The President's Corner

November is Rotary Foundation Month

Pres. Alberto "Bert" Talco

Rotary Greetings!

After a Saturday off, we are back on the Rotary track. I know the membership is just as eager as I am in once again taking hold of the reins of responsibility which keeps the energy in the Club turning.

Last Wednesday, 29 October 2008, the Board conducted its meeting at the residence of PP Chris Peralta. We are grateful for the warm invitation PP Chris has given for the use of his home which remains open, whether he is in town or out of town or in the country or not. And yes, welcome home PP Chris and RAPP Maya!

At the meeting, many laudable projects have been discussed and about ready for further consultation with the membership. Priority projects are:

1. PN Mia will organize the Golf and Christmas Party Committees.
2. Grand Fellowship Party for birthday and wedding anniversary celebrants for the first and second quarter of RY 2008-2009 which is scheduled on 08 November 2008 at Abanao Square, Baguio City. Everybody is welcome!
3. TOYA (Ten Outstanding Youth Athlete Awards) to be sponsored by the Club scheduled for 6 December 2008. Jojin Tamayo, Sports Editor, Baguio Midland Courier, was in attendance to brief the Board on how the project will be handled.
4. Medical Mission will be on 29-30 November 2008 to be held at Kayapa, Bakun, Benguet, sponsored by the Club's partner in service, Luzon Hydro.
5. Fireside Chat for future Rotarian Libby Rillera-Fernandez
6. Interact Club Induction to be coordinated by VP Marilyn.
7. Matching Grant for Hearing Impaired processing is completed.
8. Paul Harris Raffle Tickets- all tickets are considered sold covering at least 10 sustaining members.

Last Wednesday, 05 November 2008, future Rotarian Libby Fernandez was rotarized at the residence of Sec. Gérard Audineau. After a thorough review of what truly Rotary stands for and related topics, our future Rotarian is scheduled to be inducted on 15 November 2008.

As early as now, we welcome Libby to the Club! Thank you too, Sec. Gerard and Ann Terry for your generosity allowing us to have the rotarization in your home. With us where Sec. Gerard and Ann Terry, Treas. Uwe, Dir. Ben and Rotary Ann President Cely, Rotarian Flo, Rtn. Naas and PP Diony.

The Committee on Golf had their first meeting last Thursday, 06 November 2008 attended by PN Mia, Sec. Gerard, Rtn. Flo, Rtn. Gigi and yours truly. Preliminary discussions were made in preparation for the 4th Leg of the Governor's Cup set for 13 March 2009.

This Saturday, 08 November 2008, PN Mia will be attending the Pre-PESETS at Venus Park View Hotel, Baguio City. With the early training the Club is assured of a working leadership for the next term.

November is Rotary Foundation Month. In celebration to this month, Sec. Gérard Audineau, the Club's Chair of Rotary Foundation and International Service, will be the Club Speaker in this Saturday's meeting and he will delve on matching grants.

Thought for the week: *"You get more than you give when you give more than you get."*

Feature

The Rotary Foundation

What changes are being made to the Foundation recognition programs?

1. Paul Harris Fellow medallions will not be provided automatically but will be available for purchase.
2. The individual donor will be the only person authorized to transfer Foundation recognition points.
3. Foundation recognition points will expire upon the death of the donor or the death of the surviving spouse of a Major Donor (US\$10,000+).
4. Foundation recognition points and recognition amounts will only be transferred for transactions of 500 points or more.
5. New wearable recognition will be issued to Arch C. Klumph Society members.

When will changes to the recognition process take effect?

The new policies take effect 1 July 2009.

When will the new wearable recognition be available?

The Arch C. Klumph Society pins should be available by 30 September, pending approval of designs. A pin will be mailed to all current society members in December.

Why are these changes being made?

It has long been the wish of The Rotary Foundation Trustees to simplify the Foundation's programs and allow more resources to meet donors' expectations. The Future Vision Plan and these changes are intended to simplify the recognition program and, therefore, make the Foundation a more efficient, timely, and cost-effective steward of the gifts of many Rotarian and non-Rotarian donors.

Will club presidents still be able to transfer Foundation recognition points from members' IDs?

Historically, Rotary club presidents have been allowed to authorize transfers of Foundation recognition points from the IDs of current and former members of their club. Once this change is implemented, only the individual donor may transfer Foundation recognition points from their ID.

What does it mean that Foundation recognition points expire upon the death of the donor or the death of the surviving spouse of a Major Donor?

Because only the donor will be authorized to transfer Foundation recognition points, any remaining points will expire after the donor's death. A surviving spouse of a Major Donor, however, may still authorize transfers on the donor's behalf.

What does the new 500 point threshold for transfers mean?

Though individuals, clubs, and districts may still transfer Foundation recognition points to name new Paul Harris Fellows and present further Paul Harris recognition awards, the minimum transfer from an account will be 500 points. Transfer requests of less than 500 points, or Paul Harris Fellow recognition amounts, would not be processed.

What does it mean that Paul Harris Fellow medallions are available for purchase?

The standard recognition materials will no longer include the current Paul Harris Fellow medallions. This item is optional and will be shipped only by special order. Recognition practices will be assessed on an ongoing basis to ensure the goals of the organization are achieved.

In Retrospect

The Meeting That Was 25 October

PP Mike Pearson

Every member of the Club has their own way of writing up “what happened” each week. The various perceptions that each member has can be seen to a certain extent in the In Retrospect. I like to do my interpretation of the just-concluded Rotary Club of Baguio weekly meeting as soon as possible, so that things are still

“fresh” in my mind. Well, all plans are meant to be disrupted from time to time; in this case, I lost my notes and we had a holiday in between (All Saints / All Souls).

Fortunately (?) I am a Past President and therefore can make things up as I go along – at least that is what Past Presidents are suppose to be good at doing (cough). Two weeks have passed since our last meeting so hopefully your memories will be fuzzy too.

I remember walking into the meeting as the Invocation was being done and two things came to mind immediately; one, there were a lot of people in the room (it was also Spouses’ Day) and two, the room was very quiet – even with RAPP Leonie San Agustin there. Wow. So I looked to the rostrum and the reason for the silence was answered – RAPP Coring Visperas had written another very meaningful Invocation and she was reading it, not Rotarian Angie! (cough cough)

The Pambansang Awit and Rotary Hymn were sung with gusto even if Past President Benny Sunga came in late and missed the early parts of the Program. With soon-to-be Incoming District Secretary Linda Winter as Program Coordinator, things started to move along – President Cely (for life?) Ladilad presided over our Entertainment and brought a guest to play for us – Levie Pecyot was excellent on the guitar. Next, we had Past President Diony Claridad – who seems to be so involved with the Club nowadays (I am impressed *apo*). In fact, PP Diony is so involved, he was the Entertainment on his own birthday!

The things that came to my attention included the fact that it is always good to see so many spouses attending our meetings – and even better to see Rotarian Chris Faelnar back from his 8 months Leave of Absence. We missed him (cough). I haven’t been around as much lately but was surprised to learn we had a new member who must have bought so many raffle tickets – Rotarian “Not Taken” was picked to win many times; PP Diony won in the raffle, as did PP Benny...and RAPP Leonie did too! No wonder there weren’t too many questions asked later on in the Program.

For a few moments it looked like there wasn’t going to be a Finest Moments portion but Past President Alfred Laygo managed to struggle through the door just in time to do his share. PP Alfred looks almost the same as the last time we saw him a long time ago when he last attended a meeting (cough cough). However, as a true RCB Past President, he did an interesting Finest Moments and had everyone laughing as they pulled out their money to pay their fines for the day.

For Members’ Time, Secretary Gerard reminded us all about the Paul Harris Raffle that the Club has as an ongoing project – I hope you all have bought tickets! The Club also had a medical mission coming up (we are doing a lot, President Bert) and everyone in the room seemed to be enjoying their version of “Rotary”.

This is getting to be a long Retrospect. There must have been a lot going on – and there was more! With President’s Time, we had our Vocational awardees present – employees of the Baguio Country Club – and they were all deserving winners and in fact, help the members of RCB out quite a lot on a regular basis (especially me). Whoever thought of them as the potential vocational awardees ought to be congratulated, very appropriate indeed. There was even a prepared acceptance speech! The Club also greeted Rotarian Pam Perkins and PP Diony Claridad a very happy birthday(s).

SO finally, after all this, we came to the meat of the Program – and Rotarian Ping Paraan was asked to introduce our guest speaker for the day. A full Rotary day already and now we had an interesting topic to listen to and dwell on. Gangs. Gang members.

Barangay Captain (and retired Air Force Colonel) Alberto Reyes has been serving the community as an elected official of his barangay AND he has also been working with the various gangs and fraternities in Baguio City for the last couple of years. He gave us an extremely clear picture of how things stand in the City – and many of our members were shocked at how many gangs there were now. I was shocked that Manang Leonie allowed Manong Ping Paraan to become a gang member eons ago (cough).

An interesting speaker led to many questions in the Open Forum. Why kids join gangs, who are they, where are they from – led to discussions on poverty and parental care. PP Diony (again!) gave the Club’s Response and President Bert presented a token of our appreciation; The Pilipinas Kong Mahal was sung and our favourite President banged the gong to end another fruitful Rotary Club of Baguio meeting. Whew. Jam-packed day, with so much going on! So ended the last Club meeting of October 2009....

RI President Message

Dong Kurn Lee
November 2008

Dear fellow Rotarians,

The mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill, and peace through the improvement of health, the support of education, and the alleviation of poverty.

It sounds so simple, yet it means so much.

It means so much to every one of the people touched by Foundation-supported programs every year – the children too poor to go to school, the families who have lost everything in a disaster, the communities that lack sanitation, clean water, and medical care.

It means so much to the two billion children now living lives free from polio. Because of the work that the Foundation has helped support, five million cases of paralysis and more than 250,000 deaths from polio have been prevented.

Today, we are in what we hope will be the last stages of the fight against polio. All of you have helped through your support of our Foundation. Through the Foundation, we are able to be part of the day-to-day work of polio eradication by helping supply the transportation, the fliers, the advertisements, and even the lollipops to ensure we reach all children with the essential oral polio vaccine and make each round of immunization a success.

Those of you who have participated in a National Immunization Day know exactly what I'm talking about when I say there's nothing like it – nothing like knowing you're being a part of saving lives and making history. And if you can't be there yourself, then being part of the work through our Foundation is the next best thing.

Why do we have a Foundation? We have a Foundation because our Foundation lifts Rotary up. It lets every club and every district do the most it possibly can. It allows every one of us to be part of all of Rotary's work, and it brings that work to greater and greater heights.

As we celebrate Rotary Foundation Month, we should all remember that The Rotary Foundation is our Foundation. It's here for us and because of us; it allows us to do more, to be more, and to bring more hope to the world. The responsibility for keeping our Foundation strong lies with each of us.

The 8th Bakun Medeleg Mission 2008

A Nature Adventure

PP Roger Naz

Part –I

Day 1, Friday 17 October, 2008

“The Road to Bakun”

The MEDELEG (Medical-Dental-Legal) group composed of Rotarians; mission master PP Chris Peralta, mission sponsor Hedcor VP Rotarian Chris Faelnar, Pres. Bert Talco, PP Linda Winter, PP Diony Claridad, PP Lito Pangilinan, PP Roger Naz, guests; Libby Fernandez, Raff, Rotary Anns RAPP Maya Peralta, Josie Pangilinan, Rotakids, Jennifer Winter, Margot Schlaaff, Johnjohn and Winzel Talco, Lloyd Peralta and Minnie Fernandez, JR Claridad, Jemuel Laygo and a baby bus load of UB Dental students, all Rotaractors, plus Hedcor Personnel Manny Yapyapan, Oscar Opena, and driver Dong; at about 10:00AM were off on their way to the first leg of the trip to Bakun.

The caravan composed of three SUVs, a van, and a baby bus drove east along the smooth concrete Halsema highway then made a lunch stopover at the Philippine National Highway’s highest elevation (7, 400 feet) view deck.

A panoramic view of the cordillera mountain ranges served as a backdrop for the party as they picnicked on chicken joy and dessert supplement of “tupig”. Picture taking followed and they embarked on the second and final leg of the journey.

Branching out to the left of Halsema highway, going north is the Bakun Ampusongan road. The intrepid missionaries especially the first-timers had the thrill and experience of their lives in the roller coaster, indy loop ride on the narrow, undulating zigzag gravel road punctuated only by short stretches of concrete tire tracks. It was a shake, rattle and roll bumpy adventure, a heavy tracks massage that everyone was on the lookout for the kilometer posts which seemed like eternity to appear but then along the seemingly endless dirt road were wonders to behold; mountain sides verdant with new growths of regal pine trees, giant trees, varied florae mini vegetables terraces, water falls, sights which soothed the tired aching necks, legs and limbs. Scenes that will forever remain in memories. It was a good two hour on a less than 40 kilometer trip but the trick was a thousand times worth it.

About a kilometer away loomed at last, the poblacion of Bakun. The poblacion is quaint village with a municipal hall perched upon a hill, a barangay hall, public and secondary schools, up north a chapel and small houses dotting the hillsides, Nestled in a land basin cradled by mist kissed mountain peaks interlaced by drapery-like graceful waterfalls, topped on the northwest by the mountain ridge profile of “Kabunian” who must be the sentinel of this Shangri-la of the Cordilleras. The place really reaches the heart and soul, It is a gift of God.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service.

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR-WAY TEST OF ROTARY

Of all the things we think, say or do:

- 1** Is it the TRUTH?
- 2** Is it FAIR to all concerned?
- 3** Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4** Will it be BENEFICIAL to all concerned?
