## PRESIDENT'S CORNER

### From Goals To Action

Pres. Alberto "Bert" Talco

Rotary Greetings to everyone!

The meeting last Saturday at Villa Cordillera, 13 September 08, was an exciting one. It was attended by 29 excited Rotarians and two Rotary Anns. With the enormous problems besetting our beloved city these days, having Councilor Elaine Sembrano as our GHS was most welcomed. Her topic, City Market: From Hot Spot to Tourist Spot, touched only one of the present city's concerns. The city market of old, which every one of us know and can still remember, may not already be restored. It is a painful reality but despite the presence of the modern malls around the city, it remains that the City Market is the center of tourism. You can not say that you have visited the City of Baguio if you will not bring home with you a broom "boyboy", a kilo of fresh strawberry or a bottle of strawberry jam, a piece of woodcarving, a bag full of Baguio vegetables, a bottle of ube jam, and if you are lucky, some everlasting flowers. With the plans and actions presented by our GHS, who is the present chairperson of the Committee on Market, Trade and Commerce, we hope and pray that our Tourists, when they visit our City Market, will again feel the ambiance of the Baguio City Market of old. For this to be realized, of course it will always boil down to that simple formula involving the political will of the elected officials and the discipline of the citizenry of the City of Baguio.

The first Medical and Dental Mission last Sunday, 14 Sept. 08, held at Barangay Bineng, La Trinidad Benguet, was a success. We credit it to our well organized network of our partners in service. We have Aboitiz Hydro-Electric company and its staff - our major sponsor; our Rotaractors from SLU and UB; our Rotary Anns and kids and of course, our active members. Doing service to more than two hundred fifty (250) patients in a day was self-fulfilling for the 7 Rotarians, 2 Rotary Anns, 1 Rota-kid, 5 SLU medical Rotaractors, 5 UB dental Rotaractors and the various Aboitiz staff members who were present last Sunday. We encourage more members to join us and enjoy having fellowship and service next time!

May I take this opportunity to extend my appreciation to PP Linda, Sec./PP Gerard, EIC Dhory and Rtn. Joe Ursua who joined me last Tuesday, 16 September 08, in the 22<sup>nd</sup> Charter Anniversary celebration of the Rotary Club of Metro-Baguio. It is always an honor for other Clubs to have anyone from the Mother Club as guest.

This week, our partners in service at Luding, Taloy Sur and Poyopoy are busy preparing for our scheduled MEDELEG on Sunday, 21 September 08, at the Taloy Sur Elementary School. Aside from the medical, dental and legal mission, advocacy and trainings are also being planned for these adopted communities. In this regard, I encourage everyone to join in this endeavor of service. This is our project and it is the commitment of everyone to make it successful. We show to these communities that we really care.

At 9:00 AM today, we will be joining our Rotaractors in their own District Assembly. Our support is needed as always.

In this Saturday meeting, we have all the reasons to celebrate. Firstly, we will have Ms. Rachele Canil, one of our scholars, as our GHS. Her topic: My Vision of Me, 10 years from now, will motivate us further to continue and bolster our scholarship program. Secondly, we will be inducting new members into our Club. Becoming a golden Club once more is one of our goals and this will be a positive start. Thirdly, we will again have fellowship. We always look forward to seeing each other every week end.

We offer our sincerest condolences to our former scholar, Melanie Tabuno for the demise of her father Rodolfo C. Tabuno. Let us offer our prayers for our departed brother and for his bereaved family.

Thought for the week: *Oversleeping will never make dreams come true.*

## RETROSPECT

### The Meeting That Was 13 September 08

Rtn. Flo Bayquen

Our temporary venue, Villa Cordillera turned out to be small for the Rotary Club of Baguio this meeting with a very good attendance from our club members.

Our Speaker for the Day, Councilor Elaine Sembrano was one of the early birds, despite of being unaware of the change of venue. Everyone seems to be in high spirits. Greetings through handshakes, waves & beso-beso were all over the place. This is what Rotarians miss when they are not around in a regular meeting, the feeling of belonging to a warm family outside home.

- 12:30 President Bert was all smiles when he called the meeting to order and Program Coordinator, Treas. Uwe Koeller took over.
- 12:31 Sec./PP Gerard Audineau led us in prayer.
- 12:33 The singing of the Pambansang Awit followed.
- 12:35 To give more feelings to the singing of the Rotary Hymn, everyone held each other's hands forming a circle.
- 12:37 Director Ben Ladilad was the lone entertainer of the day. His jokes were derived from Australia, Ilocandia and other sources. We miss the singing this time. I felt like I was in another Rotary Club.
- 12:47 Rtn. Joe Ursua, no longer a baby Rotarian, first introduced the personalities at head table with no difficulty. He already knows everybody. Rotary Anns Gene de Guia & Leonie San Agustin were the only Anns present in this meeting.
- 1:00 PP Helmut Schlaff did the Finest Moments in a different style. While he carried his stuff to the rostrum, everyone was curious what he was going to do. It turned out that he was going to give us information on how to save water and energy. Almost all Rotarians were fined in exchange of energy saving gadgets or print-outs.
- 1:15 Raffle King Angie Visperas made the following happy after winning very useful prizes: RAPP Gene de Guia, EIC, Dhory, PP Mike, PP Teop & Sec./PP Gerard.
- 1:25 Members' Time. PP Gerard asked who left some things during the Fireside Chat in his house. PP Doming asked the Board of Directors to submit & print the final list of all the committee chairs and members. PP Mike reported the result of the attendance in the Centennial Dinner. VP Marlyn reminded everyone of the Medeleg in Bineng, on Sunday, 14 Sept. 08 and EIC Dhory asked the members to order a copy of the hard-bound Cañao for Rotary Year 2007-08.
- 1:40 President's Time. Pres. Bert welcomed back PP Helmut. He thanked PP Gerard for hosting the Fireside Chat in his residence and likewise the Rotarians who were present. He announced the invitation of RCMetro Baguio on 16 Sept. 08, Tuesday, BCC, 6:00 PM and the Rotaract District affair on 20 Sept. 08, Teacher's Camp. Enjoined everyone to greet PP Teop a happy birthday.
- 1:45 PP Teop Rondez started his introduction of the GHS by citing the importance of women to the delight of the ladies in the audience. With his usual eloquence, he described the GHS as a very hard-working lady councilor and a woman of substance.
- 1:50 Guest of Honor & Speaker Councilor Elaine Sembrano shared her jokes first before delivering her 4-page speech. She praised Rotary for the outstanding services to mankind. She enlightened our club with regards to one of the concerns of her constituents, that is, the state of Baguio City's city market. She was also not spared from answering questions regarding waste management.
- 2:10 Open Forum. IPP Raffy, PP Ping, PN Mia, RAPP Leony San Agustin, PP Doming, RAPP Gene de Guia, PP Roger Naz & PP Teop asked questions but if PP Mike's count were right, we ended up having 6 more speeches this meeting.
- 3:00 PP Mike Pearson gave the response, with his usual wit and humor. Pres. Bert awarded the Plaque of Appreciation to the GHS.
- 3:05 Singing of the Pilipinas kong Mahal.
- 3:07 Pres. Bert adjourned the meeting.

Treas. Uwe: "Let me relax while Dir. Ben is entertaining us. It's going to be a long afternoon."

Dir. Ben: "Oh c'mon I know you are all excited to see me. Laugh now as a sign of your appreciation."

Rtn. Gigi: "Shhhhh keep quiet Joe, or else they will assign more tasks to us not-so-baby-Rotarians."

PP Helmut: "Good afternoon! Are you ready with our environmental-friendly finest moments?"

PP Doming: "Don't be shy madam M, oh I mean Veeh. I am still the most famous comic character, Godfather"

PP Mike: "I will be nice coz I have to maintain my goodwill, but then I want to ask questions too!!!"

Pres. Bert: "Thank you, Madam. We appreciate your speech. We hope you will also appreciate our token"

When I chose to be Evita, I chose the path of my people.”

- Eva Peron

An extremely strong line, so enthralling, that it successfully captivated me for today’s comics.

Evita, the name by which Argentine’s beloved First Lady Eva Duarte Peron was known to the world.

Who was really Evita? Some say, the message, not the messenger is important. Today, the life of the messenger, Evita is shrouded in myth and legend. What we can know for certain are her thoughts and words recorded for posterity in the books and other published speeches. By understanding the tremendous vision she shared with her husband Juan Peron, we can grasp something of her timeless greatness.

To reveal the remarkable persona of PP Linda Winter, we shall equate the testimonials and views about the equally amazing Evita.

“ I liked the way this woman thought and worked. I thought she wasn’t like the others. She had something very superior to the others in the way she talked and in her suggestions. She was practical and had new ideas. *Good very well*, I said to her then, *It’s your idea, you organize it*. And that’s the way it was. She organized everything”  
– Pres. Juan Peron

**“ The truth, PP Linda Winter is a one-man army worker” – Pres. Bert Talco**

From the biographies of Evita Peron:

Evita: The Real Life of Eva Peron

“This beautiful woman loved the poor and gave up her life to them. She would see them, kiss them, and all the cameras and lights did not alter the simplicity of this religious tableau.”

**“Lovely PPLinda works for Rotary, now particularly involved with the Rotary Community Corps away from the limelight and utterly for the love of people.”**

- Editor

Eva Peron: The Myths of a Woman (Religion and Postmodernism Series)

“In the images examined, the three elements consistently linked - femininity, mystical or spiritual power, and revolutionary leadership”

**“PP Linda incessantly exudes “X” factors as she portrays a lady, mystery, life-force and innovative leadership.” – Editor**

To recapitulate the comparable timeless greatness of our PP Linda with that of Evita, we begin by stating that these two women are women of power, one is of the nation and the other is of the club and community. Powers they may hold in their hands but service with all conviction is what they share to one and all. Both are inspirations to their people. So loved by many, yet humble heart remains in their being. Steadfast workers, yes they are but innate glamour they still possess even at the toughest moment. Both are forever inspirations to women, children and men as they are women of strength...believe me or not, both have more strength than they appear to have, for they were born to achieve the greatest feats that will be remembered through generations.

When they speak...people listen; when they appear... people stare; when they walk...people follow...that’s the magic of Evita...that’s the magic of Linda!

## OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

### FIRST.

The development of acquaintance as an opportunity for service.

### SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

### THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

### FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

## FOUR-WAY TEST OF ROTARY

Of all the things we think, say or do:

- 1** Is it the TRUTH?
- 2** Is it FAIR to all concerned?
- 3** Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4** Will it be BENEFICIAL to all concerned?
