PRESIDENT'S CORNER

Rotary Extends Beyond Boundaries Too!

Pres. Alberto "Bert" Talco

Rotary Greetings everyone! December is Family Month in Rotary. Join me in welcoming the Baby Jesus in our families!

The meeting last Saturday, 29 November 08, was an eye opener to all of us, especially the information that malnutrition is prevalent in our region. This information poses a great challenge not only to our Club and this is one problem we truly need to address.

The figures presented by our speaker, Dr. Micaela Carino Marquez-Defiesta, is quite alarming which truly needs immediate attention. The 3-H Grant Project being studied by Sec. PP Gerard specifically a feeding program and the spirulina culture is one solution to this growing problem.

Just after the Club's regular meeting the medical mission group headed by the medical mission tandem, PP Chris Peralta and Rotarian Chris Faelnar, took a long drive to Amilongan, Alilem, Ilocos Sur. This place is the night- stop over for a medical mission at Kayapa, Bakun, Benguet, 30 November 08. Two hundred eighteen (218) patients, including an old lady carried in a hammock for four (4) hours, were served by this medical mission.

We never stop thanking our usual patrons and partners in service. We hope that this out of town endeavor will not end. For Rotary, in its commitment to service, extends beyond boundaries too!

The TOYA Committee co-chaired by IPP Raffy met last Monday, 1 December 2008, to finalize the list of young athlete awardees. The ten deserving athletes will be awarded today, 06 December 08, at our regular meeting. We thank Mr. Jogin Tamayo for making this project a success. Without his passion, sacrifice and concern, our young athletes would not have that recognition they have truly earned. Congratulations to the awardees too! We are proud of you...more power!

The Hero Presidents of Cluster I-C, together with their partners in service, the medical communities have finalized the setting for the medical community outreach scheduled for 16, 17 and 18, 2009 to be held at the Convention Center and at the Dental Department of the University of Baguio. We enjoin the membership, the Rotary Anns, the Rotakids, the Rotaractors, Interactors and guests to participate in this great venture and let the city experience service the Rotary way!

Another milestone – Election Day! The workforce of PE Mia will be named by the membership today. Knowing the unending line-up of qualified, committed, enduring and all- out- Rotary -spirited membership, making the choices would simply be that easy!

Congratulations in advance for the chosen leaders for the coming Rotary Year! Of course we welcome our PN for Rotary Year 2010-2011!

Rtn. Joe Ursua will be our Club Speaker today who will speak primarily on health issues affecting women specifically, OB Gyn Sonology. It will be an interesting topic considering that it will be coming from the expertise of our gentleman member.

This Sunday, 05 December 08, the Community Service Committee, fellow Rotarians and Anns will again visit our adopted community, Luding, to deliver the micro credit fund as requested. The Board agreed to bring out Php 80,000.00 from the community fund. This amount is timely for the planting season in the said area. RCC Luding has proven responsible management of past micro credit funds since the time of PP Helmut.

Thought for the week: ***"Your Family is your fire, the flame that keeps you warm, lights your path and fuels your heart."*** (Author Unknown)

IN RETROSPECT

**The Meeting That Was
29 November 08**

Rtn. Herb Meadows

Our Program Coordinator for the afternoon was PP Benny Sunga. At 12:30 President Bert Talco dutifully called the meeting to order. An inspirational Invocation was delivered by Rotary Ann President Cely Ladilad. As protocol dictates, we all joined in the singing of the Pambansang Awit and Rotary Hymn.

Since our Entertainment assignee was absent, PP Benny and yours truly took over and led everyone in the singing of two Christmas classics: White Christmas and Jingle Bells. Yes two classic songs rendered by two classy guys. The Introduction of Visiting Rotarians and Guests was pleasantly handled by Director Cecille Apostol. PP Veeh Balajo delivered Finest Moments by informing us on the etymology of our given names. PP Veeh proved herself to be a triple threat: entertaining, informative and taking our money while smiling. Raffle time was handled by Rtn. Pres. Cely and RAPP Josie Chan. They featured the seasonally appropriate gifts of poinsettia plants and a donation by PP Benny of dinner for two.

Members' Time brought PP Lito Pangilinan to the podium in his request for more consumables for future raffle prizes. PP Lito also put out a call for alcoholic and non for the upcoming Christmas party scheduled for 13 December 08. What would Members' Time be without the Past President- PP Mike Pearson announced the Brent School Christmas Bazaar, PP Gerard Audineau reminded the members of the raffle tickets for a Paul Harris, and Treasurer Uwe Koeller stated the Christmas party assessment would be Php 500 per member and Php350 per guest.

President Bert took the podium to inform the body of the upcoming club election scheduled for 06 December 08 and Christmas Party 13 December 08. Also mentioned was the decision for a Cluster 1-C medical, surgical, dental and optical outreach project as a contribution of the Rotarians towards the Centennial Celebration of Baguio City. The Medical Mission will be from 16 thru 18 January 09. Rtn. Flo Bayquen at last received her Paul Harris pin in recognition for her contribution to Rotary. Director Ben Ladilad and RA Pres. Cely Ladilad were greeted for their Wedding Anniversary.

Sec./PP Gerard amiably introduced our Guest of Honor and Speaker for the day, Dr. Micaela Carino Marquez-Defiesta. She spoke of the problem of poor nutrition, obesity, and on the subject of expectant mothers. Dr. Marquez-Defiesta delivered a very informative and insightful presentation. After a very lively question and answer session, Treasurer Uwe presented a well thought out and gracious response on behalf of the club.

Following our club's tradition, we all sang Pilipinas Kong Mahal together (maybe not all in the same key) and President Bert adjourned the meeting with the sound of his gavel hitting the bell.

**Great Mind
has a Purpose**

EIC Dhory Vicencio

Oprah Gail Winfrey often referred to simply as **Oprah**, is an American television host, media mogul, and philanthropist. Her internationally-syndicated talk show, *The Oprah Winfrey Show*, has earned her multiple Emmy Awards and is the highest-rated talk show in the history of television. She is also an influential book critic, an Academy Award nominated actress, and a magazine publisher. She has been ranked the richest African American of the 20th century, the most philanthropic African American of all time, and was once the world's only black billionaire. She is also, according to some assessments, the most influential woman in the world

Rotary Club of Baguio is very blessed to have a brilliant entrepreneur and a humanitarian in the person of Rtn. Gigi Maranan.

Have you spent time talking to this person? She has the same magnet as Oprah. She has vast knowledge, comprehension, wisdom and expertise in almost all topics anyone can come up with. Conversation with Rtn. Gigi is always such a good experience. She bares her soul and in turn, you bare your inner self to her. Oprah's guests with sad stories to tell are apt to rouse a tear in Oprah's eye... They, in turn, often find themselves revealing things they would not imagine telling anyone, much less a national TV audience. It is the talk show as a group therapy session. Girl power is another word. Oprah indeed is the most powerful woman in the world. She has credibility; she has talent; and she has done it on her own to become fabulously wealthy and fabulously powerful.

Our lovely Rtn. Gigi may not hold in her palms the power as immense as that of Oprah but Rtn. Gigi is a powerful woman in our society. She has influenced every medium that she has touched. She is highly admired and well- respected because she maintains her conviction and values in significant way. To wrap it up, these two women are living Oprah's wonderful message "You are responsible for your own life".

They both exhort people to improve their lives and the world. They make people care because they care. That is the genius in them, and will be their legacy, as the changes they have wrought in their respective endeavors continue to permeate our culture and shape our lives.
