviera Cote d' Azur, France. Despite its small number of just nineteen members, it is composed of very enthusiastic and dynamic members.

**PASSEGI-GIBERT**  
Viviane

The Club President, Viviane Passegi-Gibert became a good friend of IPP Gérard Audineau after several visits when he was on leave in Cannes.

We hope to gain their support for our scholarship programs in Baguio. We salute this club today and look forward to a continuing friendship with them.

*The above is a (reduced) reproduction of the SALUTE Certificate which will be sent to the club that we toast today.*

## IN RETROSPECT

### The Meeting That Was 19 January 08

PP Doming Valencia

The curtain has finally fallen. The main show has ended. And, as it ended, **IPP Gerard “Gerard” Audineau** gave a fitting response and well deserved appreciation in behalf of the club, to the Man-of-the-Hour, **PP Benito “Benny” Sunga**, who played the stellar role in one of the most exciting programs our club has put out during this administration. Kudos to our Program Committee for their discriminating choice of participants and to the participants for playing their parts very well.

The other side of the curtain portrayed to the club members a well-balanced program which brought about a successful ending. In retrospect we recall the proceedings:

With **PP Helmut “Helmut” Schlaaff** as the Program Coordinator, the meeting of last week was rather somber and serious at the start. It was not due to **PP “Helmut” Schlaaff** but was more due to the anticipation of the members to an electrifying talk by our Club Speaker.

A medical doctor holding the Classification of a “Urologist” in the club, **PP “Benny” Sunga**, the Club Speaker awed and impressed everyone by his competence and effectiveness in his discourse of Erectile Dysfunction (ED). What is it? ; its causes; its occurrence worldwide; its risk factors; and its treatment. There were a lot of revelations. For indeed, many were not quite aware that ED can occur in men in their early twenties and that there are a number of simple non-evasive as well as surgical and non-surgical treatments that can be availed of by those diagnosed with ED. With his discourse and a lively and interesting open forum ended, everyone in last weeks meeting went home more intelligent and more informed than they were before the meeting. **PP Loreto “Lito” Pangilinan** one of our reliable introducers was all smiles! The Club Speaker lived up to his eloquent introduction.

The “Finest Moment” of **PE Alberto “Bert” Talco** manifested the making of a polished Fine Master and an upcoming presiding officer comes his term as President of the club six months from now. His fining style was indeed true to form and substance. He fined a lot of members who are making the programs and projects of the club happen. Among the wise fellows fined are the magnificent 7 who were in Vigan the previous week for the District Mid-Year Review and the workhorses of the Executive Committee for the 70<sup>th</sup> club anniversary celebration next month.

**Pres. Rafael “Raffy” Chan** in his President’s time enjoined the members and guest present for a one minute silent prayer for the repose of the soul of the father of **Rtn. Florence “Flo” Bayquen** who passed away recently. This was followed with the induction ceremonies for incoming member **Mr. Henry Cabe**, sponsored by **Dir. Cecille “Cecille” Apostol**. Concluding the President’s time was a birthday greeting song for **PP Michael “Mike” Pearson** who celebrated his golden (50<sup>th</sup>) birthday last 03 January 08. Of course ice cream was served courtesy of the celebrant.

A poetic PowerPoint presentation of “If Today” served as the source of inspiration for last week’s proceeding. For entertainment, **Rtn. Angel “Angie” Visperas** rendered a vocal (with **PPLinda “Linda” Winter** as back-up singer) and harmonica rendition of ‘Bannatiran’, a popular ILocano love song. **Sec. Uwe “Uwe” Koeller** graciously introduced our visiting Rotarians and guest. The weekly raffle was ably handled by **Treas. Marilyn “Marilyn” Barredo**.

The 26<sup>th</sup> Saturday meeting of RCB ended at 2:48PM. It will remain not just a memory. It is obviously an achievement! Encore please.

**Survey Says -PR important Tool For Membership**

From the January 2008 issue of *Rotary World*

Public relations efforts help increase membership recruitment, according to about 70 percent of Rotary clubs that responded to a recent RI survey. About half the respondents said that PR also helps with retention, and 87 percent credited their club’s public relations work with raising community awareness of Rotary.

According to survey results, 80 percent of the responding clubs include PR in their annual planning, and 77 percent launch PR efforts to coincide with specific events or projects. Of the responding clubs, 57 percent have a Web site, most of which provide club information directed to the general public. Almost all respondents reported obtaining newspaper coverage, but less than 50 percent had secured coverage on television, radio, Internet, or billboards.

The most significant barriers to public relations efforts cited were lack of interest from the media and lack of funding. When asked about resources provided by RI, respondents ranked *Rotary Basics* (595-EN), *What’s Rotary?* (419-EN), *This Is Rotary* (001-EN), and Humanity in Motion PSAs as the most useful. Many respondents also reported using *The Rotarian*, or their regional magazine, and the RI Web site in their PR efforts.

The results of the survey, conducted by RI’s Membership Development and Public Relations divisions, are based on 756 responses from a random sampling of 3,269 Rotary clubs worldwide. [Download the complete survey report](#), and [order RI resources](#) designed to help you spread the news about your club’s good work.
