PRESIDENT'S CORNER

Taking the Club to the Next Level

Pres. Alberto "Bert" Talco

A warm Rotary Greetings to everyone!

Last Saturday, our Guest of Honor and Speaker, District Rotaract Representative (DRR) Rodrigo Gutierrez, had unquestionably proven that the youth is still the hope of the Fatherland (and of Rotary). The youth of today are still full of energy, idealism and dynamism more than ever. It is the role of Rotarians to tap this vast part of society for the furtherance of service. Rotary has an excellent program involving the New Generations with the utmost purpose of training future Rotarians. The pressing question remains. How many of these Youth program alumni became Rotarians? Youth program alumni rarely make the transition into Rotary, a pattern that many consider a missed opportunity. As RI Past President Bill Boyd had said, "If we don't get enough young people into Rotary, then Rotary will die." The Youth really is the hope of the Fatherland and of Rotary if we, the older generation, will just allow them to become so. Invite them into Rotary.

The revelation this week is the need for a constant re-education and re-orientation of our members. There is still a lot of information which most of us do not know by heart. For these information to be authentically transferred to future member Rotarians, it is our duty to continuously educate ourselves. Rotarization should be a continuous process.

The fireside chat conducted last Wednesday, 10 September 08, was a success. Fifteen Rotarians and two Rotary Anns were present for the Rotarization of our three prospective members, namely, Mr. David Reese, Mr. Michelle Swharz and Mr. Johnny Go. It was not only a night of Rotary education for all those who attended, including of course the Rotarians and Rotary Anns, but also a night of fellowship. Please allow me to thank, in behalf of the Club, the Membership Committee under the Chairmanship of PP Chris Peralta and the Host for the affair, Sec. /PP Gerard and Ann Terry for making the first fire-side chat for this Rotary Year a success. We know that there are more to come.

This Saturday, I enjoin everybody to warmly welcome the Honorable Councilor Elaine Sembrano as our Guest of Honor and Speaker. She will talk about the moves of the City Government of Baguio to transform the City Market from a Hot Spot into a Tourist Spot. Surely it will be an interesting talk considering that it is about one of the concerns of most of the Citizens of Baguio.

We have activities lined up within this month. Such activities are the following;

- a) 14 September 08 - Medeleg Mission at Barangay Bineng, Asin, Tuba Benguet
- b) 21 September 08 - Medeleg Mission at Taloy Sur, Tuba, Benguet
- c) 20 September 08 - Rotaract District Assembly at Teachers Camp, Baguio City

Again, I oblige everybody to join us in these activities. Surely, it will all be fun, fellowship and service!

Thought for the week: ***"It takes less time to do a thing right than it does to explain why you did it wrong."*** Henry Longfellow

IN RETROSPECT

The Meeting That Was 06 Sept 08

IPP Raffy Chan

This is my first opportunity to write something for our Cañao after doing almost fifty President's Corners and other articles during my RY 2007-08 stint as your humble RCB President. Hope that my writing skills have not dulled too much. I was requested to fill-in as Retrospector in view of the absence of previously assigned Rtn. Joe Ramos. I agreed to the task because there seemed to be no one else available—since most in the Wolfson Room (venue) were program participants for the day.

As usual, this is another occasion to reprise my favorite format from my past Retrospects in the Cañao. Put this Retrospect side-by-side to the Programme and see how well we did with respect to the schedule. Note that this meeting was finished in record time and with rather efficient dispatch.

- | | | |
|-------|---------------------|--|
| 12:11 | PP Chris Peralta | Program Coordinator for the day was already on-hand for his role as I arrived and registered for this meeting. Fellowship was on-going. A number of visiting Rotarians and guests were notably already also in the room. |
| 12:30 | Pres. Bert Talco | Called the meeting to order. This meeting was started on time... as always. |
| 12:31 | Rtn. Gigi Maranan | Gave a meaningful Invocation, in behalf of all present. |
| 12:33 | (Everyone) | Singing of the Pambansang Awit with usual verve. |
| 12:35 | (Everyone) | Rotary Hymn was sang with everyone holding hands forming a circle. At this juncture, my headcount on all present was at 21. It was be interesting that this would increase (to 29) as the program ensued. |
| 12:37 | Rtn. Angie Visperas | Obligated with the Entertainment by leading with his usual "community singing." A total of seven Rotarians (young and old) obliged with several Rotary songs. |
| 12:47 | EIC Dhory Vicencio | Delivered the Introduction of Guests and Visiting Rotarians. |
| 12:51 | Treas. Uwe Koeller | Imposed fines on the members against the query: "Exactly how many committees or subcommittees are you a member of— during this RY?" With a fine of P100.00 if the answer is incorrect and a fine of P50.00 if correct. Most members ended up paying P100.00. |
| 01:02 | Rtn. Angie Visperas | The RCB "Raffle King" obligingly "gave away" raffle prizes to the lucky members. Winners included: PP Gerard (three wins!), PP Raffy (two wins), Rtn. Ping (two wins), Pres. Bert and Aud. Rolly. |
| 01:09 | (Anyone) | Visiting Rotarian- PP Rey Abellada (of RCB Sunrise) reminded everyone regarding the scheduled District 3790- Voice of Our Youth declamation contest; and that we should field an entry-representative from our RCB. Members' Time was also filled by obliging Rotarians: PP Gerard reminded all present to keep buying entries to support our Paul Harris Fellow (PHF) Raffle initiatives. VP Marilyn invited all to participate in our upcoming Medical Missions. |
| 01:12 | Pres. Bert Talco | President's Time started with the announcement on the forthcoming RCB Fireside Chat for four on Wednesday, 10sep08. It ended with greetings for the Wedding Anniversary of PP Gerard and Spouse Terry, and the Birthday of PP Lito Pangilinan. The ice cream he treated us to was unusually sweet.... |
| 01:16 | PP Linda Winter | Gave the Introduction of the GHS—in her inimitable way. |
| 01:19 | DRR Rod Gutierrez | The visiting District Rotaract Representative is the youngest GHS we have had for the current RY. Barely just 22 years of age, he is our energetic Rotaract volunteer who makes his rounds throughout District 3790 to coordinate among our many Rotaract Clubs. His talk was remarkably interesting. |
| 01:39 | Open Forum | PP Doming, PP Roger, PP Linda, VP Marilyn and PP Teop all obliged with a number of queries which were answered by our visitor. |
| 01:57 | PP Lito Pangilinan | A good and brief Response was given by our Birthday Celebrant. |
| 01:59 | Pres. Bert Talco | Awarded a Plaque of Appreciation to GHS- DRR Rod. |
| 02:01 | Tenor John Gaerlan | Entertainment- Part 2 was given by our RCB friend and constant visitor who obliged with his rendition of three beautiful songs and invited us to watch his upcoming show at the CCP. Ask Manong Angie regarding particulars on this. |
| 02:10 | (Everyone) | Singing of "Pilipinas Kong Mahal". |
| 02:12 | Pres. Bert Talco | Meeting was "declared as adjourned." |

RCC, TRF AND MEMBERSHIPS TRI-SEMINAR RETROSPECT

The Tri-Seminar That Was 24 August 08

EIC Dhory Vicencio

The task of writing the third part of Tri-Seminar Retrospect fell on my lap without a me noticing it. To state a fact, this Retrospect is dedicated to a dear Rotarian friend, Joe Ursua who realized his innate but unknown writing talent (while writing 2 series of Tri-Seminar Retrospect).

I may not be in the best position to compose the Retrospect for the second day of the Tri-Seminar, nonetheless I will do my level best to describe what had transpired on that significant day.

Due to some other important matters to attend to, my attendance to Tri-Seminar was restricted to that of The Rotary Foundation held on 24 August 08 at the Oasis Resort Hotel, San Fernando, La Union. Morning of 24 Aug 08, I hitched with the very kind PN Mia and her entire family down to La Union for the seminar. We did not notice the more than an hour travel as our non-stop-chit-chat filled their car and kept her spouse Bong awake while driving.

We reached the venue a little past nine and we were lucky to hear the first speaker PP Ron Nethercutt discussed about the Digital Rotarian. Other enlightening speeches followed particularly on The Rotary Foundation Programs and A Call to Grow.

The highlight of the seminar, the Panel Discussion and Workshops came and we were divided into six groups:

- Group I – Improving Club Weekly Meetings
- Group II – Enhancing Rotary’s Public Image
- Group III – The Art and Science of Protocol
- Group IV – Matching Grants
- Group V – Group Study Exchange
- Group VI – Strategies of Retaining and Increasing Membership

We entrusted to Pres. Bert and Sec./PP Gerard the assignment of groups and I am very grateful that I was assigned to a very exciting topic with an equally exciting partner Rtn. Joe Ursua. Our group is the second, Enhancing Rotary’s Public Image with DGE Oyan Villanueva and AG Eric Rodriguez.

Our group had a very stimulating interaction. It was not limited to the speech and presentation of DGE Oyan. Instead, a very lively interaction came about. We realized that to enhance the public image of the club other Rotary clubs are exerting so much effort. Some are very innovative and trendy, while others are still using the traditional PR tools. DGE Oyan was very interesting and the discussion was very thought provoking. Enhancing Rotary’s Public Image is a new challenge to all of us and this is a challenge that we must take on now.

I have not been part of the other groups, but with the looks on the faces of my co-Rotarians, I conclude that they went well too. At least, we all have an idea which topics were touched during the seminar and we can now expect our representatives to be well versed in these facets of Rotary.

After the panel discussions and workshops, lunch was served. Before the culmination of the seminar, a very stirring speech was delivered by PDG Mar Un Campo III. Another highlight of the day’s event, I must say.

Then, DG Jess Nicdao gave his closing remarks and adjourned the seminar with obvious fulfillment. An event would not be complete without raffles, hence the final part is the district raffle.

We headed back to Baguio City afterwards, with renewed Rotary energy, contemporary Rotary knowledge and stronger Rotary fellowship.

FIRE SIDE CHAT

10 September 08

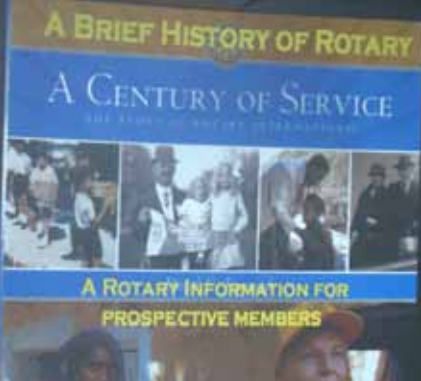

Images by
PP/Sec. Gerard Audineau

Captions by
EIC Dhory Vicencio

The recreational room of PP Gerard's residence suddenly became RCB's haven.

PP Doming definitely did a lot of preparation for his comprehensive presentation.

Pres. Bert was smiling both for the good meal on the table and good attendance of Rotarians.

PP Linda posed elegantly on cam as she would not be caught with mouthful of food.

We knew the cam was clicking, no one dared to eat on cam...smile!

Everybody was minding his own business or should I say dinner?

The first fireside chat for this Rotary year was a great success. Congratulations to all!

**Great Mind
has a Purpose**

EIC Dhory Vicencio

Indulge me with your participation in pretending that our dearest PP Veeh Balajo is simply called **V**.

Rotary Year 1997-98, the Rotary Club of Baguio, for the first time had a lady President in the person of Vicenia “Veeh” Balajo.

For the first time in the Bond series, a female actress plays the character of **M**. When the award-winning actress Judi Dench played the role of **M**, she crossed-over the stereotype characterization of **M** in James Bond series. **V** traversed the traditional male presidency in Rotary Club of Baguio.

Now, let us dissect more on these two characters....**M** is the confident, respected, commanding boss of James Bond. (PP Veeh) **V** is the poised, valued, persuasive adviser of this year’s James Bond – President Bert Talco. **M** and **V** both maintain arresting qualities, which allow them to not only play it so good, but also dominate the male game arena.

An absolute challenge and the enigma of our

characters **M** and **V** is not only how to play their respective roles effectively but to surpass their own accustomed capabilities.

M is the wind beneath Bond’s wings but initially unsure about the new **M**, Bond soon finds out that his boss is now as formal as ever. In Goldeneye there is serious tension between **M** and Bond. **M** asserts her authority over Bond. **M** gets straight to the point by telling Bond that he is a “relic of the cold war” and whose “boyish charms” won’t cut it with her.

V likewise is the wind beneath the President’s wings. Strongly or charmingly, whatever it takes, she makes sure to spread the wings of the President to fly high, to maintain the maximum velocity and to conquer the Rotary world with supreme agility to ultimately pull off his mission.

V may be interpreted as vigorous, vivacious, vital, vocal, vulnerable, vibrant, vigilant, vogue, valiant, valued, venus, versatile, veteran. Whereas our one and only (PP) **Vicenia Balajo** also known as **V** is the **Visionary** of Rotary Club of Baguio. She is the creative thinker who sees beyond the ordinary realm of life in order to orchestrate strategies for her agents (President and the Board of Directors) to direct them in accomplishing their immense tasks as if saving not just one person, not even a whole nation, but the entire world and humanity.

Youth Poem

By: Samuel Ullman

Youth is not a time of life - it is a state of mind,
it is a temper of the will,
a quality of the imagination,
a vigor of the emotions,
a predominance of courage over timidity,
of the appetite for adventure over love of ease.

Nobody grows old by merely living a number of years.

People grow old only by deserting their ideals.

Years wrinkle the skin,
but to give up enthusiasm wrinkles the soul.

Worry, doubt, self-distrust,
fear and despair - these are the long,
long years that bow the head and
turn the growing spirit back to dust.

Whether they are sixteen or seventy,
there is in every being's heart
the love of wonder,
the sweet amazement at the stars
and starlike things and thoughts,
the undaunted challenge of events,
the unfailing childlike appetite
for what is to come next,
and the joy and the game of life.

You are as young as your faith,
as old as your doubt;
as young as your self-confidence,
as old as your fear,
as young as your hope,
as old as your despair.

When the wires are all down
and all the innermost core of your heart
is covered with the snows of pessimism
and the ice of cynicism,
then you are grown old indeed.

But so long as your heart receives messages
of beauty, cheer, courage, grandeur
and power from the earth,
from man and from the Infinite,
so long you are young.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service.

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR-WAY TEST OF ROTARY

Of all the things we think, say or do:

- 1** Is it the TRUTH?
- 2** Is it FAIR to all concerned?
- 3** Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4** Will it be BENEFICIAL to all concerned?
