PRESIDENT'S CORNER

New Generation Empowerment

Pres. Alberto "Bert" Talco

A warm Rotary Greetings to everyone! It is always my pleasure to see everyone each Saturday healthy and sound!

Last Saturday, we were gifted with a caliber speaker in the person of Ms. Emily Alvarez. Her Video presentation of the successful Solid Waste Management of one Municipality of Davao showed us that Solid Waste is not really a problem but an opportunity. To deal with Solid Waste, what we really need is the political will of our leaders and the discipline and determination of the people. The challenge bestowed to the citizenry of Baguio during its Centennial Year is- can we Regenerate Baguio and Regenerate Life through a sustainable Solid Waste Management? The positive answer will depend on all of us.

SEPTEMBER is designated by Rotary International as the New Generations Month.

In order to focus on all Rotary activities that support the development of young people up to the age of 30. It is the responsibility of each Rotarian to prepare the New Generations by improving their life skills to ensure a better future, while recognizing the diversity of their needs. All clubs and districts are encouraged to undertake projects that support the fundamental needs of the New Generations: health, human values, education, and self-development. The RI Structured Programs for New Generations are Interact, Rotaract, RYLA, and Rotary Youth Exchange. This month, we give emphasis to these programs.

Rotary Clubs too are encouraged to use the slogan "Every Rotarian an Example to Youth" in club bulletins and publicity material during New Generations Month.

This month, we will be working with our New Generation Rotaractors in two scheduled medical and dental missions. One on 14 September at Bineng and the other at Taloy Sur, Tuba Benguet on 21 September 08. The Youth Committee is also challenged to organize an Interact Club and to have a good preparation for the incoming RYLA on 23-25 October 08 at the Subic Freeport Zone.

Last Sunday, 31 August 08, PP Veeh, Sec/PP Gerard, PP Linda, VP Marilyn, PP Mike, EIC Dhory, Business Manager Gigi and yours truly, graced the Induction Ceremonies of our Daughter Club, the Rotary Club of Baguio Sunrise. We are very happy that RCB Sunrise had evolved into a powerhouse club after seven years of its existence. We congratulate the new set of officers and directors and most especially to my classmate "Hero" President, Dominador "Jun" Rojas Jr. We look forward for another successful year for your Club under your able leadership!

Joining the Centennial Dinner last 01 September 08 at Baguio Country Club is a revelation. It was just like attending a regular Rotary affair with the usual Rotary faces around. It was not because of the arm twisting made by PP Mike Pearson in selling the dinner tickets but it is the fact that most of the prominent figures in Baguio are Rotarians. We have the honor of having Rtn. Ping Paraan who delivered the very inspiring Invocation during the said occasion. We congratulate also PP Mike for his invaluable contribution in making the affair a success. The most important part of the program, as far as we Rotarians are concerned, is the signing of the Memorandum of Agreement of cooperation between the Rotary Clubs of Cluster 1-C and the Baguio Centennial Commission with regard to the Centennial Celebration. A cluster project is already in the planning table in this regard. Thank you very much for all those who joined me in celebration of the 99th Charter Anniversary of our beloved City of Baguio!

Today, please join me in welcoming our Guest of Honor and Speaker, DRR Rodrigo Gutierrez. It will be an honor for all of us to have him as our speaker on a pressing topic regarding our youth.

Thought for the week: *"Young men are fitter to invent than to judge, fitter for execution than for counsel, fitter for new projects than for settled business."*
Francis Bacon

DRR RODRIGO GUTIERREZ

Born on 09 December 1985 at Baguio City, Philippines, the youngest son of 5 and raised by his parents Rodrigo Gutierrez Sr. and Myrna Apigo Gutierrez. He finished Elementary at Don Mariano Marcos Memorial State University-Mid La Union Campus in San Fernando City, La Union. He finished High School from same school as the sole recipient of academic excellence and leadership awards. He finished college at Lorma Colleges in San Fernando City, La Union with a degree in Bachelor of Science in Medical Technology last March 2008.

He joined the Rotaract Club year 2006 in Lorma Colleges. Initially, he was the Vice-President of the club, but due to unexpected resignation of the President –elect, he became the President of Rotaract for the RY 2006-07. On same year, he was also the President of Red Cross Youth Council in Lorma Colleges. During his term, he received various awards, commendations and trainings one of which is the Presidential Citation from the Rotary International and from his sponsoring club the Rotary Club of San Fernando La Union Incorporated. He was elected as the Assistant District Rotaract Representative of Area 1 during the RYLA in Baguio City for the RY 2007-08. Being an ADRR is a demanding position but it was a challenge for him. During the recent RYLA held in Subic Freeport Zone, he was nominated and elected as the next District Rotaract Representative of District 3790 for the RY 2008-09. He also had attended international events like the the Asia Pacific Regional Rotaract Conference (APRRC) in Mellaka, Malaysia. According to him, joining Rotaract is fun and very challenging to the youth who tries to render service above self and it is the best club where you can learn leadership skills and trainings.

“ I Asked God “

by: Carol Amaro

Contributed by: RAPP Maya Peralta

I asked God for a minute, He gave me a day.

I asked God for a water, He gave me rain.

I asked God for a flower, He gave me a garden in bloom.

I asked God for light, He gave me sun.

I asked God for strength, He gave me difficulties to make me strong.

I asked God for wisdom, He gave me problems to solve.

I asked God for prosperity, He gave me brawn and brain to work.

I asked God for courage, He gave me dangers to overcome.

I asked God for favors, He gave me prayers and opportunities.

I asked God for a friend, He gave me all of YOU...

I received nothing I wanted...but

I received everything I needed...

My Prayers have been answered.

RETROSPECT

The Meeting That Was 30 August 08

Rtn. Emil Dayrit

It was a happy Saturday afternoon family day at the Training Room of Baguio Country Club. The ever-smiling VP Marilyn Barredo was the Program Coordinator and she made sure that the meeting would start on time at 12:30. Pres Bert Talco called the meeting to order followed by a solemn prayer offered by RAPP Maya Peralta.

Everyone participated in singing the Pambansang Awit. We join hands forming a circle singing the Rotary hymn. Up next is the Entertainment portion prepared by RAPP Cynthia Meadows. First part of the program was rendered by RAPP Coring Visperas who played the song To All The Girls I Loved Before and La Comparsita through the key board. The next part is a couple of songs performed by Rotakid and future Rotarian Kimiyo Meadows entitled Linger by the Cranberries and You Belong to me.

Then, Aud Rolly De Guzman introduced the Visiting Rotarians and Guests while Rtn. Herb Hayes staged a simple game for the Finest Moment afterwards.

During the Members' Time everyone was given a chance to take the mic:

- PP Mike Pearson encouraged the members to attend the dinner for a cause at Baguio Country Club;

- PP Gerard Audineau raised 3 important points. EREY stands for Every Rotarian Every Year. Supporting EREY is a way of contribution to TRF. He also mentioned the utilization of the points obtained from TRF and the payment of PHF intended for Matching Grant;

- PP Veeh Balajo was forced but did it with pleasure announcing the color of Barong for this Rotary year. I hope the color would be lighter.

- VP Marilyn Barredo reminded members to join the medical mission in Barangay Bineg sponsored by Luzon Hydro and on 21 Sept 08 in Taloy Sur Elementary School.

- EIC Dhory Vicencio announced that the Cañao book bind is worth Php 200.00

It is now my fourth Cañao book bind, I will look forward to have more.

In his time, Pres. Bert Talco was happy because 28 Rotarians were present. He also gave praise to Eleven Rotarians who joined the Tri-Seminar in San Fernando La Union. Pres Bert also invited the members to join him in the RCB Sunrise induction of officers. He also mentioned about the first Grand Fellowship night on 13 September 08 and the board resolution being prepared to amend the present rule on PHF raffle. We had ice cream courtesy of birthday celebrants Aud Rolly De Guzman and Rtn. Joey Bugayong. They were presented by the Sunshine Committee a birthday poster signed by all members present during the meeting.

Rtn. Flo Bayquen did a wonderful job introducing our speaker for the meeting. Our speaker was Ms. Emily Alvarez. She talked about a positive look on Waste Management. The following are some points to properly implement Waste Management:

- Educate the people on the principles of waste reduction at source and segregation of waste at source

- Revitalize and instill discipline
- Draw out support and commitment from populace
- Establishment of Materials Recovery Facilities
- Generate revenues and income
- Promote entrepreneurship

She closed her topic by encouraging everyone to help “regenerate the earth to regenerate life”. A heartfelt response came from Rtn. Joe Ursua, followed by the singing of Pilipinas Kong Mahal. The meeting was extended and finally adjourned by Pres Bert Talco.

Program Coordinator VP Marilyn gladly assisted RAPP Coring during entertainment.

RAPP Cynch became a "stage mother" in another impressive entertainment presentation.

Indeed, PP Mike was smiling to himself as per Pres. Bert. Nice shot PP Gerard!

Father and daughter team up never fails to make us appreciate family day.

GHS Emily Alvarez proudly presented their vast accomplishments on waste management.

Rtn. Joe Ursua expressed an emotional and very moving response.

Pres. Bert flashed the "presidential smile" while saying thanks to GHS.

RCC, TRF AND MEMBERSHIPS TRI-SEMINAR RETROSPECT

The TRF and Memberships
Seminar That Was
23 August 08

Rtn. Joe Ursua

After being inspired (also perspired) witnessing the first part of the tri-seminar, we are now ready to transfer to another venue for the second part of the tri-seminar which is entitled Membership Development Seminar.

At around 3:00 PM the group of RCB delegates headed by Pres. Bert and other Officers and I, a baby Rotarian at that again hopped in Sec Gerard's car and proceeded to Oasis Country Resort for another grueling but awe-inspiring listening to very good speakers and enthralling entertainment.

I shared the table with the "Big Guns of RCB" - Pres. Bert, Sec Gerard, Treas. Uwe, VP Marilyn, PP Linda and PP Alfred. The whole ballroom was filled with delegates from RC District 3790. Earlier, some RCB delegates who attended the RCC seminar, PN Mia, Rtn. Emil and Rtn. Flo had drove back to Baguio. We somehow missed them.

While enjoying the camaraderie of RCB delegates and meeting new friends from other clubs from Ilocos to Zambales, there was time for some shopping for locally made goodies like Rotary shirts and memoirs. We also had time to watch the sunset from the verandah of Oasis while breathing second-hand cigarette smoke. I really have to do this because inside the seminar hall, the temperature was even below the coldest temperature in December in Baguio. Every now and then, especially later that evening, PP Linda would blurt out with some exasperation that it was a long and tiring day. She was probably saying that the tri-seminar idea may not be a good idea after all as we were sitting like the whole day and the whole night already. We wished that there were local tours in between lectures (Organizers of future seminars, do you get the idea??).

But again, I was impressed with the great array of speakers in this second part of Tri-sem. I really learned a lot from it. I hope that I may able to remember them in the future. I may not entirely lay them now in this write up because it is hard to recall everything. (As I have told you I was only told to be the retrospector at the end of the Tri-seminar, during the closing ceremonies, so I am recalling all these from memory, so I can only share what I can remember, good thing I do not have Alzheimer's Disease yet).

After listening to these series of lectures, we had anticipated mass officiated by PDG Bishop and he gave a very stirring homily. Then, dinner followed signaling the start of the Rotarian fellowship that evening.

It was complete in contents, there were singing and dancing, eating and sharing jokes and anecdotes in our RCB table. We stayed until around 11:00 PM with the last round of red wine and chichacorn from Agoo provided by VP Marilyn. It may not be an excellent mix but the RCB group lasted with the backdrop of raffle draws and the music provided by a local band and the Ortega singing scholars. Earlier, we were also serenaded by a chorale composed of the orphaned children, which is being supported by the host Clubs Cluster I-B.

All in all, it was a late afternoon of inspiring lectures and speeches given by high caliber speakers. It is also interesting to note that the speakers were Local (meaning Rotarian themselves). They were really excellent and I never dozed off because they were never boring. We really had a blast like that "kwitis" we fired for the GOV. (whistle....BOOM!). (Those who did not attend the tri-seminar..Eat your hearts out). Then we called it a night so that we can be recharged for the next day's task, which is the Digital and Workshops Seminar.

Three important points noted in the Tri-Seminar of 23-24 August 08

A/ EREY Club “Every Rotarian Every Year”

The principle is that a club pays every year to TRF an average of US\$ 100.00 per member. This does not mean that all members has to pay US\$ 100.00 this year. Indeed, if the Club has paid 3 PHF (Pres. Bert, Raffle & Chorale) with 44 members, the club has to pay US\$ 4,400.00, and therefore only the remaining US\$ 1,400.00 has to be paid to TRF. The other members can share this amount.

It is compulsory that all members pay something, even if it is only US\$ 10.00.

B/ Utilization of the RECOGNITION POINTS given by TRF

Some members received RECOGNITION POINTS from TRF (payment to Annual found without recipient).

We can use these points to help a member who wants to complete one PHF but has no necessary fund for that.

A member who wants to complete his PHF payment will have to pay 50% ONLY of the remaining balance and to obtain from another member of the club a number of RECOGNITION POINTS equivalent to the amount in US\$ he has to pay.

Exemple: Pres. Bert needs to pay US\$ 400.00 to have a PHF. He will pay only US\$ 200.00 and PP Gérard will give to him 200 of his recognition points (Recognition and Transfer Request form to be sent).

C/ Payment PHF for MG

To help our District Governor Jess Nicdao, we will always pay to TRF for the Annual Found and the District will allow us the same amount as DDF for our Matching Grant.

a/ The Club pay one PHF for the Annual Fund of TRF.

b/ The Club send the justification of the payment to PDG Vitt, DRFC (District Rotary Foundation Committee Chair) with a copy of the application for a Matching Grant duly signed by the partners, for which the Club needs the US\$ 1,000.00.

c/ Gov. Jess will approve the payment of DDF US\$ 1,000.00 to TRF for this MG.

Triple advantage:

1/ 50% of our payment to annual found will come back to our District in 3 years.

2/ This amount will be included in TRF payment by the Club at Year End review.

3/ We will have a Grant of 100% in place of 50% for this paid amount.

**Great Mind
has a Purpose**

EIC Dhory Vicencio

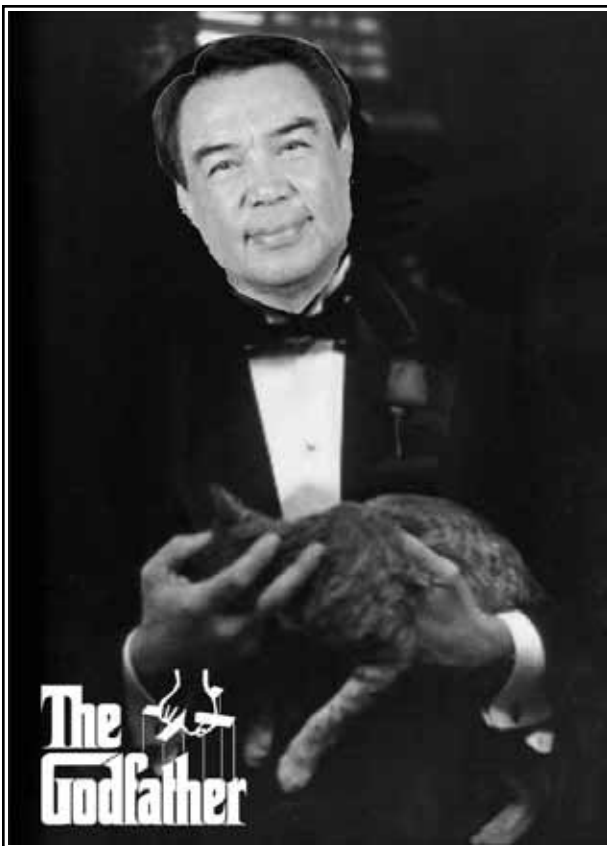

The *Godfather* trilogy presents Vito Corleone as the paradigmatic Mafia don. Even if Vito walks right into an assassin's bullets and survives only through sheer luck, he is still the Godfather *par excellence*. He is wise and intelligent, an excellent reader of others' intentions, and a smooth, subtle talker, able to convince with words, not only bullets.

The Godfather character depicts power and influence. What makes Don Vito distinct is his moral fiber. In the face of survival, struggle and fighting, he manages to uphold the values he truly believes in.

Past President Doming Valencia is the Godfather of Rotary Club of Baguio. He possesses an encompassing power and he is in the position to influence us. He would not be reluctant to use his "own persuasion" when we falter in our Rotary ways.

The paradox of today's comics is that Vito Corleone is the don of organized crimes, while PP Doming is the don of organized fellowship and service.

It is compelling however to point out parallelism of temperament and nature. Beyond plain likeness such as intelligence, smoothness and subtlety, PP Doming, our very own Godfather has the same air of authority and command for respect. The most exceptional thing about Vito Corleone and our PP Doming is the manner in which they conduct their personal lives. Though a ruthless, violent criminal, Vito is a warm, loving father and husband. Undeniably, PP Doming is a warm loving father and husband. He is not as ruthless as Don Vito in conducting his Rotary businesses but his (sometimes) menacing behavior is his warm and loving way of steering the huge Rotary wheel to ultimately lead RCB Rotarians to an imperishable club with most excellently organized services. Truly, the warmth of their humanity makes them appear superhuman

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service.

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR-WAY TEST OF ROTARY

Of all the things we think, say or do:

- 1 Is it the TRUTH?
- 2 Is it FAIR to all concerned?
- 3 Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 Will it be BENEFICIAL to all concerned?
