**THE WHEEL HAS STARTED
ROTATING AND IT IS GOING
PLACES.**

Pres. Mia Cawed

On the first day of the week, 02 August 09, members of the club waived their "stay in bed till noon" and "breakfast in bed" Sunday morning routine. They went to Luding for the induction of officers of the Rotary Community Corps (RCC) of Luding headed by RCC President Bandao Caligtan.

After the induction, said RCC immediately entered into an agreement with the club for its micro credit project. RCB released Ninety Thousand (P 90,000.00) Pesos to RCC Luding which the latter loaned out to its 30 members. After six (6) months, we expect that the financial situation of the families of the 30 beneficiaries would have greatly improved as a consequence of this micro credit project restricted for their agricultural projects.

On 07 August 09, the officers and members of the Board met the club scholars. In line with the club's thrust on literary through quality primary education, all three new scholars for this year are taking up primary education at University of Baguio and Saint Louis University. The meeting was called to plan how the club and the scholars can feel each other's presence and to have a mutually beneficial relationship. Among the items calendared for the meeting are:

1. The selection of the Guest of Honor and Speaker (GHS) from the scholars;
2. The attendance of the scholars during the club meeting when said scholar will speak before the club;
3. Volunteer work schedule as club clerk during the club's meetings;
4. Attendance of scholars in various projects of the club.

On 15 August 09, please find time to join us and the Rotaractors at 3:00 PM at SLU, College of Medicine Building for the Induction of Rotaractors. Let us show our utmost support for our partners in service.

RAINY DAYS can set the mood for the creative thinking. While hopelessly waiting for the power to be restored, a call comes through about a very interesting fund raising scheme. Watch out for the official announcement. Bright and interesting and guaranteed fund raising ideas are most welcome.

Reward... its many hidden faces

Let us call him Mr. Purple. Like many others, he was eagerly invited to join a Rotary Meeting. He was noncommittal, and with a polite smile, he said, "What do I need that for? I feel it would be even bad for my time and my business and soon, my family." Let me tell you, had he been invited, immediately with the lair of some kind of reward, things would have been different.

Human nature allows man to see, first, that reward ignites the positive and welcoming reaction; secondly, that reward comes after the fact, or, as they say, after the deal is done.

Mr. Purple's natural reaction is one experienced by most of us. We invite many, we harvest but few. Obviously, many have missed the true essence of "reward" that comes with a commitment to a cause, to service, to mankind as a whole.

Reward, in the real sense of the word, knocks at one's door anytime. Even before or after a fact. It may have been there soon enough and one failed to notice, to acknowledge or to incorporate into one's life.

Man's lack of grasp of this reality makes him lose the chance enjoying a life of reward. Thus nothing could ever make him fulfilled, satisfied and ever happy. In his life, there is always that strong need of something. All about him is the feeling of deep insatiable need : for what, for whom, for when.

Mr. Purple is not aware, that in Rotary, he has a big, happy family-well meaning brothers and sisters waiting for him to say the word. He will have hugs and kisses most sincerely given. His new family will sing his celebrations and will pray with him always. He will be intellectually nourished as various issues affecting his community and his environment will be fed him. He will know generosity as he never knew it before. He will be made aware that giving does not hurt. That he is more blest than so many others. He will learn of the world he never knew or never cared for before.

He will take long walks to see unfed and sick children, who neither read nor write, enslaved by the pain of ailments. He will honor other cultures and lifestyles. He will value drinking water and respect the seasons. A new world will unfold and he would not be lost.

Mr. Purple will realize that he does not need a machine or need to pay for his every breath. He knows that his capacity of learning stretches far. He has a strong and healthy body. He has a great family and his blessings abound. These he will now acknowledge are the rewards that he never knew.

Thus the Rotarians hold the reins and keep watch for their fellowmen, their lives of sacrifice and giving and their gift of precious time and caring. Rewards have come in the so many different times in their lives..... and in the so many hidden faces it could become.

The Meeting That Was 01 August 09

PP Roger Naz

“Rotary Membership, A quantity of quality Men and Women...”

This was the theme of the speech of our GHS, DGN Digna Ragasa, the first Lady District Governor Nominee of R.I. District 3790 for RY 2011-2012.

She elucidated that the strength of a Rotary Club depends so much on the quality of the whole membership. She further emphasized the need for change, that of recruitment of young and dynamic future Rotarians.

Club tradition on punctuality stood as Pres. Mia Cawed on her second month opened the meeting at exactly 12:30 P.M.

PP Gérard Audineau did a double Invocation by presenting first a Power Point doxology of “the Prayer” after which he recited a very meaningful Invocation.

Singing of the Philippine National Anthem followed and by Pres. Mias’ executive order (according to the emcee), PP Lito Pangilinan sang a heart wrenching rendition of “Ang Bayan Ko”. The singing of the Rotary Hymn followed (No holding of hands this time).

Entertainment master Dir. Marilyn Barredo, presented Rotakid Estelle Audineau who beautifully sang a Hannah Montana number. The “Diamond” of Dir./PP Gérard is starting to shine!

IPP Bert Talco was profuse and full of superlatives in introducing the visiting Rotarian and Guests most especially the “Dignitaries” at the head table (more next time Bert!).

Members’ Time saw PP Doming, PP Mike, IPP Bert gave Rotary insights and announcements.

There was a sigh of relief when the finemaster was nowhere around, it was announced he was in the “OR”, and overheard was “Maniwala ka diyan!” Well, the collective relief was dampened immediately when, in her President’s Time, Mia, exercising her presidential prerogative, fined all those present anyway.

The ever youthful Rtn. Joey Bugayong raffled off interesting prizes, which were won by;

SAA Flo Bayquen, a dog collar, Crystal Balls to PN Ben Ladilad, thermos to PP Lito, percolator to PP Chris Peralta, kitchen_ware to Aud. Rolly de Guzman. Me? Naah!!! Oy! Oy! I bought four numbers!

During President’s Time, Pres. Mia announced a very impressive of nearly 100% attendance for the month of June, maybe perfect when the make-ups come in.

The first woman president of our club, PP Veeh Balajo (Pres. 1997-1998), gave a very apt introduction of the GHS, the first woman president of RC Vigan (1998-1999), PP Digna Ragasa, now the first woman DGN of R.I. Dist. 3790. Program Coordinator PP Raffy Chan; suave in his business attire, usually formal “very organized” let loose this time waxing poetic (mana raw sa mentor) ad-libbing even accommodating the likes of PP Doming, PP Mike, PP Roger and their lengthy discourses in the Open Forum. Well! Raffy! Kudos! for a very exceptional smooth emceeing of the program.

PP Benny, during the Open Forum, asked if “Fellowship” plays a major role in club’s activities to which DGN Digna answered that fellowship among members really plays a great part especially in club projects. Other issues, such as focus on district goals, were brought out by PP Doming.

Rtn. Naas Demytteneare gave the Club’s Response. As Pres. Mia was handling the token to the GHS, a wag commented, “how about the other three guest speakers? (Who?) You know?”

The gloomy weather notwithstanding, the meeting was great. Congratulations to the participants and especially to the members and guests who braved the inclement weather to be with us.

Thank You! God Bless and See You!

Visit to Luding - 02 August 09

by Dir. Marilyn Barredo

Objectives: Induction of RCC Officers
Micro Financing to 30 Families

Members: Pres Mia, IPP Bert, PP Gérard, PN Ben, Treas Uwe, Dir Marilyn, Dir Joe, AS Dhory, RAIPP Cely, Pres' Spouse Bong, IPP Bert's Guest Cora.

As we discussed the extent of our support to our adopted community Luding and the possibility of moving on (to a new Barangay) after its electrification which could be realized this year or early next year... we were disappointed to see the deterioration of the road and the overall surroundings (i.e. overgrown shrubbery along the narrow road, water puddles outside of the meeting/child care bungalow and the bungalow itself needed some TLC).

IPP Bert took the lead to inform them of our plan of moving on after the Electrification and expressed our observations of the deterioration of Luding. Their excuse was the rainy season but promised that they will do their best to maintain their surroundings despite of rain. IPP Bert with the RCC Officers agreed that they cannot afford to lose the "Bayanihan Spirit" to keep up/maintain/improve upon the enhancements that has been brought into their Community.

Dir. Joe inducted the officers of the RCC and Pres. Mia presented the MOA for the Micro Financing. Pres Mia (reading from the MOA) stated that the loan is to the RCC and that the families will owe the RCC. Also, that the loan is solely toward farming related materials. RCC Luding with all its Members agreed and their officers together with the RCB officers, signed the MOA document.

When all business were completed, we all joined together to feast on steamed camote, Juice/coffee, Pinikpikan and rice.

It was a fruitful Sunday morning activity of the Rotary Club of Baguio Community Service Committee.

Take steps to keep recession from hurting retention

Rotary International News -- 4 August 2009

http://www.rotary.org/en/MediaAndNews/News/Pages/090804_news_strubing.aspx

In a global recession, humanitarian services – and volunteers – are more necessary than ever. So how can your club hold on to members who are experiencing financial difficulties?

“We’re hearing reports that some areas of North America are experiencing resignations from Rotary due to the economy,” says Judi Beard-Strubing, a regional Rotary International membership coordinator from Zone 23 and a retired Wall Street financial adviser.

Club presidents and district governors can take steps to help prevent the recession from negatively affecting member retention, says Beard-Strubing, who has given presentations and facilitated workshops on this subject in recent months. For example:

- * Find a less costly venue for club meetings, or talk to the restaurant where you currently meet about the possibility of less expensive meals. Consider changing meeting times so that club members can attend without having to pay for a full meal.

- * Give members a way to stay active in the club without having to write a lot of checks. This might mean partnering with local organizations on more hands-on projects, such as stocking a local food bank. Consider waiving a struggling member’s dues for a few months in exchange for more project participation.

- * Keep your radar tuned to any signs of financial difficulty among club members, and be sensitive to those who might be feeling the pinch. Identify members who might leave for financial reasons, and reach out to them sooner rather than later.

- * Remember that fellowship adds value to Rotary membership. Find inexpensive ways for club members to socialize regularly, such as pot-luck dinners. Consider starting a job bank in a club or district newsletter or Web site.

- * Keep an eye on membership records to see how the economic situation is affecting your roster. This applies at both the club and district level.

Judi Beard-Strubing is a regional Rotary International membership coordinator from Zone 23 and a retired Wall Street financial adviser.

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service.

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian’s occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian’s personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR-WAY TEST OF ROTARY

Of all the things we think, say or do:

- 1** Is it the **TRUTH**?
- 2** Is it **FAIR** to all concerned?
- 3** Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- 4** Will it be **BENEFICIAL** to all concerned?

It is possible to retain club members during a recession.

“If we approach this in a proactive way, we may cause a member to put resigning from Rotary or cutting down on Foundation giving further down on that list of where they will cut corners,” Beard-Strubing says.

Look for more tips from membership experts online throughout Membership & Extension Month.
