MARCH IS LITERACY MONTH

PRESIDENT'S CORNER

Honor virtutis preamium

Pres. Raffy Chan

Your president is happy to be back. After being on leave for almost a month (and having been treated to a great number of buffet meals during that time), I am happy to continue my Rotary duties. My U.S. trip has been quite a grand sojourn for me and my Ann Josie. My esteemed ninety year-old mother was elated to see his youngest son from Baguio during her well-attended thanksgiving luncheon and family get-together in Los Angeles. Do join me in prayer for more years for this woman of my life.

Meanwhile, allow me to congratulate PE Bert for a job well done—as OIC RCB President. He has ably proven that he is up to the job; and can handle our RCB affairs quite well. I am tempted to turn over the presidential gavel to him at this time (joke lang); but such may not fit well with our members, so I will restrain myself. Thank you very much, Bert.

Our Seventieth Charter Anniversary has proven to be a resounding success. With the committed participation of the committee members and members at-large, our Sapphire Jubilee became a well-attended and well-conducted activity.

We owe the good results to PP Veeh who has (almost literally) turned night into day—conducting coordination meetings, monitoring, and reminding everyone. Once again, PP Veeh has proven herself and showed us just what it takes to be an Anniversary chairperson.

As if her personal efforts were not enough, PP Veeh even took it upon herself to oblige with the lechon aperitif. This was because she was unsure if your president would make good on the same. Maybe this was all for the best because the two whole lechons (the second one donated by your president) during the anniversary turned out to be barely enough for the large crowd that was in attendance.

PIP Chris Faelnar likewise deserves special recognition for once again reprising his role as raffle master extra-ordinaire. Our raffle activities consistently boast of great prizes and always make good money each time he handles it. Also, many thanks to Luzon Hydro Corporation (LHC)—for donating the raffle grand prize- washing machine and others. PP Linda and Manong Doming also did a great job with our special RCB history. IPP Gerard had his hands full with our French guests. Rota kid Estelle, thank you for the ballet ensemble. Let us also say “thank you” to our ever-supportive Rotary Anns—for the raffle prize donations and that (wow!) special dance number.

Space is running out on this “corner”; and I will not be able to mention all the involvement that came to fore last week. So let me just re-manifest my sincere appreciation to all who made our anniversary the memorable event that it has become.

My attention has been called that Manong Angie Visperas has been inadvertently skipped from the list of RCB Paul Harris Fellows re-recognized during our anniversary. I apologize for the oversight and will make amends on the matter by recognizing him during today’s meeting. Thank you, Manong Angie for your kind understanding.

Our Latin axiom for this week— “Honor virtutis preamium.” Literally means: Honor is the reward of virtue. In these difficult times, being virtuous (and subsequently being rewarded with honor) becomes such a challenge. Let us nonetheless keep trying to be as obliging (on virtue in its many forms) as possible.

ANNIVERSARY RETROSPECT

The Meeting That Was 29 February 08

Dir. Cecille Apostol

Seventy Years! Wow! I was, and still am very proud to be a part of this momentous event, **The 70th CHARTER ANNIVERSARY OF THE ROTARY CLUB OF BAGUIO.** This was held at the Baguio Country Club Ballroom last Friday, the 29th of February 2008.

After the celebration of the traditional Holy Mass, Registration & Cocktails followed. At 6:30 PM, the processional of RCB's Past Presidents, current officers and directors with their respective spouses commenced. At exactly 7:00 PM, the President of the Rotary Club of Baguio, Pres. Rafael "Raffy" Chan called the meeting to order.

An Invocation followed by way of a solemn song by the RCB Chorale. This was followed by the singing of the National Hymn of France by Rotakid Estelle Audineau, the RCB Chorale sang the Japanese National Hymn and the Philippine National Anthem thereafter. After which the Rotarians and their guests formed a big circle and sang the Rotary Hymn from the heart. A thunderous applause ensued after the singing of the rotary Hymn.

"How do we make a friend smile?" This is the opening of the short welcome address delivered by Pres. Raffy Chan. The introduction of visiting Rotarians and guests was dutifully performed by PP Alfred Laygo. He had a hard time doing this job because we have so many guests that night and the house is full! But obviously, PP Alfred had a great time performing the task.

Dinner was then served. And while we were enjoying the sumptuous meal, PP Doming Valencia & PP Linda Winter took us down the memory lane when they presented the RCB's history & accomplishments dubbed as "RCB, 70 years of Service & Fellowship". I've been a member of this club for almost three years now, but RCB still amazes me. I am so proud to be a part of this noble club, what will all the accomplishments of the present members and officers and our predecessors, a member cannot afford *not* to be proud. I thought to myself, I must have done something really good in my life that God gave me this opportunity to be a part of this wonderful club. I blessed the day that my sponsor, Rtn. Flo Bayquen invited me to RCB. Thanks Flo!

PP Benny Sunga then delivered a message in behalf of Mayor of Baguio Peter Rey Bautista who unfortunately did not make it that night.

The candle light and cake ceremonies that followed was a solemn one. PP Veeh Balajo led this ceremonies and PP Johnny Zarate guided us all RCB members at the Lightning of the Candles Ceremony. PP Benny Sunga, with the RCB members offered a prayer for the present, previous

and deceased members. A renewal of commitment followed also led by PP Johnny Zarate and after which PP Teop Rondez offered the toast for the club after the jovial singing of "You & I and Auld Lang Syne" by the group.

A message was delivered by our visiting French and Japanese Rotarians, and a sisterhood agreement was signed between the RC of Mougins (in France) and the Rotary Club of Baguio. Our Japanese honorary member and benefactor also handed down his annual contribution to the club for its various worthy projects.

The awarding ceremony proceeded. PP Benny Sunga presented the RCB chorale's Paul Harris Fellow to Rtn. Flo Bayquen. Even though she is not a regular member of the chorale, she joined them in the Christmas caroling last December. IPP Gerard Audineau on the other hand, presented our two new RCB Paul Harris Fellows, none other than our President, Pres. Raffy Chan and his Ann RAPP Josie Chan. The awarding of certificate to all Paul Harris Fellows then followed. PDG Vitt Gutierrez awarded the certificates. There are a total of 24 Paul Harris Fellow members of the club.

A special and fitting award was also presented to IPP Gerard Audineau from Rotary International for all his accomplishments and undying commitment to the cause of Rotary Club of Baguio particularly the numerous matching grants he acquired for the various projects of the club. Kudos to IPP Gerard! We salute you!

After the awarding, DG Owens Torres delivered an inspiring speech. A token of appreciation was later handed to by Pres. Raffy Chan. Thank you DG Owens for taking part in this momentous event of our lives as Rotarians.

Finally, the Pilipinas Kong Mahal was sung by everyone and the President adjourned the meeting and announced the opening of the second part of the program which is the raffle...dance...raffle...dance.

To say that part two is super fun is an understatement. What do you expect with the tandem of "PIP" Chris Faellar, PN Mia Cawed and Treasurer Marilyn Barredo? There was so much dancing. PP Doming and RAPP Linda are superb Tango Dancers. The winners of the first Panagbenga Ballroom competition were no match to PP Diony and his RAPP Louie when they danced the swing. IPP Gerard's smile was up to his ears while watching and tirelessly taking pictures of his beloved Estelle while she was showing her ballet dancing prowess on the floor.

Unfortunately, I was not able to finish the program because I had to bring my sister, Rtn. Ging to the hospital because of hypertension. I bet she got overly excited with the party. Anyway, PE Bert Talco told me later that Pres. Raffy won in the PHF raffle. Very lucky indeed! That was his 2nd PHF for the night, 3rd if you'll consider that of RAPP Josie. Anyway, congratulations Mr. President!

I had a great time and I am sure everyone did! I am looking forward to the next RCB anniversary celebration and I pray to God that I will still be around on its 100th anniversary. God Bless!

IN RETROSPECT

The Meeting That Was 22 February 08

Aud. Rolly De Guzman

Scheduled as family day (ladies' day before), I expected the meeting to be dominated in number by rotary espouses but, alas! Where were they? We started and ended up with purely organic Rotarians in the hall. We missed you a lot, ladies. Also every body had to go around just so to locate our assigned room since our usual venue, the benguet room or the training center were occupied by our-of-town groups. Looking at the cañao, I also noticed the revisions on the sequence of the program which I came to learn later was done so as to accommodate the speech of the GHS to come first for him to move to another engagement. nonetheless, the show moved on and on time.

Program Coordinator PP Diony Claridad, despite the absence of Rotary Ann participants calmly requested some Rotarians to cover up for them and thus, after OIC Pres. Bert Talco opened the meeting, PP Benny Sunga pitched in to lead us in the Invocation followed by the singing of the National Anthem and the Rotary Hymn. The entertainment portion that was assigned to the Anns was skipped to pave the way for an early speech by the GHS.

There were 25 Rotarians including the GHS and one guest, Mr. Joe Dim-as, a grantee of the club who passed the latest nursing licensure examination. "PIP" Chris Faelnar who nearly forgot that he was assigned to introduce the visiting Rotarians and guests, referred to all those seated at the head table as "macho guapitos" and that includes PP Diony Claridad, PP Mike Pearson, PP Chris Peralta, PE Bert Talco and the GHS. Charter Pres. Gil Bautista of the Rotary club of summer capital.

At 12:50 PM, PP Mike proceeded to the rostrum and began to introduce the Guest of Honor and Speaker. I liked the way he introduced him by not reading the resume that appeared in the cañao. Instead, he talked on something that enhanced those that were written about the GHS. Future introducers, please take note. In less that 5 minutes, the introduction was over and exactly at 12:55 PM, our GHS Charter Pres Virgilio C. Bautista, Chairman of the Baguio Centennial Commission began his speech on the centennial celebration whose theme is: Fostering a culture of caring.

He started his speech by saying that all the programs, projects, events and activities listed in the materials distributed to the members are all "work in process", meaning that these are still subject to adjustments, improvements, innovations before finalization and ultimate realization starting January 2009. He envisions to have an exceptional centennial celebration from the first day of January to last day of December 2009 but with 1 September 2009 as the center of the most important activities to be celebrated upon, He also requested all members to volunteer and participate in any or all of the thrusts such as a) Commemorating the past, b) Celebrating the present, c) Visioning the future and, d) Financing. He even went on by encouraging anyone of us to endorse ourselves to be candidates to be awarded as one of the 100 Most Outstanding Male Citizen of Baguio or the 100 Most Outstanding Female Citizen of Baguio including 100 post humus awards. After his speech many of the members took turns in giving constructive criticisms and suggestions including the manner of donating funds to the commission. The GHS noted all and responded positively and designated PP Mike to gather more from us to be submitted to the commission where he is one of the members. Treas. Marilyn gave the club's Response and requested our OIC President to hand over our Certificate of Appreciation for gracing our meeting.

That done, PP Chris Peralta proceeded to the fining session billing each Rotarian on a per table basis the amount of which was determined by answering two (2) questions. Almost all tables got 50% of the correct answers.

By stroke of luck, all the winners in that week's raffle were all Past Presidents: PP Johnny Zarate, IPP Gerard Audineau, PP Ben Cid, PPLito Pangilinan, PP Veeh Balajo, PP Chris Peralta and PP Teop Rondez. "Pano nam kami, Treas. Marilyn, Di pa kami PPs!"

Members' Time saw some members taking the mike such as PP Lito on his solicitation for drinks for the 70th anniversary celebration; I PP Gerard on PHF and matching grants; Rtn. Chris Faelnar on pledges for door prizes and Rtn. Angie giving a little background on the presence of our lone guest Joe Dim-as. Mr. Joe Dim-as thanked the Rotary club of Baguio for its kind extension of financial aid when he reviewed for the board exam. He was happy to inform us that he just passed the exam and is now a licensed nurse.

OIC Pres. Bert gave several pieces of information and announcements regarding our 70th anniversary celebration on 29 Feb. 2008 at the ballroom of the BCC after which he requested our b-day celebrators, PP Chris Peralta and Sec. Uwe Koeller to stand at the center where everybody sang and greeted them. ice cream, ice cream and more ice cream. Happy Birthday!

Before the adjournment, PP Veeh gave a PowerPoint presentation on the things to happen on 29 February 08 and requested everybody to take note of their participations. That was done to improve on our previous programs to reduce if not avoid any lapse this time.

At 3:21 PM, the meeting adjourned.

Once again, Treas. Marilyn gave a "cool, calm and collected" Response in behalf of the club.

The Past Presidents gave their undivided attention to our GHS, during his interesting speech.

Manong Angie gave a "personal" introduction to our scholar, Joe Dim-as.

Still shining as the OIC President, PE Bert Talco thanked our GHS for gracing the meeting.
