PRESIDENT'S CORNER

Focusing on our Club Thrusts

Pres. Mia Cawed

ATTENDANCE. Attendance in July was 100%. We have a chance of repeating history. Our attendance for August 1 meeting has hit the 100% mark. For the August 8 meeting, we are at 97%. Congratulations to all!

HOME CLUB ATTENDANCE. Let us take a look at the statistics: 04 July, it is 71.43%; 11 July, it is 88.6%; 18 July, it is 78%; and 25 July, it is 84%. Our home club attendance for the month of July is 80.39% (apologies for the wrong figure announced on 08 August). For now we can say this is a good figure. To what can we attribute this? The figures say that the members are very much interested in what direction the club is going this Rotary year. This is what 11 July meeting is all about and it got the highest percentage. We had a Club Assembly where the Board presented its plans, goals and budget for this year. The figures also say that the club welcomes the presence of the Rotary Anns which explains the high percentage on 25 July.

The month of August poses a challenge. The percentage is dropping. On 01 Aug, it dropped to a low 68%. On 08 August, it went up to 78% which still leaves much to be desired. But of course, we should not disregard the bad weather. Every one's cooperation is solicited.

FELLOWSHIP. We are having fun in our club meetings. 08 August was exceptionally fun. It was great! Despite the aversion of some members to the holding of hands during the singing of the Rotary Hymn, we could not help it. The camaraderie was too strong to defy it. This is what our good attendance rating is all about. Great, wholesome fellowship. The members look energized and every one has a happy disposition. Let's keep it up! Let's make every meeting an opportunity to fellowship. Surely, this will bring up our home club attendance.

ACCOMPLISHMENTS. In line with one of the club thrusts which is membership growth, the Membership Committee has been busy for us to realize our goal. A prospective member has been found eligible by classifications chairperson, PP Raffy. The membership approval sub-committee headed by PP Chris likewise found the said prospective member eligible from the standpoint of character, business and social standing and general eligibility. The Board approved the recommendations of the classifications and membership approval sub-committees and Sec. Gigi was fast in informing the proposer, IPP Bert of such. In no time at all, IPP Bert complied with the prerequisites for the issuance of the 7-day notice which each member now has a copy of. What a display of determination, efficiency and cooperation. The membership Committee deserves an APPLAUSE!

BIRTHDAY GREETINGS to PP Doming Valencia (14 Aug), RA Tess (10 Aug) Ramos, and RS Bong Cawed. (15 Aug).

DISTRICT FUNCTIONS AND INDUCTIONS. DS/PP Linda and PP Gerard have pre-registered to the National PR Convention to be held on 22 August. On 29 August, the Rotary Leadership Institute training will be held in Tarlac which costs P950. Those interested to attend may seek the assistance of Sec. Gigi.

Inductions are not yet over. RC of Uptown Dagupan has invited the club to their induction on 28 August, 6 PM at the CSI Stadia in Dagupan. The induction of RCB Sunrise will follow on 2 Sept, 6 PM at the Baguio Country Club Ballroom.

The Meeting That Was 08 August 09

Treas. Uwe Koeller

President Mia banged the gavel at exactly 12:30 PM to call to order the 5th meeting of the Rotary Club of Baguio for RY 2009-2010. The Program Coordinator last 01 August 09 was Treas. Uwe Koeller.

After the soul-enriching invocation by Aud. Rolly de Guzman, we sung the Pambansang Awit followed by Bayan Ko and the Rotary Hymn. It was a revelation that PP Doming and Rtn. Jody Alabanza are hell of a duo of nationalists.

The entertainment was organized by Sec. Gigi Maranan, who, together with AS Dhory Vicencio, sung for us “Time and Tide”. The introduction of VR&G was aptly done by SAA Flo Bayquen. We had 2 guests. PP Mike Pearson’s guest, John Jugueta and IPP Bert’s guest, Maria Corazon ‘Cora’ Ocampo.

The Finest Moments was done by Rtn. Joey Bugayong. We heard about the different trees representing our characteristics– and we heard a lot of things we have not yet known about us. We heard a lot of “Yes, that’s true.”, and seldom a complaining word.

The following raffle was done by our Raffle King Rtn. Joey Bugayong (yes, just like me, he had a double part in the program) and we got another set of wonderful prizes. Thanks you Joey, after a long time, I won again – if I remember right, the last time I won was when I was again the Retrospector. The other happy winners were PP Chris Peralta, PP Doming Valencia, IPP Bert Talco, Pres. Mia Cawed, Sec. Gigi Maranan, PP Mike Pearson, and our Club Speaker of the day, PP Benny Sunga, who won the main price.

In Members’ Time, DS Linda Winter informed us that, as much as she would like to be more present in our meetings, she can’t because she has to travel a lot as District Secretary. IPP Bert Talco jokingly announced that he misses the podium – and that he needs now all our help to get more advertisers for The Cañao. We need teamwork to achieve our goal for the Canao. PP Mike Pearson spoke about the cultural programs of the Centennial Commission of Baguio.

During the President’s Time, Pres. Mia Cawed asked first the question: “Are you having fun?” What echoed was an overwhelming “Yes!!” to which Pres. Mia replied “That made my day!”

Pres. Mia was very proud to announce that, for the month of July, we had 100 percent attendance with more or less 90 percent Home Club attendance. She announced further that the Scholarship Committee had their meeting last Friday, 07 Aug. 09, and that on 05 September 09, all the scholars were obliged to attend our Club meeting and one of them will be the Guest of Honor and Speaker. The membership was also informed that last Sunday, 02 August 09, a group of Rotarians went to Sitio Luding to conduct the induction of the RCC officers and that, the amount of Php 90,000 for the micro-credit for agricultural purposes was distributed. An appeal was aired to the membership for help in soliciting advertisers in the Canao and for annual contributions to the Rotary Foundation. Lastly, she informed the Club that through a Board Resolution, an account for the Matching Grant for the Hearing Impaired (a carry over of RY 2008-2009) had been opened with an amount borrowed from the General Fund.

Rtn. Engelbert Soriano made a snappy introduction of our Club Speaker, PP Benny Sunga. His topic was “Re-educating The Rotarian”. He gave us an informal session, going back to the Basics of Rotary (“not really a controversial topic”). He spoke about what Rotary is really all about for united businessmen and women worldwide. We went back to time when, on 23 February 1905, four lonely men, a lawyer, a coal dealer, a mining engineer and a merchant tailor met for the main reason of camaraderie and to enjoy each others company. Their meetings had been held rotating in their respective business places from which the name “Rotary” was chosen for this new group. The Rotary Club of Chicago started with 30 members in 1905. In 1907 they had their first community project, a public toilet. In 1908, the second Rotary Club was formed. It took Rotary 40 years to adopt the two mottos “He Profits Most Who Serves His Fellows Best” and “Service Not Self”. The Aims and Objects of Rotary had been established and later called the four channels of Rotary Service. We learned too that UNESCO was born out of the ideas of Rotarians. PP Benny ended his talk by giving the information that M.A.T. Caparas was the first and so far the only Filipino RI President and that was in RY 1986-1987.

More information was gathered from the Open Forum which immediately followed. It was stressed that there was an increase in the number of Clubs worldwide but not in members. We should be aiming more in retaining membership. The only way to attract new members is to know more about Rotary.

Rtn. Herb Hayes gave the respond with a phrase of wisdom “The day we stop studying is the day we start dying”. The ardent singing of “Pilipinas Kong Mahal” ensued and the meeting was adjourned at 3:00 PM.

We missed you DS Linda... picture with you please!

A revelation - PP Doming and Rtn. Jody led the singing of "Ang Bayan Ko"

The RCB "Supremes"

PP Mike to guest - "John, this is how it is in RCB!"

This is how to introduce a speaker - "Benito", B is for...

Fellow Rotarians of RCB, if you can still recall, this is how it started.

PP Benny gladly accepts the Certificate of Appreciation from Pres. Mia.

Foundation honors Philippine business leader, philanthropist

By Ryan Hyland

Rotary International News -- 13 August 2009

http://www.rotary.org/en/MediaAndNews/News/Pages/090813_news_yap.aspx

Emilio T. Yap became the first Filipino inducted into the Arch C. Klumph Society, which honors donors who give at least US\$250,000 to The Rotary Foundation, during a ceremony on 11 August.

Yap and his wife, Lydia, were unable to attend the ceremony at RI World Headquarters in Evanston, Illinois, USA. In their absence, Ambassador Hilario G. Davide Jr., permanent representative of the Philippine mission to the United Nations, accepted the honor on behalf of his good friend.

A noted business leader and philanthropist in the Philippines, Yap is the chair of the Manila Bulletin Publishing Corporation, which produces two newspapers and 10 leading weekly and monthly magazines. He is also chair of several boards, including those of the U.S. Automotive Company, Philtrust Realty Corporation, Philippine Trust Company, Manila Hotel Corporation, and Centro Escolar University.

Yap is an honorary member of the Rotary clubs of Manila and Manila San Miguel, Manila, and Marikina, Rizal. He and his wife support the Foundation's Annual Programs Fund and Permanent Fund.

In a statement read by Davide, Yap thanked the Foundation: "I am greatly honored to be part of an organization that is doing so much to make life better for countless millions of people around the world. Thank you so much for the honor of installing my name to the Arch C. Klumph Society, joining other donors worldwide who have steadfastly supported The Rotary Foundation."

Yap has initiated several humanitarian activities aimed at promoting peace and political stability. He supports programs that contribute to economic progress and job growth in the Philippines, including those that offer education and technical training to disadvantaged Filipinos and to disaster relief workers.

He has received more than 350 awards and citations from government, professional, and civic organizations, including honors from Philippine presidents.

Yap praised the Foundation in his statement saying "your educational programs, which bring young professionals to other parts of the world to help

enrich their technical skills and cultural knowledge, and your humanitarian grants, which help the needy and disadvantaged, are worthy causes," Yap said.

Davide, a former chief justice of the Philippine Supreme Court, has been friends with Yap for nearly 30 years.

"This is a very special privilege of mine to represent such a great humanitarian and respected leader of the Philippines," said Davide. "His philanthropy work covers so many areas in our country and around the world."

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST.

The development of acquaintance as an opportunity for service.

SECOND.

High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD.

The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH.

The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

FOUR-WAY TEST OF ROTARY

Of all the things we think, say or do:

- 1 Is it the TRUTH?
- 2 Is it FAIR to all concerned?
- 3 Will it build GOODWILL and BETTER FRIENDSHIPS?
- 4 Will it be BENEFICIAL to all concerned?
