MAY IS PUBLIC RELATIONS MONTH

PRESIDENT'S CORNER

**Omnes aequo animo parent
ubi digni imperant.**

Pres. Raffy Chan

I can not quite put my finger on it... but lately, writing these President's Corner articles has become rather difficult for me. I find myself struggling with topics to take up and develop, and spending lengthy hours to complete each one. This is almost reminiscent of the first submittals I made as your new president (nine months ago).

Now as I prepare to be your IPP, there is that déjà vu feeling which comes to fore. Maybe our past presidents can explain the feeling to me. Meanwhile, I am now counting the remaining articles which I need to finish before I turn over the presidential responsibility to PE Bert. I know he is raring to go at it; and my hope is that he will enjoy being president as much as I did. It will not be long now and June/July will soon be upon us.

Last Monday, 05 May 08, we attended the wake of RCLT Vice-President Ernesto "Ernie" Pinas. Representing RCB were: PP Linda, PE Bert, PP Lito and your president. We joined the RC La Trinidad members (at Pines Park in La Trinidad) to extend our condolence to the bereaved spouse- Rtn. Esper and family. PPLito Pangilinan did an excellent job leading in the prayers and the singing.

VP Ernie (we were made to understand), was relatively young-only in his late forties. Very athletic, doing regular workouts as martial arts instructor (was a black-belter in his chosen sport). It was quite surprising that he would be taken from this world so early. But who are we to question the Lord's wisdom with regard to these matters. Our only recourse is to be constantly ready to meet our Maker.

PE Bert Talco and your Golf Fellowship working committee members had an evening meeting last Tuesday, 06 May 08 at EIC Dhory's Abanao Square office. Said office has become a regular meeting venue for us. It is mainly because of its proximity to the downtown area and the "red carpet" treatment we get while we are there-because of EIC Dhory. Parking fees are also waived.

Please do not forget that the said event (Twelfth RCB Golf Fellowship) will already be next weekend-Saturday, 17 May 08. We will look forward to your cooperation in making that fund raising project into the usual success that we have annually. Particularly to our RCB golfers, kindly support our fund raising activity to raise money for our club service projects during PE Bert's term.

Dir. Ike made his observation that golfing Rotarians from our cluster constantly look forward to our annual golf fellowships because it is always an event that has something to offer. Good rates, good food, and generous raffle prizes: almost all participants get to win a raffle prize each. We trust that this year will not be any different and that we will constantly retain the expected level of quality that we have thus established for these events.

Just so you know, our RCB noontime regular meeting will still proceed. The evening awarding of the trophies and raffle prizes (for the Golf fellowship) will be a separate event-next Saturday evening.

Our Latin quote for this week is from Syrus- "Omnes aequo animo parent ubi digni imperant." Literally means: All men cheerfully obey where worthy men rule. My interpretation runs parallel to our RCB viewpoint: our members are happy to be part of our Rotary initiatives-bearing in mind that we have club leaders who are committed to the volunteer work at hand.

GHS'S PROFILE

JUAN ALBERTO GAERLAN

Hailed by one critic as "a revelation not only as a singer but also an actor", when he essayed the role of Tony Candolino in the Philippine Opera Company's 2006 season production of Terrence McNally's "The Master Class", Juan Alberto is fast becoming one of the most sought-after tenors in the Philippines. Having started out at an early age singing with the Saint Louis Boys' High School Choir as Alto Soloist. He later represented the school and the City of Baguio at the National Music Competition for Young Artists (NAMCYA) in 1980, bringing home honor. His initial success at the NAMCYA was to be repeated in 1982 and then again in 1986 as Juan Alberto established his place as a multi-awarded soloist.

This caught the attention of the late Dean Rey T. Paguio of the UP College of Music who offered Juan Alberto an opportunity to join the University of the Philippines Concert Chorus in their 5th and 6th international tours, and to study voice at the Conservatory under Fides Cuyugan-Asencio.

Juan Alberto, underwent rigorous training under the renowned Soprano, Irma P.E. Potenciano in preparation for the Rosa Ponselle International Voice Competition at Washington D.C. His remarkable talent, now honed to a greater fullness and sensitivity, was not lost on Maestro Igor Chichagov, Rosa Ponselle Foundation's musical director and chairman of the jury, who took him as a personal scholar and protégé.

In his quest to further his voice technique, he also trained under British Bass Baritone Michael Rippon, Hong Kong Soprano Ella Kiang, Australian Tenor Kevin Miller and Metropolitan Opera Baritone, Mark Oswald.

In the last few years Gaerlan has played the role of the sympathetic anthropologist Gustavo Nierderlien in Floy Quintos' Filipino musical *St. Louis Loves dem Filipinos* with Franco Laurel and Isay Alvarez. He was featured in the POC's production of *OperaNow* and *An Evening of Puccini* where he sang the role of Goro in scenes from *Madama Butterfly* at the CCP with the Philippine Philharmonic Orchestra conducted by Japanese conductor Yasuo Shinozaki.

Gaerlan has performed as a soloist in concerts with the Philippine Philharmonic Orchestra, China Philharmonic Orchestra and the Hong Kong Bach Choir and Orchestra. He made his operatic debut singing Roberto in the Hong Kong Academy for Performing Arts production of Giacomo Puccini's *Le Villi*.

After studying under a Rosa Ponselle scholarship in New York City, Gaerlan completed his professional diploma studies in western opera at the Hong Kong Academy for Performing Arts where he graduated with distinction. He also holds a bachelor in secondary education, major in music from the University of Baguio.

2008 will be a busy year. Amongst all his singing engagements from the start of this year till next December, he is working on his first cd album scheduled to be launched in time before his solo concert at the Teatrino to be presented by the Philippine Opera Company and directed by Floy Quintos. Gaerlan will also essay the role of Rudolfo in Puccini's *La Boheme* at the Cultural Center of the Philippines in October.

At present he is a Resident Artist of the Philippine Opera Company and the University of Baguio, and the musical director / adviser of the UB Voices Chorale.

IN RETROSPECT

The Meeting That Was 03 May 08

Rtn. Angie Visperas

Last week's meeting was something to behold. It was inspiring enough to see "Young Once" in attendance. They came as spark plugs to the fellowship, provided the much needed camaraderie, improved their Rotary commitment on Attendance. It was a good show alright, something we cannot afford to miss. I counted 9 doctors present. We welcome Rtn. Joe Ramos and his Ann Tess, back from their sojourn in the U.S.

Our neophyte Lady Rotarian, "Gigi" Maranan had her "baptism of fire", assigned as the entertainment master and the entertainer herself. She rendered a poem about letting go of a daughter to wed. (One way of introducing relatives. Hehe). About the poem, Rotarians voiced out their unsolicited interpretations depending on their idiosyncrasies.

PP Ben Cid then introduced the personalities at the head table. We had no visitors. By the way, did you notice the shortened Presidential table? Only 4 seats are available. We wonder what has happened to our credible, traditional Rotary protocol of years back?

PP Diony showed us the rudiments of how to extract hard earned cash from pockets without really trying. An impromptu fining session showing his wit and humor to the delight of everyone.

Treas. Marilyn Barredo the Raffle Queenie handled the raffle very well.

During Members' Time - IP Bert Talco, the Chairman of the upcoming Annual Golfing Fellowship come 17 May 08 reported to us an update of the event. He confided to me that he is handling a sports event he knows so little about. He is asking for more support from the members. So how about it guys? This is the biggest fund raiser of the club yearly, so help.

The other piece of announcement was the Induction of Officers of RY 2008-09 which will be on the first weekend of July 2008.

Pres. Raffy led the club into greeting our Birthday celebrants of the week and ice cream overflowed. The celebrants were PP Veeh, Rtn. Ping Paraan and the Ladilads VP Ben and RA Pres. Cely.

Introduction of the Club Speaker, PP Teop Rondez was handled by PPDoming Valencia. He meticulously prepared a condensed edition of a 6- page curriculum vitae, leaving no stone unturned, describing the man of the hour as having a passion for the academe, A law professor and Dean of the College of Law, BCF, 43 yrs and his service to the community and the City of Baguio.

The speech of the Club Speaker was about the O.F.W. the Filipino migrant workers known as the "Modern Heroes" of our time. Armed with statistic from the POEA, PP Teop presented an impressive, informative talk.

An Open Forum followed. Then, a long Response was given by PP Benny Sunga (not the usual 1 minute response as taught to us). He justified this by the time allotted in the program as 15 minutes.

The Pilipinas Kong Mahal was sung, after which meeting was adjourned at 2:30 PM.

ALILEM A Medical Symphony Episode-V

Farewell...Till we meet again

And now a word about our sponsors...

Our mayor sponsors, The Luzon Hydro Corporation, utilizing the Amburayan river constructed a mini-hydro facility in Amilongan, one of many in Luzon. The plant itself is state of the art, fully computerized installation operating 4 turbines with a generating capacity of 13,800 volts which supplies electricity to several towns in La Union and Ilocos Sur. For more technical information it is recommended that one visits the plant in a guided tour of which Engr. Chris Faelnar, the general manager will give an expert detailed explanation on how the plant operates. Luzon Hydro Corp. has supplied fore free the electric power lines, transformers for the 9 barangays of Alilem. Added to this is its corporate social responsibility project, the Alilem Annual Medical-Dental Mission in partnership with the Rotary Club of Baguio. During the 9 years of the mission, Luzon Hydro Corp provided transportation, food and accommodations for the participants.

Zuelore Pharma with representative former rotarian Allan Branzuela donated boxes of medicines for the mission.

Thank you! Thank you! Thank you!!!

Farewells....

On the second day after a sumptuous lunch (again!) hosted by Mayor Bistoyong, the Rotarians, Anns, Rotakids, Rotaractors, volunteers, the mayor assembled in front of the large covered court for group pictures.

The smiles outshoned the camera flashes, the laughter drowned the clikings, a reflection of the joy of serving the townspeople of Alilem.

The last goodbyes, the handshakes, the hugs preluded the departures. The mayor distributed to the Rotarians “pabaons” of large sweet golden watermelon and green mangoes.

The thoughts, the smiling faces of a grateful gentle people were all over. Undoubtedly many had left their hearts in Alilem but it was time to go home.

Epilogue...

To date since its inception in 1999, 9 years in the running the Alilem Medical Dental Mission had attended served and treated a total of more than 6,000 patients The Rotary Club of Baguio as well as other clubs have had similar service projects bat for sheer magnitude, distance, participation and time (2 days per mission) spent, the Alilem Medical-Dental Mission maybe said to top them all.

For this alone, it is but proper and fitting that after nine years of the Alilem Medical-Dental Mission, its high time to give due recognition to the zeal, the zast and dedication to service of the participants, even just in a very small way by citing them in a sort of Roll of Honor based on the number of times they have participated.

(The names of Rotakids, Rotaractors, volunteers were acknowledged in previous issues of the “Cañao” from 1999 to the present)

The Roll of Honor

Topping the list are PP Chirs Peralta & RAPP Maya, and PP Chris Faelnar and RAPP Yolly - Perfect attendance 9 participants out of 9 missions, followed by former Rotarian Allan Branzuela - 6 time, PP Linda Winter with 5, PP Alfred Laygo, Rtn. Joey Bugayong & RAPP Baby with 4 each, PP Diony Claridad, Rtn Noel Villanueva and Ann Imelda -3, PP Veeh Balajo & spouse Willy, Ali Morales, Juergen Meyer & Ann Remy, Rtn. Herb Meadows & RAPP Cynthia, Treas Marilyn Barredo, PE Mia Cawed 2 times each and followed by former rotarian Crispy Matib, Rtn. Flo Bayquen and spouse Joseph, former rotarian Helen Panglao, Rtn. Pam Perkins, PP Mike Pearson, Pres Raffy Chan & RAPP Josie, Uwe Koeller and ann Sally, former rotarian Johny Go, and RAPP Louise Schlaaff.

These names will forever be immortalized in the annals of what Rotary stand for; “Service Above Self” and more so in the hearts and souls of the people they had served.

PRAYER FOR ALL OVER 70

By: Fr. James Reuter S.J.
 Contributed by: PP Teop Rondez

Lord God, look down upon us, this day, this hour.
 Regardless of what has gone before, or what will come after, give us the grace to consecrate this time entirely to you- all the actions of our body and soul.
 May all the thoughts that come to us be true.
 May all the things to which our hearts go out, be beautiful with the beauty of God.
 May all the things we want, be good.
 Give us the light to see your will, the grace to love it, and the courage and strength to do it.
 Above all, Lord, keep me from thinking that I must say something on every subject, on every occasion.
 Please release me from the desire to straighten out everyone's affairs.
 Lord, let me have a few friends to the end.
 Keep my mind from the recital of endless details.
 Please give me wings to get to the point.
 Please seal my lips about my aches and pains.
 I dare not ask for the grace to enjoy the tales of the pains of others, but help me to endure them with patience.
 I dare not ask for improved memory.
 But please give me the grace to be less cocksure when my memory is challenged.
 Please teach me the glorious lesson that, occasionally, I could be mistaken.
 Keep me - at least reasonably mild tempered.
 I do not ask to be a saint. Some of them, whom I have known, are hard to live with.
 But a sour old person is one of the crowning works of the devil!
 Please give me the insight and the wisdom to see good things in unexpected places.
 Please give me the insight, and the wisdom, to see talents in unexpected people.
 And give me the grace, Lord, to tell them so.
 Please give me the light to see that the most beautiful thing that I will ever have is what I have right now.
 Give me the grace to see that reality, itself, is breathlessly beautiful.
 Give me the courage and the strength to face reality, because this is the first virtue.
 Do not allow me to escape from reality - because this is the first vice.
 Give me the vision to see you in every person.
 Give me the heart to love you in all my friends, in everyone with whom I come in contact.
 Let me know the joy of living, the thrill of loving, the exhilaration of creating the warmth of reaching out to people, and the warmth that comes when they reach out to me.
 Give me the grace to love life, to live it to the full, and to thank you for this beautiful gift.

FOR MOTHER'S DAY

Author: Unknown
 Contributed by: EIC Dhory Vicencio

Why are you crying, a young boy asked his Mom?
 "Because I'm a woman," she told him.
 "I don't understand," he said.
 His Mom just hugged him and said,
 "And you never will, but that's O.K.".....
 Later the little boy asked his father,
 "Why does Mom seem to cry for no reason?"
 "All women cry for no reason," was all his Dad could say.....
 The little boy grew up and became a man, still wondering why women cry.
 Finally he put in a call to God and when God got back to him, he asked "God, why do women cry so easily?"
 GOD answered.....
 "When I made woman,
 I decided she had to be special.
 I made her shoulders
 strong enough to carry
 the weight of the world, yet, made her arms gentle enough to give comfort...
 I gave her the inner strength
 to endure childbirth
 and the rejection
 that many times will come
 even from her own children.
 I gave her a hardness
 that allows her
 to keep going and take care of her family and friends,
 even when everyone else gives up, through sickness and fatigue without complaining....
 I gave her the sensitivity to love her children under any and all circumstances. Even when her child has hurt her badly....
 She has the very special power to make a child's boo-boo feel better and to quell a teenager's anxieties and fears....
 I gave her strength to care for her husband, despite faults and I fashioned her from his rib to protect his heart....
 I gave her wisdom to know that a good husband never hurts his wife, but sometimes tests her strengths and her resolve to stand beside him unflinchingly....
 For all of this hard work,
 I also gave her a tear to shed.
 It is hers to use
 whenever needed and !
 it is her only weakness....
 When you see her cry, tell her how much you love her, and all she does for everyone, and even though she may still cry, you will have made her heart feel good.
 Love your Mother always and keep her smiling.
